and the different tradesmen into another book, which certainly forms a most amusing record of learning and ignorance.

The books containing receipts for money given to charitable institutions, have been written and signed by many of the first ladies and gentleman in America, and the numerous complimentary letters sent him by members of Congress and the several State Legislatures, and also by the Magistrates and Clergy residing in the cities and towns through which he passed, show that the most unprecedented kindness has in all cases been conferred upon him. His receipts and disbursements up to the present date stand thus:

Money received at performances,	$27,000
Given to charitable institutions in the United States and British Provinces,	12,000
Travelling expenses, printing, attendance, &c.	15,600

Making in all $27,600—leaving the Piper a loser of $600 from his own private funds. The English and Scotch have long been famed for performing extraordinary feats in walking, wrestling, and other athletic sports,—and many of their first Noblemen have begged, sung ballads, and sold pies for large wagers,—but the Piper, it seems, bound himself to perform a task which should stand unrivalled in the annals of sporting, and it would appear that he is pretty confident of success, as he now publicly offers ten thousand guineas to any gentlemen possessed of a similar sum, who will perform the feat over again.

He has been requested to visit Cape May, after which he will perform a few evenings in New York, and then take his departure for Europe.

EASTON GAZETTE.

EASTON, (MD.)

Saturday Morning, June 17.

The delegates appointed from the several districts of this county, to meet in Convention in Centreville, for the purpose of nominating a Whig candidate to represent this District in the next Congress, will bear in mind that Saturday the 24th inst is the day designated for that purpose.

It is desirable that a full attendance from all the election districts of each of the counties should be had.

The Corporation of Annapolis have determined to issue small notes to the amount of $5,000 for the convenience of the community.

The trial of George E. Stewart, on a charge of manslaughter, which has occupied the attention of Anne Arundel County Court, for the last week, was decided on Saturday last, —verdict not guilty.

The papers in the Congressional District composed of Dorchester, Somerset and Worcester Counties, announce the following gentlemen as Candidates for Congress in that district, viz: Thomas King Carroll, Thomas J. Eccleston, Alexander Donoho, and John Dennis, Esquires. Election to take place on the 26th July. Would it not be advisable to have a convention to meet in Princess Anne at a short notice, as there is no time to spare, and unite on one Candidate.

By the Steam Boat last evening, we received Baltimore papers giving accounts of a most disastrous flood, which occurred in that city on Wednesday the 14th—occasioning great loss of life and property. We have only room for the following extract from the Patriot

"The waters rose to a greater height, and the loss both of human life and property has been far more extensive than on the occasion of the great flood of 1817. We have not time now for more than a rough draught of the principal incidents.

"Last evening the city was visited by a violent storm of thunder and lightning, accompanied with heavy rain, which, particularly between half past nine and two o'clock, poured incessantly and in torrents; the clouds frequently seeming to open and pour down their contents in floods. Between one and two o'clock, the time when the citizens generally are buried in the deepest sleep, the alarm was given that the stream which runs through the city, known by the name of Jones' Falls, had overflowed, and that the water was pouring into different streets, and alleys, filling the lower stories and cellars of the houses, and sweeping every thing before it. The unseasonable hour and the stormy character of the night, combined to make it difficult to rouse the inhabitants even in those quarters which the impetuous element had invaded and was threatening with devastation. So suddenly and unexpectedly did the water rise, that the inmates of many houses in the Meadows and the vicinity had scarcely time to leave their beds in safety; while others, of whom we shall speak hereafter, were hurried from sleep to death, without any forewarning, and probably without any consciousness of their fate. The aspect presented by the inundated districts this morning was deplorable, and awful indeed. Cellars and first floors filled with water—innumerable small houses undermined and fallen in—valuable furniture destroyed—many of the streets blocked up with lumber, barrels, carts, drays, and other things carried off and accumulated by the force of the current.

THE VICTIMS OF THE FLOOD.—These consist, as nearly as has yet been ascertained, of

Christ. Wiest, his wife and three children.
Donnelly and Catharine, his wife.
James Doyle,
Jacob Ockle, boy.
James Kelly, boy.
Henry Lenehan, boy.
Three boys drown in a stable loft.

Nine laborers on the Susquehannah Rail Road, and a man found dead in the water, near Fort McHenry, making in all twenty four persons—there are doubtless others."

