The War in Texas—The southern mail yesterday brought us an extra sheet from the office of the New Orleans True American, containing the following information from Texas: —*Balt. Amer.*

NEW ORLEANS, Oct. 29.

Important from Texas.—We have been favored by two gentlemen who left Nacogdoches the Sunday before last with the following information:

Judge Walker, of Louisiana, arrived two weeks ago at Nacogdoches, where he was detained by ill health from the city of Mexico. He informs us that centralism as had been established previously to his leaving. He had received a letter from Col. Austin, stating that he and others had organized 750 riflemen, and expected that number to be increased in a few days to 1,000.

It was expected at Natchitoches that 5 of the interior states had declared against centralism;—and it was also reported that Gen. Cos had been recalled.

Judge Walker states that while in Mondova he was permitted to examine the last legislative proceedings: that he was strongly impressed with the liberal views of that body in relation to the adjustment of the land titles in Texas. Two new commissioners had been appointed by it to expedite titles claimed by the old settlers. When it is taken into consideration that these acts were passed in presence of an armed body opposed to any thing like liberality it excites a lively admiration of the conduct of the members.

The coming Congress.—Under this head, the Globe of Saturday copies a list of the members of the next Congress, from the Journal of Commerce, and accompanies it with such remarks as it considers most conducive, perhaps, to help bring about the election of its publishers as Printers to the House of Representives, and the defeat of the Hon. John Bell, as Speaker.

Of the Senate, the list gives to Anti-Van Buren 25 members—to Van Buren 19—and sets down as doubtful, Messrs King, of Alabama, Hendricks, of Indiana, and M'Kean, of Pennsylvania—one vacancy. The Globe remarks, that Messrs. King, Hendricks and M'Kean will support the Baltimore nominations. The country will see.

Of the House of Representatives, the list gives Van Buren 134—Anti-Van Buren 101—Doubtful 2—Two vacancies. Upon this, the Globe remarks, that Mr. Turner, of Maryland, Mr. Sheppard, of North Carolina, Messrs. Martin, Chapman, Lawler, and Lyon, of Alabama, Messrs Maury, Hunisman, Dunlap and Shields, as well as Polk and Johnson of Tennessee, Gen. M'Carty, of Indiana, and Mr. Sevier, of Arkansas Territory, (all set down in the list as *against* Van Buren except *Polk, Johnson, and Sevier,*) will also support the Baltimore nominations; but it remarks, that Mr. Wise, of Virginia, set down in the list for Van Buren, is a White man.—The Globe article for once, is mild, and quite lavish and prodigal of compliments upon doubtful members. Are the Globe men sure of being elected Printers to the House, and of defeating the election of the Hon John Bell as Speaker?

Genuine Wit. The following anecdote may be relied on as a fact; A gentleman from Southhampton passing along a street in Baltimore, came face to face with a negro man whom he well knew, and who had been for several years a runaway from one of his 'neighbours—"Aha! Mingo," said Mr ——"is that you?" To which Mingo promptly replied, "No,massa,dis aint me;" and brushed past his old acquaintance in great haste —*Norfolk Beacon*.

The Pacha of Egypt has contracted to be supplied with ice from Boston.—The government of Malta has also a similar contract. The ice is to be furnished at 4 cents a pound.

TEMPERANCE Convention.

At a meeting of the Officers and Managers of the Queen Ann's county Temperance Society, convened at Centreville on the 10th of October instant, it was thought that great advantage would result to the Temperance cause from a union of effort by the different societies on the Eastern Shore of Maryland, and the State of Delaware.

It was therefore unanimously *Resolved*, by the members present, that the temperance societies of the Eastern Shore of Maryland, and of the State of Delaware, be invited to send five members from each county, to meet in Centreville, Queen Ann's county, Maryland, on the first Tuesday of next December. It is also most respectfully suggested, that where there are no county societies, that the different neighborhood societies, be requested to confer and agree on five persons from each county, to represent said societies in said Convention.

Resolved also, That the Editors of newspapers on the Eastern Shore, and in the State of Delaware, be requested to publish this notice for three weeks in their respective papers, and that the ministers of the Gospel, of the different denominations, be also requested to read this notice a few times in their several congregations.

PROPOSALS OF A NEW PUBLICATION TO BE CALLED The Catholic Periodical LIBRARY

Which is designed to be a reprint of all the best Catholic Works in the English Language, in weekly numbers, at 8 cents each.

