COME and LOOK!

at our selected stock of ladies' shoes. Best ever offered to the trade. We have the sole control in this town of the handsomest Slippers that can be found, which will meet the demands of those desiring the most fashionable. They were made to our order on the most fashionable style lasts and every pair is put up separately in handsome boxes. These shoes we recommend to equal any shop made shoe in quality and fit, and will sell them at $3.25. Have a very heavy stock of other shoes, the prices of which we have not space to mention; but it will pay any lady in this county to call and examine our stock and buy a pair.

We also call the attention of our male customers to our full and handsome stock of men's shoes which were also made to order, and are equal to any we heretofore sold at $4.00, and we sell them at $3. Plow Shoes cheaper than ever before with a guarantee. These shoes are ahead of anything we have found in the market. It affords us pleasure to show our goods, and we are certain we have bargains to offer.

1831 THE CULTIVATOR 1882
AND
COUNTRY GENTLEMEN
THE BEST OF THE AGRICULTURAL WEEKLIES. ENLARGEMENT FOR 1882.

The Country Gentleman is the Leading Journal of American Agriculture. In amount and practical value of contents, in extent and ability of correspondence, in quality of paper and style of publication, it occupies the First Rank. It is believed to have no superior in either of the three chief divisons of

FARM CROPS AND PROCESSES,
HORTICULTURE AND FRUIT-GROWING,
LIVE STOCK AND DAIRYING,

while it also includes all minor departments of rural interest, such as the Poultry Yard, Entomology, Bee-Keeping, Greenhouse and Grapery, Veterinary Replies, Farm Questions and Answers, Fireside Reading, Domestic Economy, and summary of the News of the Week. Its Market Reports are usually complete, and much attention is paid to the Prospects of the Crops, as throwing light upon one of the most important of all questions—When to Buy and When to Sell. It is liberally Illustrated, and is intended to supply, in a continually increasing degree, and in the best sense of the term, a LIVE AGRICULTURAL NEWSPAPER. The Volume of the Country Gentlemen for 1882 is largely increased in Contents by the addition of a sufficient number of pages to meet the growing demands upon its space, but the terms continue as follows when paid strictly in advance: One Copy, one year, $2.50; Four Copies, $10, and an additional copy for the year to the sender of the Club; Ten Copies, $20, and an additional copy for the year free to the sender of club.

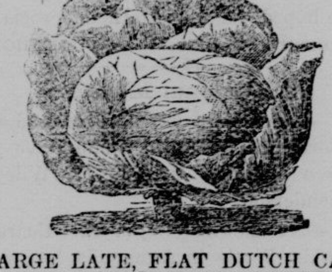
BLOOMSDALE



LARGE LATE, FLAT DUTCH CABBAGE, SOLID HEADS, SHORT STEMS.

For a long period of time we have had this stock of Cabbage in cultivation, originally obtained from the German and Swedish market gardeners. It has been a part of our business occupation to keep it undefiled, and to-day we offer it in its original purity, equal in quality with the very best in the country. even though the best cost a hundred dollars per pound.

We have made this crop a study and give our customers the result of many years close observation, for which our opportunities may be judged by the fact that we have each and every year, about one hundred and fifty acres of cabbage raised expressly to produce seed for the ensuing season, and from which selections are made with scrupulous care guided by experience. Not a single grain of seed is raised from Stalks, all from Selected Heads.

We mail our Catalogue free of charge to all applicants.
