The St. Michaels Academy,

Incorporated at the last session of the General Assembly of Maryland, will be open to the reception of Students on Monday the 6th day of April, next, under the direction of M. Spencer, recently of the Beverly Seminary. The course of studies will embrace all the branches usually tsught in such institutions, to wit: the Latin and Greek languages, English Grammar, Arithmetic, Geography, use of the Globes, Algebra, Geometry, Plane and Spherical Trigonometry, Surveying, Mensuration, Heights and Distances, &c., &c. together with History, Chronology, Declamation, Composition, Grecian and Roman Antiquities, Logic and the elements of Moral and Natural Philosophy.

With the view to furnish facilities to persons of every grade of fortune, for the education of their children, this institution has been established under legislative authority upon the cheapest plan possible. The charge for Tuition will not exceed $6 25 a quarter, or $25 00 a year, and boarding can be had in the village and neighborhood at various prices, never exceeding $2 00 a week. St. Michaels is as healthful as any town in the United States, and as beautifully located as any on the Eastern Shore of Maryland—it being on an isthmus of 300 yards in width between the waters of Chesapeak and Miles Rivers. Besides the advantage of health the village possesses a very great one as a site for a literary institution in the absence of all the demoralizing allurements which render towns generally objectionable in the estimation of parents having children to educate. The notice and patronage of the public is respectfully solicited.

By order of the Board of Trustees,
JOSEPH BRUFF, Pres't.

P. S. In consequence of the severity of the winter it has been impossible to make preparations for opening the Academy as proposed. It is therefore postponed to the first Monday in April.

SHINN & SELLERS'

CELEBRATED LIVER PILLS AGAIN TRIUMPHANT OVER DISEASE—SPASMODIC ASTHMA CURED BY THEIR USE!!

Messrs. SHINN & SELLERS.—You are aware that for the last six months I have been in the use of your Pills, though you may not know the complaint for which I have used them.

Some fifteen years ago, being sorely troubled with spasmodic asthma, I was relieved from it by lobelia Last summer the complaint returned upon me with increased violence, from which I received not the least relief by the use of lobelia.

A friend persuaded me to make trial of your Pills, though, to be candid, I had not much faith in them, for the reason that, from what I could discover, you had not recommended them in asthma. I was however, relieved by them. Still I had a relapse of the complaint. Again I had recourse to the Pills—and now, after a patient and persevering use of them, I feel that I am cured of 'spasmodic asthma.'

Last summer my eldest son, being at Louisville, Ky., was violently seized with the prevailing sickness, congestive fever. Having recovered from it so far to return home; here however he had a violent relapse of the fever. After recovering from it, he began to feel a pain in the region of the liver, which increasing daily seemed to demand prompt attention. Suffice it to say, he was cured by the use of your Pills.

As you have requested of me a 'statement of facts' with respect to the benefit I and my son have received from your Pills, I have given it with a scrupulous regard to accuracy.

Your's, with esteem,
N. RUGGLES SMITH.

Godey's Lady's Book.

EDITION—25,000—MONTHLY.

More than 60 Figures of Fashions each year

MRS. LYDIA H. SIGOURNEY,

Whose name is so intimately connected with the Literature of our country, and who has justly been termed by the contemporary press, The Hemans of America, will assist Mrs. Hale in the editorial department. It is with feelings of the greatest pleasure that the publisher of the Book makes this announcement. The editorial corps will now consist of Mrs. SARAH J. HALE, Mrs. LYDIA H. SIGOURNEY, and LOUIS A. GODEY. Mrs. Sigourney will commence her valuable aid with the January number. The Lady's Book has always been noted for the purity of its contents—that marked distinction which characterizes it shall still be preserved; indeed, with such conductors, it will be impossible to go astray.

GODEY'S BOOK,

Has been emphatically termed THE LADIES' NATIONAL MAGAZINE, as it is a receptacle for the contributions of the most celebrated FEMALE WRITERS OF AMERICA, most of whom of any eminence contribute to its pages. For a list of the names of the Contributors, see October cover of the work.

TWENTY VOLUMES have already been issued. It is usual to announce that a small addition only will be published. Contrary to this, the Proprietor of the Lady's Book announces that he will publish AN IMMENSE ADDITION, with which he hopes to supply all those who will favor him with orders, commencing with the January number.

