Mamma Kitty's SALVE,

NOW FOR THE FIRST TIME OFFERED TO THE PUBLIC.

The good effects of this salve have been known among the friends of the now proprietors upwards of fifty years, and was introduced by a worthy and benevolent old German lady who was for many years known in the city of Baltimore by the name of Mamma Kitty, from whom the slave took its name. Mamma Kitty came to this country about sixty years ago with a German physician who settled in the city of Philadelphia, under whose direction she made this salve, and used it with great success. Afterwards she moved to Baltimore, and lived as a nurse in the family of the late Lewis Pascault, Esq. and continued to use her salve in that family and among her friends until her death, previously giving to the now proprietor, the receipe of the preparation together with some of her salve, which has only been used in his family and among his friends until this time. But having found a great demand for it at home and abroad, and through the earnest solicitation of physicians and friends, we are now induced to offer it to the public.

The above salve is confidently recommended in all cases of old unhealthy sores and ulcers See the accompanying recommendations.

DR. CHATARD'S CERTIFICATE.

Dear Madam:—I was well acquainted with Mamma Kitty—she was a benevolent old woman, who more than once related to me the wonderful cures operated by her salve—And I believe she was incapable of telling an untruth. I can certify (so far) by the good effect that salve has produced in my own family, that it is an excellent composition. And the best proof I can give you of my faith in its curative power, is to desire you to send me five boxes of it for the cash here enclosed, $5.

Very respectfully,

Your most ob't serv't

P. CHATARD, M. D.

Baltimore, May 2d, 1841.

DR S. T. RUSSUM'S CERTIFICATE.

I have for fourteen years past been intimate and the family physician, in Mr L. C. Pascault's family, and have frequently had the opportunity to observe the good effects of a salve made by Mrs Pascault, (called Mamma Kitty's salve) and do not hesitate to say, that it is an excellent *digestive* preparation, and is worthy the attention of medical men as well as others, in all cases of *sanious sores or indolent ulcers*

SYDENHAM T RUSSUM, M. D.

Wye Mills, 27th June, 1841.

MRS PASCAULT.—Madam—This is to certify, that I was bitten by a dog on my ancle the third day of January, 1837, and was attended by three eminent physicians until August, 1839, and made use of a variety of popular applications, all of which failed in giving relief. When I heard of Mamma Kitty's salve I procured some from you, and in seven weeks from the time I commenced using it, my leg was healed over; the sore extended from the end of my toes nearly to my hip, and was swollen to three times its natural size, and I expected it would have to be cut off—indeed the Doctors thought so. I am now seventy years old, and my leg feels as well as ever it did. My faith was so great in the healing qualities of your salve, that one of my family had a bone film, and her child a tetter worm on its head—they applied the salve, which made a perfect cure. One of my grand children has had very sore eyes from its birth—I anointed them with the salve, and it has entirely taken the inflammation out.

Yours, with respect.

MARY LEWIS

Kent Island, March 20th, 1841.

DEAR MADAM—According to your request I have examined the certificate of Mrs Lewis, and believe the facts stated by her as regards herself to be perfectly correct. I saw her leg frequently before the use of your salve and several times since and can certify it has made a perfect cure. So far as I have had an opportunity of witnessing the effects of your salve, I believe it to be good, and entitled to the attention of the public.

SAMUEL HARPER, M. D,

March 24th, 1841.

DEAR MADAM—Do me the favor to accept my sincere thanks for the present you kindly made me of your valuable salve. I am happy to state that it has made an entire cure of my servant, who laboured for several years with a scrofula affection which baffled all the skill of the physicians that attended him. The disease was so severe that he lost several pieces of bone from his ancle and was entirely disabled from labour. I have used it in several cases in my family for burns, swellings inflammation, &c &c. Let me again entreat you not to withhold so valuable a treasure from the public, for I candidly believe it has not its equal. Yours, very respectfully,

CHARLES LEWIS.

TESTIMONIALS.

Having had an intimate acquaintance with Mr Thomas D Bell for a number of years, affords me pleasure to express my conviction that he is admirably qualified by his talents, attainments and experience, for the instruction and government of a select school for young ladies. The Female Seminary in Oxford, Pa. has been under his direction and tuition since its commencement; and having attended all its examinations, I am prepared to say that his pupils would *compare well* with young ladies in the highest seminaries of a similar kind, in any part of our country. I have frequently attended examinations in the celebrated schools of New England, and I hesitate not to say that Mr. Bell has as systematic a course of instruction and has given as complete an education as may be found in the very best schools.—Mr. Bell removes to Newark, Del., an exceedingly healthy and central village, where he designs still to carry on his school with increased facilities to afford an accurate and thorough knowledge of all the solid and polite branches of a complete female education

It is also due to Miss Bell to say that the pupils in Music under her care, performed admirably and *never failed* to delight the audience of every examination

I therefore cheerfully recommend Mr. Bell and also Miss Bell as eminently qualified for their respective stations.

