Godey's Lady's Book

EDITION—25,000—MONTHLY.

More than 60 Figures of Fashions each year.

MRS. LYDIA H. SIGOURNEY,

Whose name is so intimately connected with the Literature of our country, and who has justly been termed by the contemporary press, The Hemans of America, will assist Mrs. Hale in the editorial department. It is with feelings of the greatest pleasure that the publisher of the Book makes this announcement. The editorial corps will now consist of Mrs. SARAH J. HALE, Mrs. LYDIA H. SIGOURNEY, and LOUIS A. GODEY. Mrs. Sigourney will commence her valuable aid with the January number. The Lady's Book has always been noted for the purity of its contents—that marked distinction which characterizes it shall still be preserved; indeed, with such conductors, it will be impossible to go astray.

GODEY'S BOOK,

Has been emphatically termed THE LADIES' NATIONAL MAGAZINE, as it is a receptacle for the contributions of the most celebrated FEMALE WRITERS OF AMERICA, most of whom of any eminence contribute to its pages. For a list of the names of the Contributors, see October cover of the work.

TWENTY VOLUMES have already been issued. It is usual to announce that a small addition only will be published. Contrary to this, the Proprietor of the Lady's Book announces that he will publish AN IMMENSE ADDITION, with which he hopes to supply all those who will favor him with orders, commencing with the January number.

It will be seen by this advertisement that every effort has been made by the proprietor of this work to make it superior to any other in America; and as

A New Year's Gift,

The Lady's Book is probably the most proper that could be desired for Ladies, edited by their own sex, and assisted, as the Editorial Department is by the Pictorial Embellishments, it is positively the BOUDOIR COMPANION.

There are other publications that advertise FASHION PLATES. The Publisher of the Lady's Book wishes it to be distinctly understood that the principal Fashions in his work ARE COLORED, AND IN EVERY NUMBER, which is not the case with any other work published in this country.

UNCOLORED PLATES OF FASHIONS, also, monthly. This is a novel feature in this work, and as it is no great expense to give plates of Fashions, without Coloring, the Publisher will give from THREE TO SIX FIGURES each month, in addition to the THREE COLORED—this will make in all, generally, about

Nine Figures of Fashions Monthly.

LACE PATTERNS

AND

PATTERNS OF

EMBROIDERY

Will be published at regular intervals. These beautiful ornaments—particularly the former have given great satisfaction.

THE MUSICAL DEPARTMENT is under the superintendence of J. G. Osborne, than whom no person is more capable of doing it justice.

THE LITERARY DEPARTMENT is placed under the superintendence of Mrs. Sarah J. Hale and Mrs. Lydia H. Sigourney; two ladies so well known to the world that to mention their names in connection with any publication is at once a guarantee of its morality, virtue, and quality. Of their capability to conduct the LADY'S BOOK, it is presumed no person will doubt, and the proprietor mentions with pleasure that no English or American Magazine can publish in connexion with its Literary Department two names so celebrated in the world of letters.

FAC SIMILES.—A great deal of curiosity is often expressed to see the Chirography of celebrated persons. We shall endeavor as far as lies in our power to gratify this feeling, by giving from time to time correct imitations of the most celebrated Female writers of the day.

GENERAL FEATURES.—Literature, Tales, Essays, Legends, Romantic Incidents in History, Extracts from the Old Poets Reviews, Poetry, Female Education, Embellishments, Fashions, Colored and Uncolored Lace, Embroidery, Fac Similes, Music, &c. &c.

More than sixty Figures of Fashions yearly, colored and uncolored, the Proprietor being determined to consult all tastes. Any embellishments to be found in any other Magazine may be looked for in the Lady's Book.

INCREASE OF SUBSCRIPTION.—In 1838 we published 10,500 copies; during the months of January, February and March, 1839, we increased the list to 13,500, and had then to reprint three numbers and increase to 15,000 With the next volume, we advanced to 17,000, and we now print

25,000 Copies Monthly.

Probably the greatest monthly list of subscribers in the world.

OUR READING MATTER is about the same in quantity as any similar production, probably a little in favor of the Book. It would be foolish and false to say that it contains more, and the proprietor is not willing to condescend to such means for my supposed advancement of his interest.

TRANSMISSION BY MAIL.—One advantage the subscribers of THIS work will have, is its early reception. It will be received at the remotest Cities of the Union by the first day of the month of publication.

MECHANICAL DEPARTMENT.—The January and succeeding numbers will be printed on an entirely NEW TYPE, cast expressly for the work, and will be found on inspection to be a truly beautiful letter, not too small to be read with ease, nor too large to prevent the usual quantity of matter given in each page. The paper is of the finest quality for periodical use. Indeed, the typographical execution has long been a subject of congratulation with those best acquainted with these matters.

BUSINESS DEPARTMENT.—The price of the publication is THREE DOLLARS per annum—TWO COPIES FOR FIVE DOLLARS The money to be positively received before a number is sent. No letters will be taken from the Post Office unless the postage on them is paid. Unless positive orders are given at the time of subscribing, the work is continued after the first year, and if not paid during the year, the price will be increased to FOUR DOLLARS.

For the convenience of persons wishing to subscribe for any of the following publications —Burton's Magazine—The Saturday Courier—Saturday Chronicle—Alexander's Weekly Messenger—Saturday Evening Post and News—they will be furnished with the Lady's Book, and any one of these publications one year, upon the receipt of Five Dollars free of postage.

