$100 Reward.

I will give the above reward, for the apprehension of negro man,

NED RIDEOUT,

who run off, from the farm of Mr. Mathias George, near Wye Mills, on Thursday the 27th Feb. (provided, he is taken out of Queen Anne or Talbot counties,) and fifty dollars, if taken in either of said counties; I will in either case, pay all reasonable expenses, for his being confined in any Jail, so that I get him—Ned, is about 30 years of age. He may be *readily* known by a large scar on the forehead, extending through the upper lid of the right eye.

Ned, has been living for some years near the Trappe, and Oxford, and is well known in those neighborhoods. He has for several years, been in the habit of going to Baltimore and staying one or two months at a time, and I think there is no doubt, but what he will make for that place, so soon as an opportunity offers.—Captains of boats, sailing from the lower part of Talbot, are particularly requested to keep a lookout, that he does not get on board their boats.

The St. Michaels Academy,

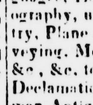

Incorporated at the last session of the General Assembly of Maryland, will be open for the reception of Students on Monday the 6th day of April next, under the direction of M Spencer, recently of the Beverly Seminary. The course of studies will embrace all the branches usually taught in such institutions, to wit: the Latin and Greek languages, English Grammar, Arithmetic, Geography, use of the Globes, Algebra, Geometry, Plane and Spherical Trigonometry, Surveying, Mensuration, Heights and Distances, &c., &c, together with History, Chronology, Declamation, Composition, Grecian and Roman Antiquities, Logic and the elements of Moral and Natural Philosophy.

With the view to furnish facilities to persons of every grade of fortune, for the education of their children, this institution has been established under legislative authority upon the cheapest plan possible. The charge for Tuition will not exceed $6.25 a quarter, or $25.00 a year, and boarding can be had in the village and neighborhood at various prices, never exceeding $2.00 a week. St. Michaels is as healthful as any town in the United States, and as beautifully located as any on the Eastern Shore of Maryland—it being on an isthmus of 300 yards in width between the waters of Choptank and Miles Rivers. Besides the advantage of health the village possesses a very great one as a site for a literary institution in the absence of all the demoralizing allurements which render towns generally objectionable in the estimation of parents having children to educate. The notice and patronage of the public is respectfully solicited
