JUSTICES PRACTICE.

The subscriber has published the second edition of the Justices Practice by J. H. B. Latrobe. This edition brings down the Laws relating to the Justices of the Peace and Constables, and those subjects in connection with which their agency may be required, to Dec. 1834 which terminated to March 1835 inclusive. While the general arrangement of the work remains nearly the same as in the first edition, a great deal of matter has been added which experience had shown to be useful, and in particular the chapter on conveyancing has been very much enlarged, so as to furnish the Justice of the Peace with precedents in most of the cases connected with the transfer of property that can occur before him.

THE SILK CULTURIST

THE Executive Committee of the Hartford county Silk Society, have commenced a monthly publication, called the Silk Culturist and Farmers Manual.

The object of the publication is to disseminate a thorough knowledge of the cultivation of the Mulburry Tree, in all its varieties—The rearing of Silk Worms—The production of Cocoons and the Reeling of Silk, in the most approved method The importance of this knowledge will appear from the fact that the nett profit of land devoted to the culture of Silk, is double, if not triple, to that derived from any other crop which can be put upon it It is also a fact, that every moderate farmer can raise several hundred dollars worth of Silk, without interfering with his ordinary agricultural operations. But in order to avail himself of this facility to obtain competency and wealth, which our soil and climate have given him, he must possess himself of information on the subject—for without it his attempts will be fruitless. It is, therefore, the object of the Committee to diffuse this information as extensively as possible, and at the cheapest rate. The publication will contain a complete manual or directory from sowing the seed to reeling the Silk, together with such facts and experiments, as will enable farmers to raise Silk and prepare it for market, without further knowledge or assistance. It will also contain interesting matter on agricultural subjects in general.

TERMS—The *Culturist* will be published in monthly numbers of Eight Quarto Pages, at FIFTY CENTS a year. No subscription will be received unless paid in *advance*, and for not less than a year.

Subscriptions received by F. G. COMSTOCK, Secretary, Hartford, Conn., to whom also, Communications may be addressed, which, if post paid, will be attended to.

☞Editors who will copy the above, shall receive the publication for one year.

PROSPECTUS

OF A NEW PUBLICATION
TO BE CALLED

The Catholic Periodical LIBRARY

Which is designed to be a reprint of all the best Catholic Works in the English Language, in weekly numbers, at 8 cents each.

The dearth and scarcity of the best Catholic works must long have been a source of regret to every intelligent and observing Catholic in America. So limited has been the sale, and so great the expense of printing these books, that but few individuals in the country have been sufficiently enterprising to undertake their publication; and their price, in consequence, has been more than proportionally high. In fact, so dear have Catholic books in general been, that it has been entirely impossible for the poorer members of the Catholic community, who stand most in need of instruction, and for whom the books have in general been compiled, to obtain copies, even of those works which are nearly essential to the practice of religion.

The subscriber has long since observed this fact with the utmost regret, and may certainly say, that up to this time, he has at least done something to reduce the prices of the most necessary Catholic works Our religious are books still however, extremely dear: and the Subscriber, depending on the support of a liberal and enlightened Catholic community, has determined to issue a Periodical publication which, by its cheapness, will place all the best Catholic works within the reach of the poorest individual; and from the neatness and elegance of its execution will be found worthy of a place in the libraries of the rich. Such a Publication as that which the Subscriber proposes to issue, has long been called for by the exigencies of the Catholic community, and the rapidly increasing number of the members of our Holy Church seems fully to justify him of the expectation that it will meet with sufficient encouragement to enable him to conduct it successfully. He, therefore, notwithstanding the expense and risk attending it, and confiding entirely in the liberality and generosity of his fellow Catholics of the United States and the Canadas, has resolved to put it to press forwith; and he therefore throws himself on his Catholic brethren, and calls on them for their support and patronage.

In this undertaking he is principally encouraged by the hope that it will meet with cordial approbation of the clergy in general, and that he will be aided by the powerful assistance of that learned and devoted body of men The undertaking is one which is eminently calculated to disseminate the principles of our holy religion widely throughout the community, and to assist the clergy in the discharge of their parochial duties by affording, at an uncommonly low rate, all the necessary knowledge and instruction. The Subscriber, therefore earnestly requests that the *Bishops* and *Clergy in general* will exert their powerful influence in order to increase the popularity of the work and to obtain a sufficient number of Subscribers to enable him to carry it on with success. By these means they will augment the spiritual comforts of their charges, and contribute, in a great measure, to dispel the prejudices by which our brethren of other denominations are unfortunately blinded

TERMS.—The *Catholic Periodical Library* will be published in Weekly numbers, of fifty pages each, duodecimo size, on fine royal paper and beautiful new type, stitched in handsome wrappers, and will embrace the whole of the most celebrated Controversial and Devotional works, together with a large fund of ecclesiastical history. The first Number will be issued on Saturday November 7th.—Terms of Subscription $4 *Per Annum, or Eight Cents per Number*, payable in advance.—Liberal commissions will be allowed to Agents. Any six persons, who may live at a distance, remitting a twenty dollar note, may have six copies of the work sent them for one year.

N. B. Postmasters throughout the country are requested to act as Agents.

The following is a list of a few of the works which will be issued in this publication, and which will follow each other in rapid succession.

Moore's Travels of an Irish Gentleman in search of a religion, Bossuet's *History* of the Variations of the Protestant Churches, The Faith of Catholics, by Kirk and Berrington, Haywarden's True Church of Christ shown, Haywarden's Charity and Truth, Mores Catholici, or Ages of Faith, Mumford's Question of Questions, Mumford's Catholic Scripturist, Lingard's History of the Anglo-Saxon Church, Perpetuity of the Faith, Dr. M'Hale's Evidences of the Catholic Church, Fleury's Manners of the Israelites, Fleury's Manners of Christians, Lanneguin's Ecclesiastical History of Ireland, Bishop Hay's Works, Prince Gallitzin's Controversial Writing's, Manning's Works, O'Leary's Tracts, St Bonaventure's Life of Christ, Challoner's Meditations Butler's Book of the Catholic Church, Butler's Festivals and Fasts, Butler's Lives of Saints, Dr. Lingard's edition of Ward's Errata.

The above is a Collection of Standard Catholic Works, which could not be purchased for less than seventy dollars; and it would be almost impossible to obtain many of the works included in it at any price whatever. The collection can now be obtained in this cheap and elegant Periodical for the uncommonly low price of about Twenty Dollars

All new Catholic Works will be published in the PERIODICAL LIBRARY as soon as received; and able translators will be provided for all the European publications of peculiar excellence.

JOHN DOYLE, Bookseller, N. Y.

Editors of Papers in the country by giving the above a few insertions, and sending the papers containing it to the publisher, will entitle themselves to a copy of the work for one year. Oct. 5
