POETRY.

LEGAL WHISKERS.

As o'er their wine and walnuts sat,
Talking of this and then of that,
Two wights, well learned in the law,
That is well skilled to find a flaw;
Said one companion to the other,
"How is it most respected brother,
That you of late have shaved away,
Those whiskers which for many a day
Had ornamented much your cheek?
Sure 'twas an idle silly freak."
To whom the other answer gave,
With look half merry and half grave,
"Though others be by whiskers graced,
A LAWYER can't be too barefaced!"

The Mother and her Child.

His little hands, in amorous fold,
Were on her bosom placed;
The ringlets, like the virgin gold,
His ivory forehead graced.

He smiles—to none that smile was known,
Though full of hope it beamed,
Except to one, who felt alone
The all of Heav'n it seem'd.

How tenderly she reads his heart!
What grace she pictures there!
Wisdom to shun the wiles of art,
And mercy for despair.

How link'd in love the mother's dream,
The morning's early joy!
And gay the bark and bright the stream
Which bear the blooming boy.

Oh, may the sweet delusion last,
And on the hours to come
Shed calm and holy, as the past,
A ray upon her tomb!

Easton, March 15. WM. HUSSEY.

The Mount Hope Literary and Scientific Institution.

THIS Institution, occupying a commanding and salubrious spot, two miles west from the City of Baltimore, was opened for the reception of scholars on the first of November last, under the superintendence of Professor F. HASL, M. D. late of Washington College, and DANIEL P. BACON, A. M. of the City of New-York.

Pupils will be admitted of any age between four and sixteen, and instructed by the Principals, and by the best qualified Assistants, in all the branches of useful knowledge, taught in the American Schools and Colleges. The languages of France and Spain will be taught by natives of those countries. Particular attention will be given to practical Arithmetick,—Geometry and Engineering; also, to Chemistry, as applied to Agriculture and the Arts,—to Mineralogy, to aid them in the study of which, pupils will have access to a valuable cabinet of minerals, containing upwards of four thousand specimens; to Botany, and to Experimental Philosophy.

The Principals, or Assistants, will always be in company with their pupils, paternally to direct them, both in their studies and amusements, and to assist in the formation of a courteous, moral, and gentlemanly deportment. Gymnastick exercises will be taken daily.

Religious instruction, free from sectarianism, will be given within the Institution, not only on Sunday, but the exercises of every day will be commenced and closed with reading the Scriptures and Prayer.

There will be two vacations; the 1st, from the last of July to the first of September; the 2d, the two weeks immediately succeeding the 23d of December:—During the vacations, Pupils may remain at the Institution, under the supervision of their Instructors, free of expense.

The Charge for tuition, board, room, fuel and light, not including washing or stationary, will be 250 dollars a year, payable semi-annually in advance. Each scholar must furnish a bed or mattrass, with its proper accompaniments, a chair and table. No student will be received for a shorter term than one year. In an Institution isolated as this will be, very little pocket money is needed: and that which is allowed must pass through the hands of the Principals, and be given to the pupils, at their discretion: Parents will be credited for money deposited for this purpose, and charged for the sums delivered.

Letters, relating to the Institution, may be addressed to either of the Principals at the Institution, or to David A. Hall, Esq. City of Washington.

TESTIMONIALS.

Having seen the Prospectus of a Gymnastick School to be established near Baltimore, under the superintendence of Prof. Hall, I take the liberty to express my full approbation of the plan of the Institution, and a conviction, that his christian character, his talents and attainments, his opportunities of foreign travel, and his long experience in the higher departments of instruction, are qualifications fitted to gain confidence of those, who may afford him their patronage.

Rev. JEREMIAH DAY, D. D & L. L. D. President, Yale College.

I fully coincide in the above opinion and recommendation.

B. Silliman, L. L. D. Prof. Chemisty and Mineralogy, Yale College.

Yale College, June, 1828.

Professor HALL, who proposes establishing a Literary Institution, near Baltimore, has been well known to me for several years. I consider him to be a gentleman of Sound Learning, and strict integrity, and every way entitled to the confidence of those who may be disposed to intrust youth to his care.

Rt. Rev. T. C. BROWNELL, D. D. & L. L. D. Bishop of Con. & Pres. W. College

A long and intimate acquaintance with Prof. Hall, of Washington College, authorises me to state, that I consider him entitled, as a man, a christian, and a scholar, to the entire confidence of those who may patronize the establishment, which he is about to commence;—and which, I have every reason to believe, himself and his associates will make one of the most respectable and useful in our country.

