Mamma Kitty's SALVE,

NOW FOR THE FIRST TIME OFFERED TO THE PUBLIC.

The good effects of this salve have been known among the friends of the now proprietors upwards of fifty years, and was introduced by a worthy & benevolent old German lady who was for many years known in the city of Baltimore by the name of Mamma Kitty, from whom the salve took its name. Mamma Kitty came to this country about sixty years ago with a German physician who settled in the city of Philadelphia, under whose direction she made this salve, and used it with great success. Afterwards she moved to Baltimore, and lived as a nurse in the family of the late Lewis Pascault, Esq. & continued to use her salve in that family and among her friends until her death, previously giving to the now proprietor, the receipe of the preparation together with some of her salve, which has only been used in his family and among his friends until this time. But having found a great demand for it at home and abroad, and through the earnest solicitation of physicians and friends, we are now induced to offer it to the public.

The above salve is confidently recommended in all cases of old unhealthy sores and ulcers. See the accompanying recommendations.

DR. CHATARD'S CERTIFICATE.

DEAR MADAM:—I was well acquainted with Mamma Kitty—she was a benevolent old woman, who more than once related to me the wonderful cures operated by her salve—And I believe she was incapable of telling an untruth I can certify (so far) by the good effect that salve has produced in my own family, that it is an excellent composition. And the best proof I can give you of my faith in its curative power, is to desire you to send me five boxes of it for the cash here enclosed, $5

Very respectfully,
Your most ob't ser't.
P. CHATARD, M. D.

Baltimore, May 2nd; 1841.

DR S. T. RUSSUM'S CERTIFICATE.

I have for fourteen years past been intimate & the family physician, in Mr. L. C. Pascult's family, and have frequently had the opportunity to observe the good effects of a salve made by Mrs. Pascault, (called Mamma Kitty's salve) and do not hesitate to say, that it is an excellent DIGESTIVE preparation, and is worthy the attention of medical men as well as others, in all cases of SANIOUS SORES OR INDOLENT ULCERS.

SYDENHAM T. RUSSUM, M. D.
Wye Mills, 27th June, 1841.

MRS. PASCAULT:—Madam.—This is to certify, that I was bitten by a dog on my ancle the third day of January, 1837, and was attended by three eminent physicians until August, 1839, and made use of a variety of popular applications, all of which failed in giving relief. When I heard of Mamma Kitty's salve I procured some from you, and in seven weeks from the time I commenced using it, my leg was healed over, the sore extended from the end of my toes nearly to my hip, and was swollen to three times its natural size, and I expected it would have to be cut off—indeed, the Doctors thought so. I am now seventy years old, and my leg feels as well as ever it did My faith was so great in the healing qualities of your salve, that one of my family had a bone film, and her child a tetter worm on its head—they applied the salve, which made a perfect cure. One of my grand children has had very sore eyes from its birth —I anointed them with the salve, and it has entirely taken the inflammation out.

Yours, with respect,
MARY LEWIS.

Kent Island, March 20th, 1841.

DEAR MADAM:—According to your request, I have examined the certificate of Mrs Lewist and believe the facts stated by her as regards herself to be perfectly correct. I saw her leg frequently before the use of your salve and several times since and can certify it has made a perfect cure. So far as I have had an opportunity of witnessing the effects of your salve, I believe it to be good, and entitled to the attention of the public.

SAMUEL HARPER, M D.

March 24th, 1841.

DEAR MADAM:—Do me the favor to accept my sincere thanks for the present you kindly made me of your valuable salve. I am happy to state that it has made an entire cure of my servant, who laboured for several years with a scrofula affection which baffled all the skill of the physicians that attended him The disease was so severe that he lost several pieces of bone from his ancle and was entirely disabled from labour. I have used it in several cases in my family for burns, swellings inflamation, &c. &c. Let me again entreat you not to withhold so valuable a treasure from the public for I candidly believe it has not its equal. Yours, very respectfully,

CHARLES LEWIS.

Baltimore County, May 13th, 1826.

Price $1 00.

PROSPECTUS.

THE EASTON GAZETTE.

A. GRAHAM, Editor and Proprietor.
E. R. HOOPER, Assistant Editor.

The Proprietor of the Gazette having engaged the assistance of E. Richardson Hooper, Esq., of Cambridge, Md., and recently Editor of the 'Chronicle' of that place, in the management of the editorial department of the paper, proposes to increase the circulation of the Gazette in the Counties of Dorchester, Somerset and Worcester, with the view of promoting the interest of the Whig party in the approaching Gubernatorial canvass. That canvass will doubtless be warmly contested, and the advantages to be gained from having a paper reflecting the sentiments of the Whigs freely circulated among the people, are too obvious to need enforcement from me. The opposition party will undoubtedly make every exertion to increase the circulation of papers friendly to their cause, and should be met by a corresponding effort on the part of the Whigs.

The Gazette is printed every Saturday Morning, on fine imperial paper, with plain type, and, in addition to politics, is devoted to agriculture, literature, and general news. The facilities for obtaining the latest and most interesting items of information are unequalled by any Journal on the Shore.

The papers will be sent to Mr. Hooper's office, in Cambridge, every Saturday morning for distribution.
