Pending the discussion on the Land Bill, now before the *U. S.* Senate, Mr. Clay made the following statements relative to the population of the new States, to show their annual increase between the years of 1820 and 1830.

Illinois (he said) had increased eighteen and a half per cent per annum; Alabama, fourteen; Indiana, thirteen and a third; Missouri, eleven, Mississippi, upwards of eight; Ohio, six, and Louisiana, four per cent per annum; whereas, Delaware had increased but a half per cent per annum. The average rate of increase of the population of the whole United States during that period, was about thirty two per cent., which was exceeded by Illinois at the average rate of one hundred and fifty three per cent. (her average being one hundred and eighty five per cent) and by Alabama one hundred per cent; and by Louisiana, the lowest, eight per cent. The average of the seventeen old States was twenty five per cent and the new States, sixty per cent more than that amount.

The New Orleans Bee gives a rumor that the U. S. Troops stationed on the frontier of Texas have deserted and joined the Texians. Doubtful.

The New Orleans papers state that Dr. Harrison, a son of Gen. William H Harrison, was murdered on the 11th ult. with three other Americans, by the Mexicans, in the town of Waloope, Texas.

DIED.

At the Trappe on Sunday the 1st. inst. Capt. Henry Delahay in the 38th year of his age, after a lingering illness, which he bore with christian resignation and forbearance.—His path through the journey of life was lighted by a firm and decided confidence of rising in the morning of the Glorious Resurrection, to enter into the full enjoyments of the blessings purchased for him by his Dear Redeemer, in whom he lived and endeavored to serve here.

'Tis finish'd! the sad toil is o'er,
Sickness and sorrow wound no more,
Nor piercing cares molest;
From all which wrung the bitter tear
Which mark'd the path of suffring here,
The happy soul has rest.

Though strew'd with tears the path he trod
With faith and hope his bosom glow'd,
And panted for the skies;
Now burst'd from all the bonds of clay,
Triumphant glories gild the way,
When the pure spirit flies.

O! long belov'd in sorrow dear,
While friendship sheds the tender tear,
And breaths the parting sigh;
May faith the ardent hope still give,
Like the fair excellence to live,
Like thee in peace to Die.

FOR SALE.

In consequence of a settled disease, I have had for more than two years, deprives me of paying that attention to my farms that is necessary to my interest, and I have come to the conclusion of disposing at private sale my farm lying within four miles of the Trappe and about one mile from Great Choptank River, containing 484½ acres of land—this farm is now laid off in three lots, and three fields, the former is well improved, and the latter can be made so, as the soil is chiefly white oak land; here is a new brick well of first rate water in the yard, and also a fine Mineral Spring within 300 yards of the dwelling this tract of land was formerly in two farms and can be made so again, if persons should be disposed to purchase together—the TIMBER is very abundant, being much more than is necessary for the farm, which could be disposed of to great advantage by a person living on the estate. The timber consists chiefly of white oak. The situation is considered healthy. Persons disposed to purchase, will of course view the property.

Terms of sale.—On the delivery of the estate one fourth of the purchase money must be paid in cash and the balance in 1, 2 and 3 years equal payments with approved security interest from the date until paid: and on the payment of the whole purchase money and not before, a good and sufficient Deed will be given.
