THE JOURNAL

DENTON, SATURDAY MORNING, Dec. 30, 1876.

LOCAL INTELLIGENCE.

The School Commissioners will meet on Tuesday, 16th of January.

SCRAPS.

—The Centreville brass band is progressing finely.

—There have been a great many persons moving this week.

—An experienced cook for a hotel wanted. Apply at this office.

—There has been considerable sleighing in this vicinity during this week.

—The steamer George Law is now at Quaker Neck wharf fast in the ice.

—The Kent County R. R. sells tickets to Baltimore and return for $5.50.

—The property assessed in Dorchester county will probably amount to about six millions of dollars.

—The literary people of Udion Corner boast of a prosperous Lyceum.—They have a paper edited by the society called *Everybody's Business.*

—A colored boy living near this town, a few days ago, ate twenty-three ginger cakes and five large soda crackers, in less than seven minutes, without drinking a drop of water.

—Mr. Louis J. Blocksom, of Tuckahoe Neck, died on Monday the 25th inst. Mr. B. was a good neighbor, and was highly respected by all who knew him.

—The slippery condition of our streets for the last few days has afforded the young gentlemen an excellent opportunity of showing their gallantry in helping up fallen down ladies.

—We call attention to the article by A Friend to the Poor. It is the promptings of a noble heart, and we hope our townsmen will meet in the court-house this evening and consider the subject.

Always keep the bottle handy,
Do not place it out of sight;
For it cured our little Andy,
Who was coughing day and night,
Dr. Bull's Cough Syrup.

HOTEL CHANGE.—Capt. T. E. Heathers, owner of the Choptank Hotel property in this town, has leased it to Mr. Andrew Baggs, Jr., who has moved in and is ready for business. The captain and his family are now boarding at the Brick.

TO FARMERS.—The American Farmer is a monthly agricultural paper always filled with most useful information to farmers. We will furnish it, together with the Journal, for $2. a year—one dollar less than they cost taken separately.

PERSONS having business with Wm. Henry Legg can find him at his residence in Denton until "New Years," at which time he removes to his farm on Kent Island Queen Anne's county. Those owing him are expected to make immediate payment or settlement.

RELIGIOUS.—Rev. A. Manship of Philadelphia, will preach in the M. E. Church of this town next Sabbath morning and evening. The evening sermon will introduce "Watch-night" service; exercises commencing at 9 o'clock. Service will be held in this church each evening during next week, except Saturday evening.

GRANGE OFFICERS.—At the last meeting of Denton Grange, December 26, the following officers were elected: J. W. Kerr, W. Master; Wm. E. Saulsbury, Lecturer; G. L. Potter, Chaplain; E. Downes, Steward; C. H. Shields, Asst. Steward; H. Wilson, Treasurer; H. C. Fisher Secretary, and J. Evitts, Gate-keeper.

TEMPLE LODGE OFFICERS.—At the regular communication of Temple Lodge, A. F. and A. M., held on Tuesday evening last, the following officers were elected: W. M., J. W. Kerr; S. W., F. Straughn; J. W., C. A. Dunning; Treasurer, R. J. Jump; Secretary, Geo. T. Melvin.

FIRE.—The dwelling-house on the farm belonging to John Rhodes, near Willoughby's Shop, in Queen Anne's county, formerly belonging to Captain Benjamin Skinner, wes destroyed by fire on Wednesday afternoon last. The fire originated in the kitchen, but at the time there was no one at home.—The furniture in the two rooms below was saved by the neighbors; everything else was destroyed. We are not advised as to whether there was any insurance.

ENTERTAINMENTS.—The M. E. Sabbath School of this town, under the management of Mr. R. J. Jump, gave an entertainment on Monday evening last, which was a credit both to the school and its Superintendent. The singing was truly excellent,—Miss Newman, our accomplished organist, presiding at the organ. The church was beautifully decorated with evergreens and wall inscriptions. The children will not soon forget Christmas night.

The P. E. Sabbath School also had a Christmas tree entertainment on the same evening at the Choptank Hotel, which, we learn, was a very decided success.

American Farmer.

MESSRS. EDITORS:—I was glad to see your offer last week to let this community have the *Journal* and the *American Farmer* together for a price which is very little over what either of them separately will cost. The offer is certainly a liberal one, and I hope will induce many to provide themselves with both these excellent publications, who now take neither. You do well, I think, Messrs. Editors, by helping so favorably to circulate a good agricultural paper in the community of whose interests your periodical is one of the public guardians. This combination of private and public interests is always judicious. Every public spirited citizen should have one eye employed in looking after the welfare of the community, while the other pays due attention to his own. X. X.