The following is an extract from a letter from the Rev Thomas Love, dated

LOVEVILLE, Del., June 18th, 1841

"With the system you have adopted, your mode of communicating instruction, the government of your school, and the management of the boarding department—I am highly gratified. With the examination I was so much delighted that I really wished that all parents who have daughters to educate could have been present. The improvement which our daughter made while with you exceeded far my expectations, and I greatly regret that she is not enjoying the privilege of being with you this summer."

EASTON ACADEMY.

The duties of this Institution will be resumed on Monday the 11th inst., when it is confidently expected that a large increase in the number of pupils will afford unequivocal evidence that the Parents and Guardians of Easton and the surrounding country are ready, as in days past, to co-operate in sustaining an institution of such inestimable value to them all. The Trustees have secured the services of able and faithful teachers.

Of the literary attainment of Dr Arnold ample proof has long since been exhibited; of his ability and faithfulness as an Instructor, it is only necessary to refer to the results of his services in the Academy as manifested at the late examination, where the Trustees had full demonstration of the truth and justice of the very high testimonials in his possession from some of the most distinguished gentlemen and scholars in the United States.

In anticipation of a large addition to the number of pupils an Assistant Teacher has been engaged, whose services, we cannot doubt, will prove highly creditable to the Institution and satisfactory to its Patrons

Mr. Trask, the gentleman thus engaged, is a graduate of Amherst College, and brings satisfactory evidence of the excellence of his moral character, and of his success in the arduous but interesting duties of the profession, which he has chosen. He has letters of recommendation from the President and Professors of Amherst College, from the Presidents of Baltimore and Mount Hope Colleges and, among others, from the Hon Rufus Choate, of the United States Senate and the Hon. Henry A Wise, in whose district he has recently resided. For the satisfaction of Patrons the Trustees subjoin the two following:

"AMHERST COLLEGE, Sept. 2d, 1840.

Mr. James D. Trask is a Graduate of this Institution, and from my knowledge of his literary attainments and general character, I can cordially recommend him as well qualified to instruct in the branches taught in our Academies. He has paid particular attention to the Studies of my Department.

EDWARD HITCHCOCK, Prof. of Chemistry and Natural History.

WASHINGTON, Aug. 24th, 1841

"I have great pleasure in certifying that Mr. James D. Trask of Beverly in Massachusetts, is in my judgment well qualified in point of Ability, Learning and Experience for an Instructor of the first class. He is a graduate of a respectable College in Massachusetts, has a good moral character and has pursued the profession of teaching with much success

RUFUS CHOATE."

From the united efforts of the two gentlemen thus eminently qualified and devoted to the duties of their profession, we confidently believe that the highest expectations of the friends of the Institution will be fully realized and we therefore earnestly commend it to the patronage of Parents and Guardians, who desire to bestow on their sons or wards an opportunity of acquiring the inestimable advantages of a thorough and accomplished education

The Academical year as mentioned in a former advertisement will hereafter consist of two Sessions, commencing respectively on the 2d Monday in October and the first Monday in April, the former to be preceded by a vacation of six weeks, the latter by a vacation of two weeks. At the conclusion of the winter session there will be a public examination of the pupils.

DRS DRESBACH KUHN & PRYORS DYSPEPTIC CORDIAL.

FOR DYSPEPSIA, SICK HEADACHE, RHEUMATISM, &c. &c. &c. &c.

THE PROPRIETOR of this preparation deems it proper to premise that nothing is farther from his purpose than to offer it to the public as a universal medicine, or cure all. It is adapted to a few diseases only, for which it is confidently recommended as one of the most agreeable as well as most certain remedies which have at any time claimed public attention!

It imparts a healthy tone to the stomach, improves the appetite when impaired and promotes digestion—it soothes and tranquilizes the nervous system, when excited or disturbed; produces cheerfulness of spirits, with feelings of general comfort and satisfaction.

In the following diseases it is recommended as a prompt and in most cases an effectual remedy.

Dyspepsia, Sick or Nervous Headache, cholic, cramp or spasm in the stomach, cholera morbus, hysterics and nervous diseases generally; chronic dysentary, diarrhœa or purging, sea sickness, cholera infantum, rheumatism, chronic liver complaints, Female irregularities of a chronic character, attended with cold feet, pain in the back limbs, &c. It is also particularly recommended to those who are suffering under debility, languor, depression of spirits, with irregular or defective appetite restlessness at night with unsound or disturbed sleep. In these cases this cordial will be found an admirable remedy! Its soothing and renovating powers being peculiarly adapted to such cases. As a preventive of Ague and Fever it is useful, and those who reside in neighborhoods where this disease prevails would do well to take it once or twice a day during the sickly seasons.