A MEETING of the Whigs of Caroline County took place in the Court House in Denton, on Tuesday, the 13th instant, pursuant to public notice, for the purpose of appointing six committee men, to meet in Convention at Centreville, on Saturday the 24th inst. with the other counties, composing this congressional district, to nominate a candidate for Congress, when John Boon, Esq. was called to the Chair, and John Nicols, appointed Secretary.

On motion of William Orrell, Esq. the meeting resolved to select the Committee by nomination, when Wm. M. Hardcastle, and Thomas Culbreth, Esq'rs. were appointed from the Upper Distrtict, and William Orrell, and John Nicols, Esq'rs. from the Middle District, and Jacob C. Willson and James Davis, Esq'rs. from the Lower District.

On motion of William Orrell, it was resolved that the proceedings of the Meeting be signed by the Chairman and Secretary, and published in the Easton Gazette, and Caroline Advocate.

JOHN BOON, Chairman.
JOHN NICOLS, Secretary.

THE NOTES OF THE MONSTER.

The St. Louis Bulletin of the 29th ult. has the following paragraph, which is a full and triumphant answer to the Globe's assertion that the people mistrust the solvency of *Old Nick*.

"Three per cent premium was offered yesterday, 26th May, for U. S. Bank bills of $20 and upwards, wherewith to make remittances to the East."

Dr. S. G. Baker of Baltimore, has been chosen by the Medical and Chirurgical Faculty of Maryland, to deliver the annual oration before that association at its Convention in 1838.

VAN BUREN NOMINATION IN THE SIXTH DISTRICT.

We understand says the Baltimore Chronicle, from a gentleman direct from Hagerstown, that the convention on Saturday nominated Francis Thomas, as a candidate for re-election. This is what we were prepared to hear. Mr. Thomas has too much tact for the honest portion of *the* party in that district.

MR. WEBSTER—THE PRESIDENCY.

The New York Commercial Advertiser of Saturday states that after several preliminary meetings, at which the question has been fully and gravely discussed, the Whigs of that city have determined openly, and by public meetings, to break ground for DANIEL WEBSTER. Arrangements for this purpose are on foot, under the direction of a competent committee, and the public will, in due season, be farther advised upon the subject.

COLONIZATION MEETING.

Pursuant to public notice in the prints of this place, a large and highly respectable meeting of citizens was held at the Methodist Episcopal Church in this town on Sunday evening last. The meeting was organized by calling Thomas C. Nicols, Esq. to the chair, and appointing Samuel Hambleton, Jr. Secretary.—After prayer from the Rev. Mr. Potts, the object of the meeting was explained by the Rev. John H. Kennard, agent of the Maryland State Colonization Society. He proposed the organization of a county, society, distinct from the State Society; the funds raised to be exclusively applied within the limits of Talbot county, for the Colonization of such free people of colour as may desire to remove to Africa.—And for such other purposes as the society may deem best for the advancement of the great objects of colonization. He moved the appointment of a committee of five to draft a constitution and report officers for the Society.

The chair in obedience to the motion appointed Messrs. M *Hazel*, S. M Jenkins, W. H. Groome, W. W. Higgins and T. Denny the committee; who after retiring a short time reported a constitution for the society and the following list of officers for the year 1837—viz.

President,	T. R. LOOCKERMAN,
1 Vice President,	JOHN L. KERR,
2 "	THOS. C. NICOLS,
3 "	Rev. JAS. V. POTTS,
4 "	Rev. MANLOVE HAZEL,
5 "	WM. *H.* GROOME,
6 "	Rev. SHEPHERD DRAIN.

The Rev. Mr Kennard then addressed the society at length upon the subject of the African coloisation—developeing the resources and prospects of the state society, and shewing in an eloquent and forcible manner the feasibility of the scheme.

He was followed by T R Loockerman, Esq. who in an eloquent and beautiful address painted the benevolent design of colonisation and contrasted it with the mad scheme of abolition—shewed that it was the only means of counteracting the design of misguided zealots & appealed to the meeting in behalf of the colonisation cause. The Rev. Mr. Potts then made a few remarks in behalf of the object of the meeting.

Dr. S. M. Jenkins then moved the appointment of a committee to take subscription and procure the names of persons desirous of becoming members.

J. B. Kerr, Esq. then made a few pertinent and appropriate remarks, which he stated were necessarily hurried and desultory from the lateness of the hour—after a motion that the proceedings of the meeting be published and that the thanks of meeting be returned to the Methodist Episcopal Society for the generous proffer of their Church for the holding the meeting, of the society adjourned to meet at 8 o'clock, P. M. on the 4th July next.
