TALBOT COUNTY COURT,
ON THE EQUITY SIDE THEREOF.
MAY TERM, 1825.

Joseph Martin and Ennalls Martin, petitioners, *against* Charles P. Wilson, John Price and Ann his wife, and Rebecca Wilson, defendants.

The petition in this case states, that Tristram Martin, late of the said county, deceased, being seized in fee simple and possessed of sundry lands and tenements, with the appurtenances, lying and being in the county aforesaid, made and published his last will and testament, and therein and thereby authorised and empowered the said Joseph Martin and Ennalls Martin to sell and dispose of the said lands and premises for the purposes in the said will set forth, and died so seized and possessed, that the said Joseph Martin and Ennalls Martin, in pursuance of the authority in them vested by the said will, sold all and singular the said lands and premises, mentioned in the said will, and therein directed to be sold by them, to Baynard Wilson, of the said county, for the sum of seven thousand two hundred and thirty seven dollars, current money of the United States, to secure the payment of which sum the said Baynard Wilson passed and executed his bond to the said Joseph and Ennalls Martin, that the said Baynard Wilson, in his life time, paid a part of the said purchase money to the said petitioners, and that after his death, his administratrix paid to the said petitioners a further part of the said purchase money, leaving a large balance of the said purchase money yet due—The petition further states, that no conveyance or transfer of the said legal title in and to the said lands and premises has yet been made to the said Baynard Wilson or his heirs or legal representatives, that the said Baynard Wilson hath departed this life intestate, without will or testament, possessed of the said lands and premises, and having an equitable estate and title therein, and seized in fee of some other lands and real estate, lying and being in the county aforesaid, all of which, upon his death, descended to the said Charles P. Wilson, Ann Price and Rebecca Wilson, as his heirs at law and legal representatives—The petition further states, that the personal estate left by the said Baynard Wilson is insufficient for the payment of the debts due from him, at the time of his death, and that the said John Price and Ann his wife, and the said Rebecca Wilson, reside in the state of Delaware, out of the jurisdiction of Talbot County Court; the object of the petition therefore is to obtain a decree of Talbot County Court for the sale of the said lands and premises for the purpose of discharging the debts due from the said Baynard Wilson, at the time of his death.

It is thereupon this twentieth day of May, in the year of our Lord, eighteen hundred and twenty five, ordered and adjudged by Talbot County Court, sitting as a court of chancery, that the petitioners, by inserting and publishing this order three successive weeks in the newspapers published in Easton, in the county aforesaid, before the eighth day of July next, give notice of the said petition and of the object thereof, warning the said John Price and Ann his wife and the said Rebecca Wilson, the absent defendants, to appear in Talbot county Court, in person or by solicitor, on the second Monday in November next, to shew cause, if any they have, why a decree should not be passed as prayed for.

Gentlemen from a distance, will be accommodated, with good pasturage, and grain if required, on moderate terms—and the utmost care and attention will be paid to the mares. There is no probability, that this horse will ever be here again, he is already disposed of—I would, therefore, advise my friends to apply in time, to avoid disappointment.

Self-Sharpening

PLOUGH.

The Subscribers have made arrangements for procuring from Philadelphia, 100 sets of castings for the Self-Sharpening Plough, of the smaller size, suitable for the ordinary cultivation of corn and seeding wheat. These castings will be from a new Foundery, erected for the express purpose, and the metal of the best Albany composition—The sockets will be made larger, longer and thicker, and the point supported by the coulter in such manner as to render them able to stand the shock of stumps, roots or rocks, as effectually as any other plough of their weight in use. The ploughs Nos. 2 and 3, sold from the first sets of castings, heretofore advertised, have been found to work well, break the ground effectually and to require less horse power than any other plough of their weight, but the No. 2 owing to a defect in the metal, will not stand the shock of stumps or roots—of No. 3 (several of which have been in operation for some months) we have had no complaint of breaking—We have just received 48 wings and points which will be furnished gratis to those who have or shall purchase the Self-Sharpening Plough to make good any breakage.

As the season for ploughing fallow is approaching and the subscribers are anxious to dispose of the remainder of their ploughs have determined to reduce the price to $10 for No. 3 and $8 for No. 2—At these prices they will be the cheapest ploughs of their weight ever offered in this market.
