A lepresentative and Champion of American Art.

handsomest Paper in the World. "Give my love to the artist workmen of THE AL-

THE ALDINE, while issued with all the regu larity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, light, and graceful literature, and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a frest pleasure to its friends, the real value and beauty of THE. its friends, the real value and beauty of THE AL-DINE will be most appreciated after it has been bound up at the close of the year. While other pubpared with rivals of a similar class, THE ALDINE Opposite Metropolitan Hotel is a unique and original conception-alone and unjust completed cannot duplicate the quantity of fine ber of volumes for ten times its cost. The labor of getting THE ALDINE ready on the press is so great that reprinting is out of the question. With the exception of a small number specially reserved for binding, the edition of 1871, is ady exhausted, and it is now a scarce as well as

ART DEPARTMENT.

The enthusiastic support so readily accorded to their enterprise, wherever it has been introduced, has convinced the publishers of THE ALDINE o public would recognize and heartily support any sincere effort to elevate the tone and standard of illustrated publications. That so many weakly wicked sheets exist and thrive is not evidence that there is no market for anything better-indeed the success of THE ALDINE from the start is direct proof of the contrary. With a population so vast, and of such R. E. Piguet, Frank Beard, Victor Nehlig,
