TRUSTEE'S SALE.

By virtue of a decree of Talbot County Court, sitting as a Court of Equity, the subscriber will offer at public auction to the highest bidder, at the Court House door in Easton on Tuesday the 9th day of November prox., between the hours of 2 o'clock and 5 o'clock P. The arable portion of this land (being about 100 acres) is susceptible of improvement—Marl of a fine quality has been discovered in a branch on the same, convenient to the different fields. Dimond, living on the Farm, by whom the premises will be cheerfully shewn.

EASTON ACADEMY.

The duties of this institution will be resumed on Monday the 11th inst., when it is confidently expected that a large increase in the number of pupils will afford unequivocal evidence that the Parents and Guardians of Easton and the surrounding country are ready, as in days past, to co-operate in sustaining an institution of such inestimable value to them all. The Trustees have secured the services of able and faithful teachers.

Of the literary attainment of Dr. Arnold ample proof has long since been exhibited; of his ability and faithfulness as an Instructor, it is only necessary to refer to the results of his services in the Academy as manifested at the late examination, where the Trustees had full demonstration of the truth and justice of the very high testimonials in his possession from some of the most distinguished gentlemen and scholars in the United States.

In anticipation of a large addition to the number of pupils an Assistant Teacher has been engaged, whose services, we cannot doubt, will prove highly creditable to the Institution and satisfactory to its Patrons.

Mr. Trask, the gentleman thus engaged, is a graduate of Amherst College, and brings satisfactory evidence of the excellence of his moral character, and of his success in the arduous but interesting duties of the profession, which he has chosen. He has letters of recommendation from the President and Professors of Amherst College, from the Presidents of Baltimore and Mount Hope Colleges and, among others, from the Hon Rufus Choate, of the United States Senate and the Hon. Henry A. Wise, in whose district he has recently resided. For the satisfaction of Patrons the Trustees subjoin the two following:

"AMHERST COLLEGE, Sept. 2d, 1840.

Mr. James D. Trask is a Graduate of this Institution, and from my knowledge of his literary attainments and general character, I can cordially recommend him as well qualified to instruct in the branches taught in our Academies. He has paid particular attention to the Studies of my Department.

EDWARD HITCHCOCK, Prof. of Chemistry and Natural History.

WASHINGTON, Aug. 24th, 1841.

"I have great pleasure in certifying that Mr. James D Trask of Beverly, in Massachusetts, is in my judgment well qualified in point of Ability, Learning and Experience for an Instructor of the first class. He is a graduate of a respectable College in Massachusetts, has a good moral character and has pursued the profession of teaching with much success.

RUFUS CHOATE."

From the united efforts of the two gentlemen thus eminently qualified and devoted to the duties of their profession, we confidently believe that the highest expectations of the friends of the Institution will be fully realized and we therefore earnestly commend it to the patronage of Parents and Guardians, who desire to bestow on their sons or wards an opportunity of acquiring the inestimable advantages of a thorough and accomplished education.

The Academical year as mentioned in a former advertisement will hereafter consist of two Sessions, commencing respectively on the 2d Monday in October and the first Monday in April, the former to be preceded by a vacation of six weeks, the latter by a vacation of two weeks. At the conclusion of the winter session there will be a public examination of the pupils.

TERMS.

For instruction in Spelling, Reading, Writing, Arithmetic, English Grammar, Geography and History, &c.

For the winter session	$9 50
For the summer session	7 50

For additional instruction in the various branches of Mathematics, as Algebra, Geometry, Trigonometry, Surveying, Natural and Moral Philosophy, &c. with Latin, Greek and French.

For the winter session,	$14 00

A course of lectures upon the various branches of natural science will be given by the Teachers, and every effort made to make the institution equal to any in the State. The institution, under the provisions of the act of 1833, is open to eight boys.

Mamma Kitty's SALVE,

NOW FOR THE FIRST TIME OFFERED TO THE PUBLIC.

The good effects of this salve have been known among the friends of the now proprietors upwards of fifty years, and was introduced by a worthy & benevolent old German lady who was for many years known in the city of Baltimore by the name of Mamma Kitty, from whom the salve took its name. Mamma Kitty came to this country about sixty years ago with a German physician who settled in the city of Philadelphia, under whose direction she made this salve, and used it with great success. Afterwards she moved to Baltimore, and lived as a nurse in the family of the late Lewis Pascault, Esq & continued to use her salve in that family and among her friends until her death, previously giving to the now proprietor, the receipe of the preparation together with some of her salve, which has only been used in his family and among his friends until this time. But having found a great demand for it at home and abroad, and through the earnest solicitation of physicians and friends, we are now induced to offer it to the public.

The above salve is confidently recommended in all cases of old unhealthy sores and ulcers. See the accompanying recommendations.

DR. CHATARD'S CERTIFICATE.

DEAR MADAM:—I was well acquainted with Mamma Kitty—she was a benevolent old woman, who more than once related to me the wonderful cures operated by her salve—And I believe she was incapable of telling an untruth. I can certify (so far) by the good effect that salve has produced in my own family, that it is an excellent composition. And the best proof I can give you of my faith in its curative power, is to desire you to send me five boxes of it for the cash here enclosed, $5.

Very respectfully,
Your most ob't ser't,
P. CHATARD, M. D.

Baltimore, May 2nd, 1841.

