TEMPERANCE
Convention.

At a meeting of the Officers and Managers of the Queen Ann's county Temperance Society, convened at Centreville on the 10th of October instant, it was thought that great advantage would result to the Temperance cause from a union of effort by the different societies on the Eastern Shore of Maryland, and the State of Delaware.

It was therefore unanimously *Resolved*, by the members present, that the temperance societies of the Eastern Shore of Maryland, and of the State of Delaware, be invited to send five members from each county, to meet in Centreville, Queen Ann's county, Maryland, on the first Tuesday of next December. It is also most respectfully suggested, that where there are no county societies, that the different neighborhood societies, be requested to confer and agree on five persons from each county, to represent said societies in said Convention.

Resolved also, That the Editors of newspapers on the Eastern Shore, and in the State of Delaware, be requested to publish this notice for three weeks in their respective papers, and that the ministers of the Gospel, of the different denominations, be also requested to read this notice a few times in their several congregations.

By order of the board,

P. B. HOPPER, President.
of Q. A. C. T. Society.

New Improved Patent
THRASHING MACHINE.

THE SUBSCRIBERS having purchased the right of the Eastern Shore of Maryland of S. S. Allen's Improved Thrashing Machine, respectfully ask the public to suspend the purchase of any machine until they shall have an opportunity of seeing theirs, as they think it will give more general satisfaction than any thing of the sort yet offered to the public, as regards its thrashing, cheapness and convenience. It thrashes rapidly with one horse, and requires but two for any speed, and so completely portable that the whole ready for use may be easily taken from barn to barn in a light waggon with one horse, and with the improved Concave Hopper and Wind Mill is an excellent machine for getting out clover seed.

☞ Machines can be seen at their shop in Elkton, where they are now burning them.

Notice.

$50 REWARD.

Alexander Larrimore, a tenant of mine, left a new house which has not been built more than three months past, on account of the death of his wife, and by and with my consent, on the 19th inst. which was on Saturday. On the next day, I visited the house late in the evening, and could not discover any fire left in said house. On Monday, late in the evening the house was discovered to be on fire, and soon consumed, with a large portion of the poor man, Larrimore's moveables in it.

I have made every inquiry of the people who left the house on Saturday morning, say five in number, and they all declare that previous to leaving the house, Mrs. Betsey Larrimore poured water on the fire in the hearth and extinguished every spark.

Now taking all the circumstances connected with the case into consideration, viz: the fact of there being scarcely any fire on the hearth, and no wood at the time of pouring water on it. Also, the fact of its raining all that day, and night after leaving the house, with the fact of my visiting the house, and making an examination on the evening of the following day, and finding no fire in or about the house. I say taking all these circumstances connected together, it is manifest without the least shadow of doubt, that my house was set on fire by some incendiary or incendiaries.

I will give the above reward to any person or persons who will detect the villainous incendiary or incendiaries, with such proof as may lead to their conviction in any court of justice.

I will only add, that I suffered a severe loss in the month of April last on this same Cromwell farm, by having several of my best work oxen drowned, and killed otherwise by some villain or villains. It was then reported that my oxen jumped into a deep creek and drowned themselves. It may now be reported with the same propriety that my house has jumped into the fire and consumed itself, and poor Larrimore's household goods.
