PRESIDENTIAL ELECTION.

We copy the following from the Baltimore Chronicle of Wednesday last, being our latest accounts.

THE FIRST GUN FROM GEORGIA—We received, by yesterday's mail, the Augusta Sentinel, of the 8th of November, containing the returns of the election for Electors of President and Vice President, in Richmond county. The vote stood

For the Whig Ticket	495
For the Van Buren Ticket	324
	171

At the election for members of Congress a month ago, the result was

For the Whig Ticket	433
For the Van Buren Ticket	372
	61

Showing a gain for the Whig Ticket in this county, alone, of 110 votes. A similar gain in six out of the ninety counties will give the Electoral vote to the Whig candidate.—At the same time, an election was held for a member of the present Congress, to supply the vacancy occasioned by the death of Gen. COFFEE. The result was

For Dawson (Whig)	501
For Sanford (V. B.)	321
Majority for Dawson	180
Dawson's gain since October 11th.	

KENTUCKY.—There is no mistake in 'Old Kentucky.' The Western mail last night brings us intelligence as follows:

Louisville—Second day Harrison's majority was 401.

At Lexington, at 12 o'clock on Monday the Whigs were 250 ahead.

At Shelbyville the Whigs had at the close of the first day 191, and Van Buren 178—and at Brunerstown, they were 17 ahead—and at all the other precincts doing well.

Franklin—2d day at 2 o'clock.—Harrison 340. Van Buren, 360.

Woodford—at Versailles close 1st day—Harrison 365 Van Buren, 92.

Bourbon—Paris, close of the polls, 1st day.—Harrison, 521. Van Buren, 110.

We have many other returns, all demonstrating that the State has gone for Harrison by an overwhelming vote.

INDIANA.

By the mail last night we received the following intelligence from this State:

We learn from Madison that Harrison's majority is 40; Lawrenceburg 22, Rising Sun majority not stated; New Albany 127.

The Louisville Journal states on the authority of a letter from Madison that the majority for Harrison in that county, (Jefferson) is about 600. The mail of to night will bring us further intelligence.

Correspondence of the Baltimore Chronicle.

PRINTERS RETREAT,
Switzerland County, Ind. Nov. 8, 1836.

SIR,—Our Presidential electoral returns have just come in—Harrison is 110 ahead, Dearborn, Jefferson and Ripley I learn have gone the same way. Indiana is safe for Old Tippecanoe.

VIRGINIA—Our table yesterday was imperfect in several particulars After correcting them, and adding several other counties, in all 88, we make Van Buren's majority 1967. There is no longer a doubt that the State has gone for Van Buren. The counties to be heard from will swell his present majority.

OHIO—All parties now concede that this State has gone for Gen. HARRISON, by a majority of probably eight thousand votes. We do not, therefore, consider it necessary to continue the publication of our table, until the receipt of the official returns, when we will fill it up, for future reference.

NEW YORK—The returns from the interior of the State are very imperfect.

The N. York Times gives a Van Buren majority of 27,179 in 58 counties The counties to be heard from gave in 1834 a Whig majority of 6,218. The State has of course gone for Van Buren by a very large majority.

The votes are not all canvassed in the city but it is believed that the Van Burenites will have 6 or 7 members of the Legislature.—The result is said to stand as follows:

For Electors—Lawrence (V. B.)		17 111
Verplanck (W.)		16 844
		770
For Governor.—Marcy (V. B.)		16 561
Buel (W.)		15 971
		590
For Register.—Gulick (W.)		19 448
Bunn (V. B.)		13 388
		6057
For Senator.—Talmadge (W.)		17.581
Smith (V. B.)		16,109
		1422

We shall publish the official return to-morrow.

CONNECTICUT.—Gen. Orrin Holt (V. B.) has been elected to Congress from this State to supply the vacancy occasioned by the resignation of Andrew T. Judson (V. B.)

From the Baltimore Chronicle of November 16.

THE PESIDENTIAL ELECTION.

The election for Electors of President and Vice President is over in all the States of the Union, except New Jersey and Rhode Island, where it terminates to-day, and in Tennessee where it will be held to-morrow. In South Carolina the choice is made by the Legislature, which is already elected, and is of such a complexion as to render it certain that the eleven votes of that State will be cast against Mr Van Buren.

