a Convention has been rejected, but at substitute offered which is still pending.

The bill, which passed the Senate, allowing any person to contract for the use of money at a rate of interest not exceeding ten per cent, without incurring the penalty of usury, was brought in by Mr. Mayer and intended for the citizens of Baltimore; he thought it was necessary there; that it would lower the rate of interest, and do away the interest of one and two per cent per month—I dont think the bill will pass the House—Your Senator, Col. *Hughlett*, I understand, was opposed to the bill.

ANNAPOLIS, Feb 29.

The Reform question—the order of the day after being under consideration for some time, was postponed.

A message was adopted by the House today by a vote of 41 to 18, on motion of Mr. Dulany, proposing to the Senate the appointment of a joint committee to inquire into and report upon the expediency of abolishing the office of Chancellor and the High Court of Chancery; also proposing that that committee be instructed to examine the records of the said Court, to ascertain whether and in what manner the present Chancellor has rendered obedience to the laws requiring him to file his opinions in writing—whether and in what manner he has disregarded the decisions of the Court of Appeals, and whether he has in any case abused the power with which he is clothed, and is guilty of any official misdemeanor. The message names Messrs. Dulany, Spence Long, Matthews & Brown as the committee on the part of the *House*—and proposes to clothe the joint committee with power to send for persons and papers

The joint committee of the two *Houses* on the memorial, asking indemnification for losses sustained during the recent riots in Baltimore, closed this afternoon their examination of witnesses in which for some days they had been engaged.

The English Papers to the 4th February, by the packet Independence, furnish no news of moment.

The Supreme Court adjourned on Friday last, having decided & disposed of 67 cases, leaving 45 on the docket for next year, of which there are a number involving the same principle.

The Hon. JOHN TYLER, of Va. has resigned his seat in the U. S. Senate—the following is his letter.

WASHINGTON, Feb. 29.

Sir:—I beg leave through you, to inform the Senate that I have on this day resigned into the hands of the General Assembly of Virginia, for reasons fully made known to it, my seat in the Senate of the United States as a Senator from that State.

This announciation is now made, so as to enable the Senate, at its earliest pleasure, to fill such vacancies in the several committees as may be created by my resignation.

In taking leave of the body over which you preside, I should be faithless to the feelings of my heart if I did not frankly confess that I do so with no ordinary emotions. I look to the body itself as the representative of these federated features of our system, to preserve which unimpaired, has been the unceasing object of my public life. I separate from many with whom I have been the associated for years, and part with friends whose recollection I shall cherish to the close of my life. These are sacrifices which it gives me pain to make. Be pleased to assure the Senate that I carry with me into retirement sentiments of respect towards its members, & that in bidding them adieu, I extend to each and all my very best wishes for their health, happiness and long life.

I have the honour to be, Sir,
Your ob't. servant,
JOHN TYLER.

Hon. Mr. Van Buren.

TEMPERANCE MEETING.

At a meeting of the Q. A. County Temperance Society held in Centreville on Tuesday, the 23d ult, the following gentlemen were elected delegates to the convention to be held in Easton, Talbot county in this state; on the first Tuesday in June next, viz. Judge Hopper, Col. John Tilghman, Major James Massey, Dr. Jonathan Crane, Dr. Enock George, Thos. B. Cook, Esq. Roderick Earickson, Esq. Wm. Harper, Wm. A. Spencer Esq. D. C. H Emory, Esq.

We understand that the delegates in the state of Delaware are also appointed and it is supposed that the convention will be well attended.

The meeting will be composed of two delegates from each county of the Eastern Shores of Virginia and Maryland, and of the State of Delaware.

Editors of papers circulating on this shore, in the state of Delaware and on the Eastern Shore of Virginia would confer a favor, if they would publish in their respective papers a notice of the Convention, the time of meeting and the number of Delegates expected from each county—and the announciation of the appointments in the different counties would we think be attended with good, as it might tend to stir up some of those, who are lukewarm to action—*Centreville Times.*

We observe in the Philadelphia papers a notice for a meeting of the male members of the Methodist Episcopal Church in that city and county, who are friendly to the removal of the Methodist Book Concern from New York to Philadelphia.—We hope, as the question of the removal of the Concern is agitated, that Baltimore will not be backward in stating her claims to its location within her limits. *Her* central position, and the peculiar facilities she possesses in reference to the intercourse with the South and West, give her decided advantages over both of her eastern neighbors. Besides, the prices of property are comparatively so low here that it is believed suitable ground and all the new improvements required for conducting the operations of the Concern, can be erected in Baltimore for the sum which the vacant lot in N. York will sell for.—American.

JUSTICES PRACTICE.

The subscriber has published the second edition of the Justices Practice by J. H. B Latrobe. This edition brings down the Laws relating to the Justices of the Peace and Constables, and those subjects in connection with which their agency may be required, to Dec. 1834 which terminated to March 1835 inclusive. While the general arrangement of the work remains nearly the same as in the first edition, a great deal of matter has been added which experience had shown to be useful, and in particular the chapter on conveyancing has been very much enlarged, so as to furnish the Justice of the Peace with precedents in most of the cases connected with the transfer of property that can occur before him.

THE SALMAGUNDI,

AND NEWS OF THE DAY.

EMBELLISHED WITH A MULTITUDE OF

COMIC ENGRAVINGS.

A new periodical, of a novel character, bearing the above appellation, will be commenced on the beginning of January 1836. While it will furnish its patrons with the leading features of the news of the day, its principal object will be to serve up a humorous compilation of the numerous lively and pungent sallies which are daily floating along the tide of Literature, and which, for the want of a proper channel for their preservation, are positively lost to the Reading world. Original wits and humorists of our time will here have a medium devoted to the faithful record of the scintillations of their genius. It is not necessary to detail the many attractions which this journal will possess, as the publisher will furnish a specimen number to every person who desires it—(those out of the city, will forward their orders, *postage paid*)—He pledges himself that no exertions on his part shall be wanting to make each succeeding number superior in every respect to the preceding ones.

The Salmagundi will be printed on large imperial paper, equal in size and quality to that which is at present used for the Gentleman's Vade Mecum. It is calculated that more than

500 *Engravings*

will be furnished to the patrons of this Journal in one year—these, in addition to an extensive and choice selection of Satire, Criticism, Humour and Wit, to be circulated through its columns, will form a Literary Banquet of a superior and attractive order; and the publisher relies with perfect confidence on the liberality of the American public, and the spirit and zeal with which this expensive undertaking will be prosecuted, to bear him success.

The price of The Salmagundi will be two dollars per annum, payable invariably in advance. No paper will be furnished unless this stipulation is strictly adhered to. ☞Clubs of three will be supplied with the paper for one year, by forwarding a five dollar note, postage paid. Clubs of seven will be supplied for the same term, by forwarding a ten dollar note. ☞The papers that are sent out of the city will be carefully packed in strong envelopes, to prevent their rubbing in the mail.

☞The Salmagundi will be published on alternate weeks—otherwise it would be impossible to procure the numerous Embellishments which each number will contain—and the general interest it will afford must be enhanced by this arrangement.

☞All orders must come postage paid.

NEW SERIES

Embellished with Splendid Engravings

The publisher has been induced from the extensive patronage bestowed on his work hitherto to change its style of publication, and to improve and enlarge its pages, as already known to be the case of the Acting Plays which has ever been published in this country and the prospect of its future success is ample and satisfactory.