Rev. T. H. GALLAUDET, Principal A. Asylum for the education of Deaf and Dumb, Hartford, Connecticut.

The following recommendation is from the gentleman, recently elected President of the Columbian College at Washington.

Mr. Daniel P. Bacon was for more than two years in the senior department of the New-York High School. He happily unites the accurate scholar with the polished gentleman; and both as a teacher, and disciplinarian, I know not his superior. Those who intrust their sons to his care will not be disappointed.

D. H. BARNES, A. M. Principal of the New-York High School.

New-York, June, 1828.

(Extract of a Letter from JOHN GRISCOM, L. L. D. Principal of the New-York High School.)

"From an intimate acquaintance with Daniel P. Bacon, during his engagement in this school, I can freely certify, that I consider him, as a most thorough & efficient teacher in any branch of Classical and English Literature, in which he may be willing to give instruction. His moral and religious character, as far as I have observed is free from the slightest suspicion."

Two Hundred Dollars Reward.

THE following Criminals broke the Jail of Baltimore County on Thursday night the 30th of October, to wit:

THOMAS WARD, one of the mail robbers, aged about 35 years, 5 feet 10 inches high, raw boned, light hair and blue eyes, has a large scar on his neck, believed to be on the right, or perhaps both sides, still somewhat sore occasioned by the king's evil. Ward having been wounded by the guard when robbing the mail, it is probable that marks of the wound may be discovered on his breast, and one of his fingers, believed to be the middle finger on the right hand—He is a native of Pennsylvania, and his family are said to live between Baltimore and Pittsburg, near Slyestown, Pa. Ward at this time is in delicate health.

WILLIAM ANDERSON, alias THOMAS BRYSON, aged about 30 years, 5 feet nine inches high, a native of Ireland, dark complexion, hair and eyes, a few pits of the small pox, a down look, especially when spoken to, with a broken or hollow nose.

HOWARD EASTON, 19 to 22 years old, 5 feet six inches high, light complexion hair and eyes, small person, and has the appearance of a youth.

ELBERT EASTON, brother to Howard Easton, description same as Howard, as far as can be recollected, supposed one or two years younger—both natives of Montgomery County, Maryland.

The above reward will be paid for the apprehension and delivery of the above mentioned prisoners, or Fifty Dollars for each, with all reasonable charges, if taken out of this state, or secured in any jail in the United States.

DIXON STANSBURY,
Warden Baltimore County Jail.

Nov. 15

100 DOLLARS REWARD.

RANAWAY from the subscriber on Sunday morning the 21st inst. a mulatto fellow who calls himself ABRAHAM SULLIVAN, about 21 years of age, 5 feet 10 or 11 inches high, straight and well made, with rather a down look when spoken to, but polite and attentive.—For the last eight or nine months he has been employed as a waiter, in the Easton Hotel by Mr. Peacock. He had on when he runaway a fox coloured hat blue cloth coat, corduroy pantaloons and new shoes.—There is little doubt he will change his clothing as he took a variety with him.

Whoever will take up said Runaway and deliver him in the Jail in Easton, Talbot county, (Md.) shall receive a reward of Fifty Dollars, if taken in this State or the State of Delaware—if taken out of the above States, One Hundred Dollars reward will be given.

WM. H. GROOME, Agent
for Isabella Smyth.

Easton, Oct. 4—tf

One Hundred Dollars Reward.

RANAWAY on Saturday night last, a negro man called DANIEL, who is about 32 years of age, five feet 8 or 9 inches high, of a dark mulatto colour, has broad shoulders and broad face, is rather lusty and well made, has large white teeth, his eyes are of a reddish colour, and when he is spoken to he has a smile on his countenance. Daniel was hired out in Easton, and went off under pretence of going to Camp Meeting, and there is reason to believe that he was accompanied by a negro man, the property of Mrs. Smyth, who was also hired out in Easton, and is of a chesnut colour and rather tall. I have no knowledge of what clothes Daniel took with him, other than a blue jacket and fur hat nearly new It is more than probable that these negroes will make their way either to Delaware or New Jersey. The above reward will be paid for apprehending Daniel if taken out of the State, and Fifty Dollars if taken in the State and lodged in Jail so that I get him, and all reasonable expenses paid if brought to Easton and lodged in Jail.

EDWARD O. MARTIN.

Head of Wye, Talbot co. Md.

Whoever takes up said negro and secures her in jail so that the subscriber gets her again shall receive the above reward.

THOMAS D. MONNELLY.

Chappel, Talbot county, (Md.) Oct. 4, 1828
