The Thorough-bred Stallion,

EASTERN SHORE.

Will stand next Spring in Queen Anne's and Talbot Counties. He was gotten by imported Luzborough, out of Equa, by imported Chance; her first colt was the Hunter Sky-lark, whose get have been so highly approved as road horses. Her second Lubly Rosa, by Sir Archy, who was never headed in any trial or race until she became distempered. The dam of Eastern Shore, is also the grand dam of Lady Archiana, who is also a winner and ran the second heat of a two mile race in 3.47, at 6 years old, which is believed to be quicker time than has ever been made in this country by a mare of her age. His dam is also the grand dam of Molinea, who won last year in Maryland, Pennsylvania and Virginia five races, out of six: Eastern Shore is a compact speedy horse, and like his sire—"an animated mass of cat-gut and whale bone," disencumbered of all beef lumber. So far his owner has not been able to get him in "right fix" to ascertain his bottom, but his family tier almost gives "assurance doubly sure" of this. The half brother of Picton out of old Equa, cannot be had many how you can fix it."

Eastern Shore will stand at $10 the Season, payable in "Constitutional Currency" or good "Shin Plasters" at the stable door before the service is rendered, or $15 payable during the season, which "promise to pay" may be discharged by $12 in the currency aforesaid if paid the first time the owner or his agent calls for it.