TESTIMONIALS

Leesburgh, Va., July 10, 1841.

Mr. C. Herstons, dear sir; Having been called on by one of your agents, (Jas. S. Hamilton) and believing it to be my duty I give you a certificate approving of your Dyspeptic Cordial—I do say that I have used it in my family with success and believe the cordial should be recommended to all Dyspeptic individuals I have a young woman in my family, who suffered much for some time with Dyspepsia—by using 2 or 3 bottles of your cordial she was fully cured. Given under my hand this 10th day of July, 1841.

PETER COST.

Frederick County, Md., Sept 14, 1840.

Mr C Herstons—Your medicine named Drs. Dresbach, Kuhn & Pryor's Dyspeptic Cordial, has cured me of Dyspepsia. I had this disease twelve years. Various medicines, as well as medical assistance had been tried but all failed. Your cordial as mentioned above has completed a cure. For several months past I have been entirely free from this Dyspeptic disease.

JOHN MONTGOMERY, Jr.

From the Rev. T. H. W. Monroe.

Libertytown, Frederick Co. Md, May 9, 1840.

Dear Sir—Circumstances have prevented me from writing to you until the present. I now state to you that I have used Drs. Dresbach, Kuhn & Pryor's Dyspeptic Cordial with considerable advantage For some years past I have been afflicted with what I regarded as Dyspepsia, in its insidient stages, to obtain relief from which I tried various remedies in vain. I was induced by the recommendation of a medical friend to purchase a bottle of the before named cordial, and from the use of it, have been, as I trust, entirely relieved.

Yours respectfully

THOMAS H. W. MONROE.

Mr. C. Herstons—I willingly comply with your requst to furnish a statement of the case in which your Dyspeptic Cordial was used with so much advantage. It is briefly thus. My niece Mrs Wallace, had been suffering for several months under a train of symptoms such as naturally denote the worst form of Dyspepsia, viz. defective appetite, impaired digestion, languor, debility, &c. These symptons were at length followed by great depression of spirits, sleeplessness and nervous agitation, while every article was swallowed by distressing pain. While in this situation a friend passing through Baltimore who had resided in your State and was familiar with its effects, advised the use of a bottle of Drs Dresbach, Kuhn & Pryor's Dyspeptic Cordial, the use of which, in a few days, gave great relief, and finally cured her.

SICK HEADACHE.

Sir—This distressing disease has for many years been a source of affliction to my wife, so severe at times, as to occasion her to take to her bed

Drs. Dresbach Kuhn & Pryor's Dyspeptic Cordial for Dyspepsia, Sick Headache, &c., had come so highly recommended by persons of my acquaintance, I got it; it has met her case fully at different times. A few weeks past one of her severe attacks came on while on a visit to a neighbour's; she hastened home and took a dose of the cordial, and sat very quiet for ten or fifteen minutes—then took a second dose and remained quiet some minutes again, when she was entirely relieved. She thinks that if she had not had this medicine at hand this attack would have sent her to bed. Such is her confidence in this cordial for her sick headache, that she has determined never to be without it in the house.

I have heard a friend of mine say who has tried it twice for severe cholic, that he was promptly relieved each time by this cordial.

CRAMP CHOLIC.

Frederick County, Md. Sept 1840

Mr. Hurstons—My wife, a few weeks ago, had a violent attack of cramp cholic She thought she would have died—I was alarmed. In the description given of your medicine, named Drs Dresbach, Kuhn & Pryor's Dyspeptic Cordial, I found it highly recommended for cholic, spasms or cramp in the stomach,—It justly sustained its character in my wife's case. The attack commenced about daylight. Fortunately the cordial was in the house—sitting on the side of the bed, she took a few swallows from the bottle, (would not wait for pouring out—walked across the room sat down in a chair, and in five minutes was perfectly relieved.

JACOB KESSLER.

Clarksburg, Monty. Co. Nov 30, 1840.

Mr. C Hurstons—At times for twelve months past, I have been subject to violent attacks of Cholic, so much so, that I have frequently had to go to bed for days together. Last spring I began to use Drs. Dresbach Kuhn and Pryor's Dyspeptic Cordial, to which I had been recommended by a friend; it almost gave me immediate relief from the distressing pains I endured—it is very prompt in affording relief—it has likewise been effectual in several cases, for which it is recommended, in my family, 2nd, believing it ought to be publicly known, I give this voucher of its merits.
