Dr. Pierce's Pleasant Purgative Pellets
SIZE OF PELLETS.
Or Sugar-Coated, Concentrated, Root and Herbal Juice, Anti-Bilious Granules. THE "LITTLE GIANT" CATHARTIC, or Multum in Parvo Physic.

The novelty of modern Medical, Chemical, and Pharmaceutical Science. No use of any longer taking the large, repulsive, and nauseous pills, composed of cheap, crude, and bulky ingredients, when we can, by a careful application of chemical science, extract all the cathartic and other medicinal properties from the most valuable roots and herbs, and concentrate them into a minute Granule, **scarcely larger than a mustard seed,** that can be readily swallowed by those of the most sensitive stomachs and fastidious tastes. Each little **Purgative Pellet** represents, in a most concentrated form, as much cathartic power as is embodied in any of the large pills found for sale in drug-shops. From their wonderful cathartic power, in comparison to their size, people who have not tried them are apt to suppose that they are harsh or drastic in effect; but such is not at all the case, the differentactive medicinal principles of which they are composed being so harmonized and modified, one by the others, as to produce **a most searching** and **thorough, yet gently and kindly operating, cathartic.**

$500 Reward is hereby offered by the proprietor of these Pellets, to any chemist who, upon analysis, will find in them any calomel or other forms of mercury, mineral poison, or injurious drug.

Being entirely vegetable, no particular care is required while using them. They operate without disturbance to the constitution, diet, or occupation. For **Jaundice, Headache, Constipation, Impure Blood, Pain in the Shoulders, Tightness of the Chest, Dizziness, Sour Eructations from the Stomach, Bad taste in the mouth, Bilious attacks, Pain in region of Kidneys, Internal Fever, Bloated feeling about Stomach, Rush of Blood to Head, High-colored Urine, Unsteadiness of the Nerves, Coldness of Extremities, Nervous Prostration, Sick Headache, Dizziness, Drowsiness, Dyspepsia, Costiveness, Piles, Blues, Nervousness, Sleeplessness, Melancholy, Nervous Depression, Debility, Despondency, Threatened Miscarriage, Chronic Congestion, Inflammation and Ulceration of the Uterus, Impotency, Barrenness, or Sterility, Female Weakness,** and very many other chronic diseases incident to woman not mentioned here. In all affections of this nature, my Favorite Prescription works cures—**the marvel of the world.** This medicine I do not extol as a cure-all, but it admirably fulfills **a singleness of purpose,** being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it do harm, in any state or condition.

Those who desire further information on these subjects can obtain it in **THE PEOPLE'S COMMON SENSE MEDICAL ADVISER,** a book of over 300 pages, sent, post-paid, on receipt of $1.00. It treats minutely of those diseases peculiar to females, and gives much valuable advice in regard to the management of those affections.

WOMAN.

By an immense practice, extending through a period of years, having within that time treated many thousand cases of those diseases peculiar to woman, I have been enabled to perfect a most potent and agreeable medicine that meets the indications presented by that class of diseases with positive certainty and exactness.

To designate this natural specific compound, I have named it

Dr. Pierce's Favorite Prescription.

The term, however, is but a feeble expression of my high appreciation of its value, based upon my own personal observation. As a close observer, I have, while witnessing its positive results in the few special diseases incident to the separate organism of woman, singled it out as **the climax or crowning gem of my medical career.** On its merits, as a positive, safe, and effectual remedy for this class of diseases, and one that will, at all times and under all circumstances, act kindly and in harmony with the laws which govern the female system, I am willing to stake my reputation as a physician. Nay, even more, so confident am I that it will not disappoint the most sanguine expectations of a single invalid lady who uses it for any of the ailments for which I recommend it, that I offer and sell it under **A POSITIVE GUARANTEE.** If a beneficial effect is not experienced by the time two-thirds of the contents of the bottle are used, I will, on return of the bottle, two-thirds of the medicine having been taken according to directions, and the case being one for which I recommend it, promptly refund the money paid for it. Had I not the most perfect confidence in its virtues, I could not offer it as I do under these conditions; but having witnessed its truly miraculous cures in thousands of cases, **I feel warranted and perfectly safe in risking both my reputation and my money on its merits.**

The following are among those diseases in which my **Favorite Prescription** has worked cures, as if by magic, and with a certainty **never before attained by any medicine: Leucorrhœa, Excessive Flowing, Painful Monthly Periods, Suppressions when from unnatural causes, Irregularities, Weak Back, Prolapsus,** or falling of the Uterus, **Anteversion and Retroversion,** bearing Down Sensations, Internal Heat, Nervous Depression, Debility, Despondency, Threatened Miscarriage, Chronic Congestion, Inflammation and Ulceration of the Uterus, Impotency, Barrenness, or Sterility, Female Weakness, and very many other chronic diseases incident to woman not mentioned here. In all affections of this nature, my Favorite Prescription works cures—**the marvel of the world.** This medicine I do not extol as a cure-all, but it admirably fulfills **a singleness of purpose,** being a most perfect specific in all chronic diseases of the sexual system of woman. It will not disappoint, nor will it do harm, in any state or condition.

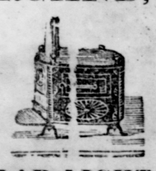

Those who desire further information on these subjects can obtain it in **THE PEOPLE'S COMMON SENSE MEDICAL ADVISER,** a book of over 300 pages, sent, post-paid, on receipt of $1.00. It treats minutely of those diseases peculiar to females, and gives much valuable advice in regard to the management of those affections.

To the Public.
IN looking over the "Union" of July 26th, I find a notice forwarning all persons from paying any money due the firm of T. D. Case & Co., to myself. Feeling aggrieved, or that great injustice has been done me by this publication, I herewith transmit the facts, as the public may understand my position.—Some time in the year 1875, T. D. Case, J. B. Draper, J. T. Sangston and myself entered into a copartnership to transact the boating business, and at their request, I did take charge of the books of said firm, (T. D. Case & Co.) When this firm was dissolved, I proceeded to collect the bills and liquidate the debts of said firm, and applied out of my individual funds, seven hundred and fifty dollars, to assist in same, which amount is still due me. T. D. Case overdrew his account three hundred and two dollars and ten cents. After finding he could get no more of said funds he caused this notice, through malice, to appear. I onjecture, to injure me. As far as the old firm of Case & West is concerned, I will state that T. D. Case, some time ago, applied for the benefit of the Bankrupt law, and I as the only partner left, presume I have the privilege to close up the same, which I shall proceed to do in case of both the firms referred to.