The dearth and scarcity of the best Catholic works must long have been a source of regret to every intelligent and observing Catholic in America. So limited has been the sale, and so great the expense of printing these books, that but few individuals in the country have been sufficiently enterprising to undertake their publication; and their price, in consequence, has been more than proportionally high. In fact, so dear have Catholic books in general been, that it has been entirely impossible for the poorer members of the Catholic community, who stand most in need of instruction, and for whom the books have in general been compiled, to obtain copies, even of those works which are nearly essential to the practice of religion.

The subscriber has long since observed this fact with the utmost regret, and may certainly say, that up to this time, he has at least done something to reduce the prices of the most necessary Catholic works. Our religious are books still however, extremely dear; and the Subscriber, depending on the support of a liberal and enlightened Catholic community, has determined to issue a Periodical publication which, by its cheapness, will place all the best Catholic works within the reach of the poorest individual; and from the neatness and elegance of its execution will be found worthy of a place in the libraries of the rich. Such a Publication as that which the Subscriber proposes to issue, has long been called for by the exigencies of the Catholic community, and the rapidly increasing number of the members of our Holy Church seems fully to justify him of the expectation that it will meet with sufficient encouragement to enable him to conduct it successfully. He, therefore, notwithstanding the expense and risk attending it, and confiding entirely in the liberality and generosity of his fellow Catholics of the United States and the Canadas, has resolved to put it to press forwith; and he therefore throws himself on his Catholic brethren, and calls on them for their support and patronage.

In this undertaking he is principally encouraged by the hope that it will meet with cordial approbation of the clergy in general, and that he will be aided by the powerful assistance of that learned and devoted body of men. The undertaking is one which is eminently calculated to disseminate the principles of our holy religion widely throughout the community, and to assist the clergy in the discharge of their parochial duties by affording, at an uncommonly low rate, all the necessary knowledge and instruction. The Subscriber, therefore earnestly requests that the Bishops and Clergy in general will exert their powerful influence in order to increase the popularity of the work and to obtain a sufficient number of Subscribers to enable him to carry it on with success. By those means they will augment the spiritual comforts of their charges, and contribute, to a great measure, to dispel the prejudices by which our brethren of other denominations are unfortunately blinded.

TERMS.—The *Catholic Periodical Library* will be published in Weekly numbers, of forty pages each, duodecimo size, on fine royal paper and beautiful new type, stitched in handsome wrappers, and will embrace the whole of the most celebrated Controversial and Devotional works, together with a large fund of ecclesiastical history. The first Number will be issued on Saturday November 7th.—Terms of Subscription $1 *Per Annum, or Eight Cents per Number*, payable in advance.—Liberal commissions will be allowed to Agents. Any six persons, who may live at a distance, remitting a twenty dollar note, may have six copies of the work sent them for one year.

N. B. Postmasters throughout the country are requested to act as Agents.

The following is a list of a few of the works which will be issued in this publication, and which will follow each other in rapid succession.

Moore's Troy is of an Irish Gentleman in search of a religion, Bossuet's *History* of the Variations of the Protestant Churches, The Faith of Catholics, by Kirk and Ferrington, Haywarden's True Church of Christ shown, Haywarden's Charity and Truth, Mores Catholici, or Ages of Faith, Mumford's Question of Questions, Mumford's Catholic Scripturist, Lingard's History of the Anglo Saxon Church, Perpetuity of the Faith, Dr. M'Hale's Evidences of the Catholic Church, Fleury's Manners of the Israelites, Fleury's Manners of Christians, Lanneegan's Ecclesiastical History of Ireland, Bishop Hay's Works, Prince Gallitzin's Controversial Writing's, Manning's Works, O'Leary's Tracts, St Bonaventure's Life of Christ, Challoner's Meditations, Butler's Book of the Catholic Church, Butler's Festivals and Fasts, Butler's Lives of Saints, Dr. Lingard's edition of Ward's Errata.

The above is a Collection of Standard Catholic Works, which could not be purchased for less than seventy dollars and it would be almost impossible to obtain many of the works included in it at any price whatever. The collection can now be obtained in this cheap and elegant Periodical for the uncommonly low price of about Twenty Dollars.

All new Catholic Works will be published in the PERIODICAL LIBRARY as soon as received, and able translators will be provided for all the European publications of peculiar excellence.

JOHN DOYLE, Bookseller, N. Y.

☞ Editors of Papers in the country by giving the above a few insertions, and sending the papers containing it to the publisher, will entitle themselves to a copy of the work for one year.
