In the existing state of our relations to England, both as regards our Financial Commercial and Agricultural position, the importance of a vehicle through which information on these important subjects is disseminated at the earliest period after the arrival of the British steamers, cannot be over estimated.

A General Prices Current, affording an authentic guide to the country merchant and other mercantile classes out of the city, is carefully compiled every week, and inserted at length in our columns. A Bank Note Register and other matters connected with the Stock Market, with regular notices of broken Banks and Counterfeits will be most scrupulously noticed, and such necessary information regarding them carefully collected as will satisfy the most scrupulous that the interest of the whole community are properly attended to.

In order to render our Paper more acceptable to our numerous City subscribers we will in future give a regular summary of all the Marriages and Deaths

This Journal is constantly supplied with Original articles by American Writers which adds much to its interest as a Literary Work A succession of Biographies are from time to time given of the most Distinguished American Statesmen and Patriots together with Original and Selected Tales Essays, and Poetry, of the most piquant and entertaining character. The Publisher will begin The Coming Year by Enlarging the Messenger and the issue of

Joe Thomas,

SHINN & SELLERS'

CELEBRATED LIVER PILLS AGAIN TRIUMPHANT OVER DISEASE—SPASMODIC ASTHMA CURED BY THEIR USE!!

Messrs. SHINN & SELLERS.—You are aware that for the last six months I have been in the use of your Pills, though you may not know the complaint for which I have used them.

Some fifteen years ago, being sorely troubled with spasmodic asthma, I was relieved from it by lobelia Last summer the complaint returned upon me with increased violence, from which I received not the least relief by the use of lobelia.

A friend persuaded me to make trial of your Pills, though, to be candid, I had not much faith in them, for the reason that, from what I could discover, you had not recommended them in asthma. I was however, relieved by them. Still I had a relapse of the complaint. Again I had recourse to the Pills—and now, after a patient and persevering use of them, I feel that I am cured of spasmodic asthma.'

Last summer my eldest son being at Louisville, Ky., was violently seized with the prevailing sickness, congestive fever. Having recovered from it so far to return home, here however he had a violent relapse of the fever. After recovering from it, he began to feel a pain in the region of the liver, which increasing daily seemed to demand prompt attention. Suffice it to say, he was cured by the use of your Pills.

As you have requested of me a 'statement of facts' with respect to the benefit and my son have received from your Pills, I have given it with a scrupulous regard to accuracy

Your's, with esteem,

N. RUGGLES SMITH.