DR. S. T. RUSSUM'S CERTIFICATE.

I have for fourteen years past been intimate with the family physician, in Mr. L. C. Pascult's family, and have frequently had the opportunity to observe the good effects of a salve made by Mrs. Pascault, (called Mamma Kitty's salve) and do not hesitate to say, that it is an excellent digesting preparation, and is worthy the attention of medical men as well as others, in all cases of CANCEROUS SORES OR INDOLENT ULCERS.

SYDENHAM T. RUSSUM, M. D.

Wye Mills, 27th June, 1841.

MRS. PASCAULT:—Madam,—This is to certify, that I was bitten by a dog on my ancle the third day of January, 1837, and was attended by three eminent physicians until August, 1839, and made use of a variety of popular applications, all of which failed in giving relief. When I heard of Mamma Kitty's salve I procured some from you, and in seven weeks from the time I commenced using it, my leg was healed over, the sore extended from the end of my toes nearly to my hip, and was swollen to three times its natural size, and I expected it would have to be cut off—indeed, the Doctors thought so. I am now seventy years old, and my leg feels as well as ever it did. My faith was so great in the healing qualities of your salve, that one of my family had a bone film, and her child a tetter worm on its head—they applied the salve, which made a perfect cure. One of my grand children has had very sore eyes from its birth—I anointed them with the salve, and it has entirely taken the inflammation out.

Yours, with respect,
MARY LEWIS.

Kent Island, March 20th, 1841.

DEAR MADAM:—According to your request I have examined the certificate of Mrs. Lewis, and believe the facts stated by her as regards herself to be perfectly correct. I saw her leg frequently before the use of your salve and several times since and can certify it has made a perfect cure. So far as I have had an opportunity of witnessing the effects of your salve, I believe it to be good, and entitled to the attention of the public.

SAMUEL HARPER, M. D.

March 24th, 1841.

DEAR MADAM:—Do me the favor to accept my sincere thanks for the present you kindly made me of your valuable salve. I am happy to state that it has made an entire cure of my servant, who laboured for several years with a scrofula affection which baffled all the skill of the physicians that attended him. The disease was so severe that he lost several pieces of bone from his ancle and was entirely disabled from labour. I have used it in several cases in my family for burns, swellings inflamation, &c. &c. Let me again entreat you not to withhold so valuable a treasure from the public for I candidly believe it has not its equal. Yours, very respectfully,

CHARLES LEWIS.

Baltimore County, May 18th, 1826.

Price $1 00.

THOMAS D. BELL.

August, 14, 1841.

TESTIMONIALS.

Having had an intimate acquaintance with Mr Thomas D Bell for a number of years, affords me pleasure to express my conviction that he is admirably qualified by his talents, attainments and experience, for the instruction and government of a select school for young ladies. The Female Seminary in Oxford, Pa. has been under his direction and tuition since its commencement; and having attended all its examinations, I am prepared to say that his pupils would *compare well* with young ladies in the highest seminaries of a similar kind, in any part of our country. I have frequently attended examinations in the celebrated schools of New England, and I hesitate not to say that Mr. Bell has as systematic a course of instruction and has given as complete an education as may be found in the very best schools.—Mr. Bell removes to Newark, Del., an exceedingly healthy and central village, where he designs still to carry on his school with increased facilities to afford an accurate and thorough knowledge of all the solid and polite branches of a complete female education.

It is also due to Miss Bell to say that the pupils in Music under her care, performed admirably and *never failed* to delight the audience of every examination.

I therefore cheerfully recommend Mr. Bell and also Miss Bell as eminently qualified for their respective stations.

JAMES M. INTIRE, Pastor of the Presbyterian Church, Elkton, Md.

July 22d, 1841.

The following is an extract from a letter from the Rev. Thomas Love, dated

LOVEVILLE, Del. June 18th, 1841.

"With the system you have adopted, your mode of communicating instruction, the government of your school, and the management of the boarding department—I am highly gratified. With the examination I was so much delighted that I really wished that all parents who have daughters to educate could have been present. The improvement which our daughter made while with you exceeded far my expectations, and I greatly regret that she is not enjoying the privilege of being with you this summer."

We at all times have a plentiful supply of that article called ready CASH which we are willing to relieve the wants of our friends with, that have negroes to dispose of, that are good titles. We will also purchase negro women that are to serve for a term of years that are good cooks. Persons having negroes to dispose of, and who want for them the highest prices, that the southern markets will justify, will do well to see us, before disposing of their servants.—We can at all times be found at this place where all communications will be promptly attended to, if addressed to

JOHN N DENNING & Co.

Centreville, Q. A. County, Md. Sept. 25—3t

Here! Here!!

J. M. FAULKNER, has removed his office to the old stand next door to Mr. Solomon Barrott's Tavern, where he may be found to attend to any business in his line—viz: the settlement of Officers' Fees in his hands as late Deputy Shff., Executions in his hands as late Constable, and Town Taxes as Collector. He will also as heretofore attend to business as agent and private collector; drawing of *Deeds, Mortgages, Bills of Sale, Powers of Attorneys, Indentures of Apprentices, Bonds, Insolvent Petitions, Leases, Agreements and other instruments of writing.*—He again renews his obligations to a generous public for the liberal encouragement he has received—and still hopes to merit a share of their patronage.