THE CASKET

AND

PHILADELPHIA MONTHLY MAGAZINE.

PROSPECTUS OF A NEW VOLUME.

The unparalleled success which has attended The Casket since it came into the hands of the new proprietors, induces them to begin a volume with

Still Further Attractions,

ON THE FIRST OF JANUARY NEXT.

ITS LITERARY CHARACTER,

Which has called forth so many comments: will undergo no change; as the Magazine will still continue under the control of the same editors. Several

NEW CONTRIBUTORS, OF HIGH TALENT,

however, have been engaged, beside those who have already been enlisted in its favor.

The Magazine will be enlarged and will contain a greater quantity of reading matter than any periodical published at the same price in this country. The work will appear in

A NEW AND BEAUTIFUL TYPE,

Cast expressly for the purpose, and will be printed on the finest paper.

It will also be ornamented with

Fine Steel Engravings,

provided at a heavy expense, and executed from the choicest designs. To vary the style of these illustrations, the services of distinguished artists have been engaged to furnish at intervals

MEZZOTINTS FOR THE ENSUING VOLUME.

The Heads of Several Distinguished American Writers

Will appear in the course of the year. The publishers, determined to leave nothing undone to merit the patronage of a liberal public, have resolved, after much solicitation from many of their fair readers, to publish quarterly, as an extra,

Correct Plates of the Latest *Fashions, Highly Colored,*

and executed in the first style of the art. This department will be under the control of a French gentlemen, of much taste and experience, and will be found to excel ANYTHING EVER ATTEMPTED IN THIS LINE IN AMERICA.—The extra in the present (November) number, may be considered a fair specimen of what these fashion plates will be. The music department, as heretofore, will be under the charge of Messrs. G. W. Hewitt & Co. and the fine pieces of Copy right Music which they have hitherto furnished are a sufficient guarantee for the future.

The flattering terms in which the Casket has been noticed by the journals in every section of the Union, establish beyond a doubt its claims to support generally —*It will surpass any other work in the return it gives for the reader's money.*

TERMS—$3 per annum, invariably in advance, or two copies for five dollars.

All communications to be addressed, post paid to

ALEXANDER'S

WEEKLY MESSENGER

Has, during the three years since it was first commenced, obtained a celebrity among the patrons of the press which has no precedent in the annals of Literature in this country. Its circulation has been, and continues to be, far and wide extending over every portion of this continent, and not less than

100,000 COPIES

Have been distributed to different individuals. The reputation of this Journal is at the present moment as firmly established as at any former period—and its increase of patronage, notwithstanding the fluctuations of the times, probably has no parallel on record. The publisher is about to begin

ANOTHER VOLUME,

Materially Improved and Enlarged

And with renewed efforts to deserve the liberal feeling which has been exerted in behalf of his Popular Journal & a sincere determination so to continue to conduct the MESSENGER, that the cause of VIRTUE, TRUTH, and MORALITY may be best promoted by its extensive circulation.

ALEXANDER'S

WEEKLY MESSENGER

IS UNIVERSALLY ACKNOWLEDGED TO BE

THE CHEAPEST AND MOST INTERESTING

FAMILY NEWSPAPER

IN THE WORLD,

And most deserving the patronage of a discriminating public.

This Journal is published every Wednesday, on a beautiful white paper, of the largest class Single copies will be forwarded to subscribers every week during the year for Two Dollars. in advance—or ten persons, clubbing together can have it for the same period by forwarding the publisher a ten dollar note, free of postage which is one third less than any paper of the same size can be furnished by any other office in the United States.

This Journal embraces in its columns every variety of subjects, and affords the earliest and most authentic articles of news: as a proof of which we instance the fact that since the commencement of Steam Navigation between this country and England, we have been always several days in advance of all our New York and Philadelphia weekly contemporaries, in furnishing our patrons with the intelligence which has been brought by the different Steamboats—the Great Western, the Liverpool and the British Queen. In this respect the Messenger has paramount claims upon the attention of persons who live remote from the Atlantic cities, as it conveys to them sooner than it can be received through any other channel, the latest European News. In the existing state of our relations to England, both as regards our Financial, Commercial, and Agricultural position, the importance of a vehicle through which information on these important subjects is disseminated at the earliest period after the arrival of the British steamers, cannot be over estimated.

A General Prices Current, affording an authentic guide to the country merchant, and other mercantile classes out of the city, is carefully compiled every week, and inserted at length in our columns. A Bank Note Re-

gister and other matters connected with the Stock Market, with regular notices of broken Banks and Counterfeits will be most scrupulously noticed, and such necessary information regarding them carefully collected as will satisfy the most scrupulous that the interest of the whole community are properly attended to.

In order to render our Paper more acceptable to our numerous City subscribers, we shall in future give a regular summary of all the Marriages and Deaths.

This Journal is constantly supplied with Original articles, by American Writers, which adds much to its interest as a Literary Work. A succession of Biographies are from time to time given of the most Distinguished American Statesmen and Patriots, together with Original and Selected Tales, Essays, and Poetry, of the most piquant and entertaining character. The Publisher will begin The Coming Year by Enlarging the Messenger, and the issue of

LIBERAL OFFERS.

The Publisher respectfully calls the attention of his friends and the public to the following list of Premiums—which are offered as a small token of respect to those gentlemen acting as Agents who use their influence to promote the circulation of the Weekly Messenger.
