ENLARGEMENT—THE MESSENGER!

A Double Sheet!

WITH

Splendid Engravings!

☞ ONLY $1 A YEAR! ☜

WHEN SUBSCRIBED FOR IN CLUBS OF TEN OR MORE!

Commencement of the Year!

NEW INDUCEMENTS FOR CLUBBING!

ALEXANDER'S

WEEKLY MESSENGER

Has, during the three years since it was first commenced, obtained a celebrity among the patrons of the press which has no precedent in the annals of literature in this country. Its circulation has been, and continues to be, far and wide extending over every portion of this continent, and not less than

100,000 COPIES

Have been distributed to different individuals. The reputation of this journal is at the present moment as firmly established as at any former period—and its increase of patronage, notwithstanding the fluctuations of the times, probably has no parallel on record. The publisher is about to begin

ANOTHER VOLUME,

Materially Improved and Enlarged

And with renewed efforts to deserve the liberal feeling which has been excited in behalf of his Popular Journal, & a sincere determination so to continue to conduct the MESSENGER that the cause of VIRTUE, TRUTH, and MORALITY may be best promoted by its extensive circulation.

ALEXANDER'S

WEEKLY MESSENGER

IS UNIVERSALLY ACKNOWLEDGED TO BE

THE CHEAPEST AND MOST INTERESTING

FAMILY NEWSPAPER

IN THE WORLD,

And most deserving the patronage of a discriminating public.

This Journal is published every Wednesday, on a beautiful white paper, of the largest class. Single copies will be forwarded to subscribers every week during the year for Two Dollars in advance—or ten persons, clubbing together, can have it for the same period by forwarding the publisher a ten dollar note, free of postage, which is one third less than any paper of the same size can be furnished by any other office in the United States.

This Journal embraces in its columns every variety of subjects, and affords the earliest and most authentic articles of news; as a proof of which we instance the fact that since the commencement of Steam Navigation between this country and England, we have been always several days in advance of all our New York and Philadelphia weekly contemporaries, in furnishing our patrons with the intelligence which has been brought by the different Steamboats—the Great Western, the Liverpool and the British Queen. In this respect the Messenger has paramount claims upon the attention of persons who live remote from the Atlantic cities as it conveys to them sooner than it can be received through any other channel the latest European News. In the existing state of our relations to England, both as regards our Financial, Commercial and Agricultural position, the importance of a vehicle through which information on these important subjects is disseminated at the earliest period after the arrival of the British steamers, cannot be over estimated.

A General Prices Current, affording an authentic guide to the country merchant, and other mercantile classes out of the city, is carefully compiled every week, and inserted at length in our columns. A Bank Note Register and other matters connected with the Stock Market, with regular notices of broken Banks and Counterfeits will be most scrupulously noticed, and such necessary information regarding them carefully collected as will satisfy the most scrupulous that the interests of the whole community are properly attended to.

In order to render our Paper more acceptable to our numerous City subscribers, we shall in future give a regular summary of all the Marriages and Deaths.

This Journal is constantly supplied with Original articles, by American Writers which adds much to its interest as a Literary Work. A succession of Biographies are from time to time given of the most Distinguished American Statesmen and Patriots together with Original and Selected Tales, Essays, and Poetry, of the most piquant and entertaining character. The Publisher will begin The Coming Year by Enlarging the Messenger, and the issue of

A DOUBLE SHEET,

of twice the dimensions of the present size of this paper, filled with original contributions and selections from the best periodicals of the day, including the popular annuals for 1840, and he is solicitous that new patrons may send their names on immediately that he may have the gratification of furnishing every one of them with this rare and extraordinary specimen of the art of printing on the first of the year. At the commencement of the New Volume a variety of

BEAUTIFUL ENGRAVINGS,

Will be given in regular succession, which will be accompanied by appropriate sketches of such a description as to render them particularly deserving the attention of the public.

The terms of ALEXANDER'S WEEKLY MESSENGER are as follows—WE WISH IT TO BE UNDERSTOOD ALSO, BY AGENTS THAT WE DO NOT RECEIVE REMITTANCES UNDER FIVE DOLLARS FOR CLUB SUBSCRIBERS.—By adhering to our regulations in this respect they will be certain that NO MISTAKES can occur in transmitting the Paper to every one for whom they may order it.

A Two Dollar Bill in advance, will pay for ten copies of the Messenger for one year. A Five Dollar bill will pay for four copies for one year.

Two Dollars in advance is the price of an individual subscription for one year.

One Dollar, will pay for a single subscription for SIX months only.

150 Dollars REWARD.

Ranaway from the subscriber on Wednesday night, the 23d inst. while at Easton, a mulatto boy named

Joe Thomas,

about 18 years of age and five feet, six inches high.

He is rather stout made with a mouth somewhat prominent and particularly so when displeased.—He is well supplied with clothing, having among his other clothes two broad cloth coats, one much worn, with a velvet collar, and the other of some fancy color with bright buttons quite new and a fur hat; but it has not yet been ascertained whether he has taken any other clothes than those worn by him, when he left home, which consisted of a round jacket and trousers with a drab overcoat, and a hair cap. He can both read and write tolerably well, and having a mother now residing in Baltimore, it is probable that he will make his way to that place. His mother's name is SOPHY.

I will give the above reward for his apprehension if taken out of the State, or $100, if taken within the state and out of the county, and $50 if taken in Talbot county, in each case to be secured in the Jail at Easton.

SHINN & SELLERS'

CELEBRATED LIVER PILLS AGAIN TRIUMPHANT OVER DISEASE—SPASMODIC ASTHMA CURED BY THEIR USE!!

Messrs. SHINN & SELLERS.—You are aware that for the last six months I have been in the use of your Pills, though you may not know the complaint for which I have used them.

Some fifteen years ago, being sorely troubled with spasmodic asthma, I was relieved from it by lobelia. Last summer the complaint returned upon me with increased violence, from which I received not the least relief by the use of lobelia.

A friend persuaded me to make trial of your Pills, though, to be candid, I had not much faith in them, for the reason that, from what I could discover, you had not recommended them in asthma. I was however, relieved by them. Still I had a relapse of the complaint. Again I had recourse to the Pills—and now, after a patient and persevering use of them, I feel that I am cured of spasmodic asthma.

Last summer my eldest son, being at Louisville, Ky., was violently seized with the prevailing sickness, congestive fever. Having recovered from it so far to return home, here however he had a violent relapse of the fever. After recovering from it, he began to feel a pain in the region of the liver, which increasing daily seemed to demand prompt attention. Suffice it to say, he was cured by the use of your Pills.

As you have requested of me a statement of facts with respect to the benefit and my son have received from your Pills, I have given it with a scrupulous regard to accuracy.

Your's, with esteem,

N. RUGGLES SMITH.