It will be seen by this advertisement that every effort has been made by the proprietor of this work to make it superior to any other in America: and as

A New Year's Gift,

The Lady's Book is probably the most proper that could be desired for Ladies, edited by their own sex, and assisted, as the Editorial Department is, by the Pictorial Embellishments, it is positively the BOUDOIR COMPANION.

There are other publications that advertise FASHION PLATES. The Publisher of the Lady's Book wishes it to be distinctly understood that the principal Fashions in his work ARE COLORED, AND IN EVERY NUMBER, which is not the case with any other work published in this country.

UNCOLORED PLATES OF FASHIONS, also, monthly. This is a novel feature in this work, and as it is no great expense to give plates of Fashions, without Coloring, the Publisher will give from THREE to SIX FIGURES each month, in addition to the THREE COLORED—this will make in all, generally, about

Nine Figures of Fashions Monthly.

LACE PATTERNS AND

PATTERNS OF EMBROIDRY

Will be published at regular intervals. These beautiful ornaments—particularly the former have given great satisfaction.

THE MUSICAL DEPARTMENT is under the superintendence of J. G. Osborne, than whom no person is more capable of doing it justice.

THE LITERARY DEPARTMENT is placed under the superintendence of Mrs. Sarah J. Hale and Mrs. Lydia H. Sigourney; two ladies so well known to the world that to mention their names in connexion with any publication is at once a guarantee of its morality, virtue, and utility. Of their capability to conduct the LADY'S BOOK, it is presumed no person will doubt, and the proprietor mentions with pleasure that no English or American Magazine can publish in connexion with its Literary Department two names so celebrated in the world of letters.

FAC SIMILIES.—A great deal of curiosity is often expressed to see the Chirography of celebrated persons. We shall endeavor as far as lies in our power to gratify this feeling, by giving from time to time correct imitations of the most celebrated Female writers of the day.

GENERAL FEATURES.—Literature, Tales, Essays, Legends, Romantic Incidents in History, Extracts from the Old Poets, Reviews, Poetry, Female Education, Embellishments, Fashions, Colored and Uncolored, Lace, Embroidery, Fac Similies, Music, &c. &c.

More than sixty Figures of Fashions yearly, colored and uncolored, the Proprietor being determined to consult all tastes. Any embellishments to be found in any other Magazine may be looked for in the Lady's Book.

INCREASE OF SUBSCRIPTION.—In 1838 we published 10,500 copies; during the months of January, February and March, 1839, we increased the list to 13,500, and had then to reprint three numbers and increase to 15,000 With the next volume, we advanced to 17,000, and we now print

25,000 Copies Monthly,

Probably the greatest monthly list of subscribers in the world.

OUR READING MATTER is about the same in quantity as any similar production, probably a little in favor of the Book. It would be foolish and false to say that it contains more, and the proprietor is not willing to condescend to such means for my supposed advancement of his interest.

TRANSMISSION BY MAIL.—One advantage the subscribers of THIS work will have, is its early reception. It will be received at the remotest Cities of the Union by the first day of the month of publication.

MECHANICAL DEPARTMENT—The January and succeeding numbers will be printed on an entirely NEW TYPE, cast expressly for the work, and will be found on inspection to be a truly beautiful letter, not too small to be read with ease, nor too large to prevent the usual quantity of matter given in each page. The paper is of the finest quality for periodical use. Indeed, the typographical execution has long been a subject of congratulation with those best acquainted with these matters.

BUSINESS DEPARTMENT.—The price of the publication is THREE DOLLARS per annum—TWO COPIES FOR FIVE DOLLARS. The money to be positively received before a number is sent. No letters will be taken from the Post Office unless the postage on them is paid. Unless positive orders are given at the time of subscribing, the work is continued after the first year, and if not paid during the year, the price will be increased to FOUR DOLLARS.

For the convenience of persons wishing to subscribe for any of the following publications—Burton's Magazine—The Saturday Courier—Saturday Chronicle—Alexander's Weekly Messenger—Saturday Evening Post and News—they will be furnished with the Lady's Book, and any one of these publications one year, upon the receipt of Five Dollars free of postage.