TERRIBLE ACCIDENTS.—These we do not wish to read about, but everybody wants to read how to get a valuable present. It may be got for a club of three or even two subscribers to the AMERICAN STOCK JOURNAL, which is perhaps, the cheapest farm periodical published. It is a thirty-two page monthly, devoted to Stock and Poultry Breeding, Dairying, Wool Growing, Bee Keeping and Farming. A Veterinary Department treats diseases of stock free. In fact it contains a mine of valuable information, that, that the farmer and his family cannot afford to be without. All who subscribe now get the three last numbers of 1876 as a gift. Subscription *only one dollar a year.* Sample Copy, Premium List, and Show Bill *free* on application. Address POTTS BROTHERS, Parkesburg, Chester county, Pa. We will send the AMERICAN STOCK JOURNAL and DENTON JOURNAL together one year for $2.

For the Journal.

NEAR RIDGELY, Dec. 27, 1876.

Dear Journal:—I promised to write you if I could find time, and as I have had little else but *time,* on account of bad weather, I cannot plead engagement to my advantage, if I should fail to keep my promise. A well-to-do farmer and a professional gentleman have been caught three days in succession manufacturing home-made foot mats from corn husks. They have five very fine mats, and lots of sore-fingers for their reward:

As a colored man was passing the farm of Mr. Eugene Pennington who lives near the Caroline and Queen Anne's line, he met poor Reynard, evidently nearly exhausted, a rod or so in advance of Mr. Samuel Roe's pack of famous hounds. The man took in the situation at a glance, and, acting in full sympathy with the dogs, with hat in hand as his only weapon, he made a desperate rally at his foxship, and succeeded in so attracting his attention that the leading dog soon mouthed the fox. This bush was soon brought from the field, as the huntsman's trophy, and his body left as a warning to his posterity. A gentleman to whom the bush was shown, prevailed on the colored man to return and bring the body also, that the hide might be saved to figure in a different capacity. The fox and dogs had evidently run entirely away from the huntsmen and were thus lost to them. While I am writing, men are skinning the body, and speculating as to what disposition they will make of his *likeness* when his tail shall have been sewed on and his hide stuffed with bran.—He is a noble red fox, and weighs eight pounds minus his bush. You have the liberty to make any use you may see proper to make of this; publish it under "communicated," itemize into "locals," or consign to your waste basket, at your pleasure.

DIED.

A Time-Honored Specific.—The long and successful career of Dr. WISHART'S PINE TREE TAR CORDIAL as contrasted with the speedy collapse of nostrums devoid of efficacy which have from time to time been puffed into a brief notoriety during the twenty-odd years that this celebrated medicine has been sold, affords a proof that the American public *continues* to repose its confidence in deserving articles only. The PINE TREE TAR CORDIAL has long been recognized as the leading specific for Consumption, Bronchitis, Coughs, Colds, Asthma, Diptheria, and all other diseases of the breathing organs. It is moreover, a certain, speedy, and safe botanic remedy for Dyspepsia, Liver Disorders, Scrofulous Affections, Urinary Troubles, Gravel, Dropsy, Debility, Constipation, and Female Complaints. Constantly accumulating evidence of an unimpeachable character establishes the fact that it is not only entirely eradicates the diseases to which it is adapted, but also that its action is remarkably prompt and thorough.—The crucible test of experience has demonstrated its reliability in every particular. Sold by all druggists. Principal Depot, No. 916 Filbert Street, Philadelphia.

J. W. IRVING, formerly of Centreville and lately of Chestertown, has located himself in Denton and proposes to carry on his business in all its branches, and hopes by strict attention to the same to merit the patronage of the public. THIS standard article is compounded with the greatest care.
Its effects are as wonderful and as satisfactory as ever.
It restores gray or faded hair to its youthful color.
It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.
By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.
As a dressing, nothing has been found so effectual or desirable.
A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the BEST PREPARATION for its intended purposes."

Saves one-third the fuel, and will keep fire from the beginning to the ending of Winter without going out. This Stove is constructed upon an entirely new plan, taking its draft from the top, thereby throwing the heat to the floor, warming the rooms much more effectually than any other Fire-Place Stove.
☞Don't buy until you have seen and examined this Stove.
