POETRY.

THE MOTHER.

BY MRS. SIGOURNEY.

'It may be autumn, yea, winter, with the woman; but with the *mother* as a *mother*, it is always spring.'—[Sermon by Rev. T. Cobbett. Lynn, Mass., 1656.

I saw an aged woman bow
To weariness and care,
Time wrote in sorrow on her brow
And mid her frosted hair.

Hope from her breast had torn away,
Its rooting, scath'd and dry;
And on the pleasures of the gay
She turned a joyless eye.

What was it, that like sunbeam clear,
O'er her wan features run,
As pressing towards her deafened ear,
I named her absent son!

What was it! Ask a mother's brest,
Through which a fountain flows,
Perennial, fathomless, and blest,
By winter never froze.

What was it! Ask the king of kings,
Who hath decreed above,
That change should mark all earthly things,
Except a mother's love.

Westward Ho!

Great Excitement in
BOSTON.

TREMBLING AMONG THE MEDICAL FACULTY!!!

We learn that the distinguished Dr. Watson, 276, Washington street, and Dr. S. C. Hewitt, the celebrated bonesetter, 297 Washington street, (two of the most skillful practitioners in Boston,) have witnessed the happy effects of Goelicke's Matchless Sanative in several cases which have come under their observation, have given the general Agent of this great modern medicine, permission to refer to them through the public journals. It is with pleasure, we notice such acts of disinterested benevolence, and this noble generosity of Drs H. and W. bespeak their genuine philanthropy.

We understand, Dr Watson is of the opinion that as the Sanative has created such a tremendous excitement among the Medical Faculty, it must be something extraordinary, and far superior to the common nostrums of the day—and there cannot be a doubt, but when the virtues of this great specific shall be duly appreciated by Physicians, they will frankly acknowledge it to be the most valuable addition which has been made to the Materia Medica since the days of *Hippocrates*.

We further learn that the General Agent of the Sanative has the liberty to refer his fellow citizens to Dr Hewett, for two very interesting cases which came within the knowledge of the Doctor. One of the cures as we learn, was effected upon a young lady afflicted with 'Lumber Abscess'—and so serious was her complaint, that she was unable to submit to Dr. *H's* usual mode of treatment in such cases. He advised her to try the Sanative, she did so, and before taking one phial, was entirely cured and not a vestige of her disease remains!! Another, a gentleman aged 45, pronounced by all who knew him to be in a 'confirmed CONSUMPTION,' was wonderfully restored to health by the use of only one phial of the SANATIVE—and is now well and about his daily business as usual!

We think the open and candid course pursued by Dr's. Watson and Hewett richly entitle them to the lasting gratitude of the public—although they may have the whole phalanx of the Medical Faculty pouncing upon them.

After reading the above, and the following extracts from letters addressed to Dr. Rowland, by his agents, who can for a moment Doubt the powers of the mighty Sanative?

Amherst, N. H. Jan. 1, 1838.

Dr. Rowland—I sold a phial of the Matchless Sanative to a gentleman who was in a *Confirmed Consumption* pronounced PAST ANY RELIEF and confined to his room—he had settled his affairs and prepared to meet his fate. He has not taken a whole bottle, and says his health is perfect, that he is entirely well, and imputes the cure to the *Sanative* and to nothing else. Many others who have taken it make similar statements.

Yours respectfully, &c
THOMAS M. BENDER.

Orland Post Office, Maine, March 30, 1838

Dear Sir:—The Matchless Sanative has had a wonderful effect in several cases in this town. I sold a phial to a man who had been sick with Consumptive and Rheumatic complaints for 4 or 5 years, and who was unable to *dress himself* when he commenced taking it. He has recently sent me word that he felt quite well, could dress himself, without any trouble, and thinks he shall wholly recover.

Yours, in haste,
R. TRUSSEL P. M.

Rush Post Office, Monroe Co. N Y. March 14, 1838.

Dear Sir—In 48 hours after I received the package of Sanative, I sold *all* of it—and have come to the conclusion that it must be all that it is recommended to be. It is sufficient to say, that the benefit derived from a short use of it, has convinced the most *prejudiced* of its utility. The enclosed money you will pass to my account, and I wish you to send me more of the Sanative as soon as convenient.

Respectfully, &c.
JOHN B CROSBY, P. M.

Haverhill, Mass. March 26, 1838.

Dear Sir—Numerous cases have come to my knowledge in which the Sanative has proved very beneficial—and *one* case in particular, in which it performed a *wonder*. I can procure you a good certificate from the patient if you wish. Please credit me with the enclosed money, and forward me more of the Sanative by the bearer.

Yours truly,
THOS G. FARNSWORTH.

Dear Sir—The Matchless Sanative is very *highly esteemed* in this quarter, and is getting into general use.

Westfield Post Office, N. Y. Feb. 16, 1838.

Dear Sir—Several pressing cases demand the Sanative at whatever expense it can be sent to me. It has effected some astonishing cures already, and I cannot *wait* for the package you say is on the way. I wish you would send me half a dozen phials by MAIL, and I will put the extra price of postage on the Sanative. Dont fail to send by the mail, as it will come by weight at $1 per ounce as postage, and I shall expect it in 12 days from date.

