BLOODSDALE

For a long period of time we have had the stock of Calhoun in cultivation, originally obtained from the best Swedish market gardeners. It has been a part of our business occupation to keep it unadulterated, and to-day we offer it in its original purity, equal in quality with the very best in the country, even though the best cost a hundred dollars per bushel.

We have made this crop a study and give our customers the result of many years close observation, for which our opportunities may be judged by the fact that we have each and every year, about one hundred and fifty acres of cabbage raised expressly to produce seed for the ensuing season, and from which selections are made with scrupulous care guided by experience. Not a single strain of seed is raised from stalks, all from Selected Heads.

We sell our Catalogue free of charge to all applicants. D. LANDRETH & SONS, 21 & 23 South Sixth Street, Between Market and Chestnut Streets, and South West Cor. of Delaware Avenue and Arch Street, PHILADELPHIA, Pa.
