What a blessed faculty is that which | Figure long talked of Ship Canal through this Penenables a man or woman to say no, and has changed, and then to stick to it! Of course, one who practices the positive, must also learn to think before he speaks, else he will be unjust to himself as well as to others .--No one class of our people need to acquire this habit more than farmers, and whan they have become accustomed to at the very time to offer use the word more frequently and em- and I sincerely ask all persons in want phatically than they do at present, iti- I can sell cheaper than the cheapest. A nerant peddlers and agents will find | Shees are decidedly cheaper than have ever been offered to the murket. The largest and best stock of their ceenpation gone, or at least slight-

ly less remanerative. The patent gate or bee-hive man calls | ever offered for sale in this county. The styles on the farmer and asks him to purchase | sold. his wares, or the right to use them; the farmer, knowing that he does not actu- | Ladies' Hose 13, 15, 20 and 25 cts. Corsets, the best ally need them, says no; but the smooth, men's Collars, Ties, Handkerchiefs, Paroily tongue of the agent soon gets a decision in his favor, and there are two sales effected instead of one-for the TOBACCO AND CIGARS. sales effected instead of one—for the farmer is sold and the agent sells his chewing, Fine Cat and Smeking Tobacco, the for defiling, and can be applied in any quantity.

Chewing, Fine Cat and Smeking Tobacco, the ion of many close calculating Farmers, after the forder of the forde wares. When we glance over the list of patent gates, bee-hives, ox-yokes, ox fences, and a thousand and one other amine my stock.
Remember my terms are easy-CASH. worthless things that have been sold to | Denton, March 29, 1873-tf. farmers, and are at the present time being hawked about the country, we can- HOMEENTERPRESE. their worthless compounds. not help arging every man to acquire

the habit of saying no! There may be one or two better Choptank Nurseries, by our grandfathers, but how many thousands of worse than useless things Vines, &c., for have been sold under the name of "improved patent churns!" The same is true of hearly all of the similar implements used about the household and farm; the inventors, manufacturers and | most approved, early market and fine t summer peddlers of the same having flourished and autumn varieties, Southern Winter Apples, thirty varieties, obtained from Georgia, North Carolina and Virginia, and by test, will keep in this climate. not or did not say no. All the vile nostrums that are distributed through the trums that are distributed through the country were sent there by the manufacturers simply because they know the facturers simply because they know the weakness of the masses; and swindlers the greatest enemy of peach culture—the Jersey and is made with the same care and supervision, uniform quality quaranteed with the same care and supervision, of all kinds, from the wine plant peddlers down to the counterfeit money dealers, who send boxes of sawdust to their dupes, flourish for the same rea-

It is passing strange that mon and women who possess any intelligence, HEWES VIRGINIA CIDER CRAB, can for a moment suppose that any country quack or city quack doctor possess opportunities or the brains to concoct a medicine of more value or potency than the thousands of learned men who grace the professions. The same is true in regard to plants; and if farmers will remember this one thing that no travelling agent ever did introduce a new plant, fruit or vegetable, they will be duped less often. When any one calls on you and pretends that he has something new, that our regular nurse- YARD AND SHADE TREES, extra ryman or florist do not know at all about it, set him down as a swindler, EVERGREENS & ORNAMENTAL and not only say so, but hasten his departure from your premises. If our farmers had served the peddlers of Allakengi, or strawberry tomato, wine- Blackberries, Raspberris, Gooseberries. plant, coffee-plant, and hundreds of other such wonders, they would not only have saved many thousands of dollars, but have had a far better opinion of mankind in general.—Rural New Yor- Concord, Clinton, Taylor's, Bullet, &c.

## Farmers Visiting Each Other.

terchange of experience through the orders by letter guaranteed to receive papers by farmers, is the practice of same care as when given personally. visiting and talking with each other, examining each other's means and methods of doing business, exchanging suggestions on the farm and stock management and relative to devices for facilitating work. Scarcely any farmer will consider his time lost who devotes a certain proportion of it each year to this method of acquiring information and the undersigned will sell at private sale all that suggestions for use in his own husban- | Farm, near Denton, Caroline county, formerly cupied by Wm. Williamson, and is the same land dry; for there are some things farmers | described in said Mortgage, recorded in Liber J.