Yours, &c.
ORRIS NICHOLS, P. M.

Hartford Ct. April 12, 1838.

Dear Sir—My daughter, who had a *distressing cough*, raised a great deal of matter, and who was afflicted with *palpitation of the heart*, has taken a phial of the Sanative and is now WELL. Others also bear testimony to its good effects!

Yours respectfully,
C. R. COMSTOCK.

Plymuth, Mass. Feb. 6, 1838.

Dear Sir—I have abundance of matter to tell you concerning the Sanative, where it has performed cures when those who have bought it, had scarcely any faith in its efficacy. We have one person now able to attend to her domestic concerns, who was at the time she commenced taking it confined to her chamber and *prostrated on her bed*.—I will tell you more when I see you.

Repectfully, &c.
ISAAC B. RICH.

Beaver Post Office, Pa. March 1, 1838.

Dear Sir—Since I last wrote you, I have seen several persons who have been using the Sanative and in *every case* it has proved itself, worthy the *name* it bears. A young man, Robert McIlhery had been wasting away in a *seated consumption* for the last two years—and by using this medicine about six weeks, his cough, pains, &c. left him entirely, and he is now so well as to be about his ordinary business.

Indeed sir, from the rapidity of the ulsafe the value of the Sanative may beyp sel e termined. I am wholly out, have daily calls for it, and wish you would forward me more as soon as possible.

Yours, &c.

☞The above powerful and invaluable medicine is doing wonders in this section of the country, as well as in others. Applications for it have been made in various places in this vicinity. A young lady in this town has been restored from a consumption and confirmed in health by the use of it—No mistake. She had been visited by various physicians, but all to no purpose. *One phial* of this medicine *produced the long desired effect.*

A few more bottles of this efficacious medicine may be found at the Post Office if applied for soon.

From Timothy George, Esq Orrington Me

"My wife has been considered of a consumptive habit for two years, attended with a severe cough, but has always or generally attended to her domestic concerns until the forepart of last winter, when she had a sudden and severe attack of pain in her side, and distressed for breath. I immediately called upon one of our best Physicians, who attended carefully upon her, and I was well satisfied with his treatment of her case, though her distress was partially alleviated, there was no hope of her recovery, her Doctor told her that she had the consumption, and that her LEFT LUNG WAS PARTIALLY CONSUMED, and seemed to despair of her recovery, as well as myself, we calculated she could not continue but a short time, he left her nothing but sleeping powder to command her rest, when providentially I fell in with those Sanative Drops, and though she was altogether faithless the first drop she took gave her some relief, she continued taking them exactly according to the directions, her appetite was soon restored to a child's appetite, and she continued gradually to recover so that I do not know but *her health is now as good as it has been since we married say ten years*.

N. B. She took about one and one half bottles when she called herself *well*.

HEAR YE!

THE MATCHLESS SANATIVE (sold by DUTTON, CLARK, & Co., Agents for Brattleboro' Vt.) has effected many cures of diseases so obstinate as to resist the skill of Physicians and the power of other remedies The following are a few of the testimonials of the efficacy of this medicine, which they now cheerfully lay before the public. Many more individuals can be referred to by them as having been greatly benefitted by using the Sanative.

Certificate from Thos Crosby of Brattleboro

This certifies that my daughter has for a long time been in a decline, and has tried many medicines without effect. She has made use of the Matchless Sanative, which has greatly relieved her. It restored her appetite and sleep, which she had not before enjoyed for a long time. I would cheerfully recommend to all suffering with consumptive complaints.

THOMAS CROSBY.

Brattleboro, March 13, 1838.

Certificate from Henry Clark, Esq. of Brattleboro.

This certifies that I had suffered for many months from an obstinate cough which resisted a great variety of medicines, until I used a bottle of the Matchless Sanative, which removed it entirely in the course of two or three weeks and restored me to excellent health.

HENRY CLARK.

Brattleboro, March 12th, 1838.

Certificate from Samuel Cutting, Esq. of Guilford, Vt.

I, Samuel Cutting, of Guilford, Vt would certify that I have suffered for more than a wo years past from a severe lung complaint, attended with severe pain in my side & back, & with general debility. I have used a great variety of medicines from various Physicians in this vicinity, and received advice from the most eminent Physicians of Boston, without the least benefit. I am now using the last bottle of the *Matchless Sanative*, which medicine has *greatly* relieved me. The pain in my side is comparatively well, and my strength has gained very much. I feel confident that the *Sanative alone* has afforded me the relief, and I would cheerfully recommend it to all who are suffering with lung complaints, and advise them to try the medicine without delay.

HEALTH SECURED BY THE USE OF THE HYGEIAN VEGETABLE UNIVERSAL MEDICINES,

As formerly prepared under the supervision of the late Mr. THOMAS MOAT, Vice President of

The British College of
HEALTH, LONDON.

Manufactured in this country in their original purity by H. SHEPHEARD MOAT eldest son of the above.