It is our deliberate belief that one hundred and forty-seven of these votes have been given against Mr. Van Buren.—They have been cast according to our calculation, in the following manner.

	Harrison.	White.	Webster.
Massachusetts			14
Vermont	7		
Delaware	3		
Maryland	10		
North Carolina		15	
South Carolina	11		
Georgia		11	
Alabama		7	
Mississippi		4	
Louisiana		5	
Tennessee		15	
Kentucky	15		
Indiana	9		
Ohio	21		
	76	57	14

Making, in all, 147 votes—one more than is necessary to make a choice. It is evident, that, if our expectations shall be verified by the result, the election must either be devolved upon the House of Representatives, or that the opponents of Mr. Van Buren must unite upon one individual. It is, we think, of the highest importance that the election should be decided by the colleges. An election by the House, however it might result, would inevitably lead to a renewal of those party strifes which, for more than twelve years, have distracted and divided the country. It may be prevented, by the exercise of that spirit of compromise which ought to animate all the opposition. As soon as it is ascertained that a majority of anti Van Buren electors have been chosen, let the information be despatched, by express, to all the Capitals of the Union. In the meantime, let the anti Van Buren Electors remain in session until the proper concert and understanding shall be brought about, and then let them cast their ballots for the man who shall be ascertained to have received the greatest number of electoral votes. The necessity of this measure will be, the more apparent, if, as we hope and believe, the votes of Rhode Island and New Jersey be given against Van Buren—an event which renders his election next to impossible, unless North Carolina should, contrary to all expectation, give him her vote.

We trust that our friends, all over the Union, will perceive the necessity of attending, at once, to this important matter. Or, if the mode we propose be considered impracticable, let the Harrison Electors immediately open a correspondence with the persons known to be candidates for the Electoral Colleges, in the more distant States, particularly in Tennessee, Louisiana, Alabama, Mississippi, and Georgia. The main design and chief object of the opponents of Mr. Van Buren is we presume to break up the present corrupt dynasty,—to restore the government to its original purity and confine its agents to their legitimate duties. We feel persuaded that either Judge White or Gen Harrison may be safely entrusted with this work, and, although we give our preference to the latter, if it should turn out that the former receives the greater number of electoral votes, we shall acquiesce, without a murmur, in the decision which gives him the benefit of the whole. We hope our brethren of the press will take this subject up without delay, and that public opinion will point out to the electors the course we recommend as that which, under the exigencies of the country, they are found to pursue.

The annexed letter from Mr. Wesley Linthicum, one of the recusant Electors, will be read with the greatest pleasure, by all the citizens of this State, who are desirous of witnessing the return of the reign of confidence and security in Maryland. We trust that Mr Linthicum's invitation to his associates will be responded to at once.

ELK RIDGE, Nov. 12th, 1836

To Messrs. McGill, Wason, Quynn, Fisher, Ellicott, Bell, Vansant, Harwood, Hope, Sutton, Keene, Fountain, Evans G, A Thomas, Duvall, J. B. Thomas and George

Gentlemen: Believing that the course we adopted in seceding from the Electoral College was expressive of the wishes of a majority of the People of Maryland, but not having been sustained by that majority, and being at all times willing to submit to the will of the people, I have determined to obey this will as expressed by the votes of the November election, and shall repair to Annapolis on Friday, the 18th inst. and on the 19th qualify as an Elector of the Senate, and I invite you to meet me there, for the purpose of joining in making a quorum.

I am, with much respect, you obd't serv't.

If in my humble efforts to preserve the south western frontier from the heart rending scenes of savage war and desolation, such as have covered Florida with deep mourning—and such as must penetrate the heart and awaken the sensibilities and sympathies of every patriot of our country, I have incurred the censure of a high public functionary placed over me, I have the satisfaction to know that I have acted in strict obedience to the law of the land prescribing the oath which I have taken, and in obedience to which I have probably seen as much hard service as any man in the United States now living—an oath which requires me to bear true faith and allegiance to the United States of America, and to serve them honestly and faithfully against their enemies or opposers whomsoever, and to observe and obey the orders of the President of the United States and the orders of the officers appointed over me, according to the rules and articles of war.