Which have obtained the approbation and recommendation of Thousands, who have been cured in Consumption, Cholera Morbus Inflamations, internally or externally, and all diseases of the Liver, Yellow Fever, Gout, Rheumatism, Lumbago, Tic Doloreux, Dropsy, St. Vitus's Dance, Epilepsy, Apoplex, Paralysis, Palsy, Green Sickness, and all obstructions to which the Female form is distressingly liable, and which send so many of the fairest portion of the creation to the untimely graves; Small Pox, Measels, Whooping Cough, Scarlet Fever, Asthma, Jaundice, Gravel, Stone, and all Urinary Obstructions, Fistula, Piles, Structures, Ruptures, and Syphilies in all its stages; Constipated Bowels, Worms, Scurvy, Itching of the Skin, Kings Evil and all Cutaneous Disorders in short, every Complaint to which the human frame is so direfully subject, under all their varied forms and names, as the Hygeian conviction is, that MAN IS SUBJECT TO ONLY ONE REAL DISEASE, that is, in the IMPURITY OF THE BLOOD, from which springs every Complaint that can possibly assail his complicated frame, and that it is the perpetual struggle of this vital, pure stream of life, (the gift of Almighty power) to disencumber itself of its vicious, acrid humors, with which it has become commixed

This valuable medicine, being composed only of vegetable matter, of medicinal herbs, and warranted on oath, as containing not one particle of mercurial, mineral, or chemical substances, (all of which are uncongenial to the nature of man, and therefore destructive to the human frame,) is found to be perfectly harmless to the most tender age, or weakest frame, under every stage of human suffering, the most pleasant and benign in its operation, and at the same time the most certain in searching out the root of every complaint, however deep, and of performing a cure that was ever offered to the world. It is wonderful effect, too, is produced by the least trouble to the patients, with the least possible tension of pain exhaustion of bodily strength, and without the fear of catching cold, or attention to dress or diet, in any way differentfrom their accustomed habits.

These Pills cure in all cases, and cannot be taken to excess. Experience, which is the touchstone of all human knowledge, has long borne testimony to the fact, and extensive use of them has already verified its truth in this country.

These medicines cure by purging, and yet the weak, the feeble, the infirm, the nervous, the delicate are in a few days strengthened by their operation, because they clear the body of its bad humors, and invariously produce sound sleep. They are the safest and most efficacious Medicine to take to sea; preventing scurvey, costiveness, &c

The operation of this mild Medicine, which conveys immediate conviction of its utility, from the first dose is as beneficial to the mind as the body; first calming then curing all Mental derangements, Eccentricities, Nervous Affections, Irritability and Restlessness, from whatever source; complaints which have hitherto not been properly understood, as the Hygeists have found them all to proceed from acrimonious humours in the blood, and, happily for the present and future race of mankind, discovered a cheap and universal mode of purifying, curing, and preventing.

The being cured of any disease, infirmity, or sore, is now no more a dubious or uncertain procedure—perseverance in the Vegetable Universal Medicines will always restore nature to her due course. The literary and sedentary of both sexes, whose pursuit so much impair the faculties, will find a sure remedy in the Universal Medicines for preserving the energy and sprightliness of the imagination, and improving their health; old age will be attained by the use of them, and passed free from pain and infirmities.

They are not enveloped with the mysteries of other medicines; they only require to be persevered in with sufficiently large doses, and the patient will come off well; when a disease is obstinate, patients frequently do not take doses large enough.

The medicines are comprised in three different articles only, viz: in two kinds of pills, of different strength or power, designated by No 1, and No 2; the first is a powerful, but most mild and gentle aperient, or opening medicine, detaching and partially removing the billions ropy humors, while the No 2 Pills carry off those and the serious acid and putrid humors, incidental to the body; and act together as a ferret in a warren, never resting until every avenue of the human frame is thoroughly searched, and cleansed of its impurities.

The Vegetable Cleansing Powders are of great assistance to patients, and facilitate the evacuation of bad humors; they soften, cleanse, and detach the acrimoni phlegm; are cooling and allay thirst. One, two or three powders may be taken throughout the day, mixed in a half tumbler of water.

The pills are sold in 25 cent boxes, and packets of $1, $2 and $3 each. The Powder in boxes 37½ cents.

CAUTION—Medicines of such great virtue as these, have been, and will be most certainly counterfeited.—To protect those desirous of obtaining the Genuine Hygeian Medicines, every packet has a fac simile of the signature of H. Shepheard Moat, on one side, and on the other a yellow label, with the written signatures for the district, and the actual seller of the medicine.

The publications in proof of the Hygeian Theory, are:

Morrisonian, 2 vols 8vo—price $2,75 per vol
The Family Adviser, 3 vols. 8vo—$1 per vol
Practical Proof, containing many attested cures, price 37½ cents. And just published.
The Mother's Book of Hygeian Midwifery, A. Shepheard Moat, of New York.

☞Respectable parties may be appointed hygents on liberal terms, by applying to the General Depot, No 3½ SOUTH SEVENTH STREET, three doors below Market street Philadelphia—and at No 10 North street, Baltimore, nearly opposite the Post Office where the Genuine Medicine may always be obtained.
