FROM WASHINGTON.—Gentlemen who have just returned from Washington state that rumors were very current there, and generally believed that Lord Ashburton would leave that city in a few days preparatory to his departure for England, the terms of the treaty which he was sent to this country to negotiate having been concluded to his satisfaction. It was also stated that Mr. Webster designed to resign his office as Secretary of State soon after the adjournment of Congress. Of course we do not know what credit is to be attached to these reports, but as the same rumors have reached us before from other sources, it is possible that there may be some truth in them.—American of Saturday.

HOUSE OF REPRESENTATIVES

ADJOURNMENT OF CONGRESS.

To-day being resolution day, and the State of Ohio being called upon for resolutions, Mr. Mason introduced a joint resolution, fixing Monday the 22d inst for the adjournment of the two Houses of Congress.—The previous question was moved, and the resolution was adopted without yeas and nays, or a division of the House. The Senate will probably concur.

The Committees which met in Chester Town on Tuesday last, called James F. Browne. Esq, to the Chair and appointed J. F. Gordon Secretary, and nominated Charles B. Tilden, Esq. as a candidate for Sheriff, and appointed the following Committee of Arrangements, to act till the appointment of another in the next year, viz: James P. The Delegates appointed by the District meetings and by the said Committees to attend the Whig State Convention, to assemble in Baltimore on Wednesday, the 24th August, are, William S. FORTRESS MONROE.—We understand, says the Alexandria Gazette, that nearly all the mechanics and laborers at work on Old Point Comfort, Va., and the Rip Raps, were discharged on Saturday last.

BILL WILEY.—The counsel of Wiley upon his conviction, last winter, of receiving the money stolen from the Frederick county Bank, knowing it to be stolen, took exception to various points of law as decided by the Court that tried Wiley. These exceptions have been passed upon by the Supreme Court, by which the decisions of the lower court have been affirmed. Wiley has consequently been remanded to receive his sentence, and is in prison in New York to await that event, which will take place in September next. In the infliction of punishment a wide range is allowed to the Court.—They can send him to the penitentiary or to the county prison, or fine him, or both fine and imprison him. The maximum of punishment, there is little doubt, will be inflicted upon him unless he discloses the names of his principals so that they may be brought to justice. Whether he will "*peach*" or not may be questionable, but justice is, in any event, sure of one victim.

TO CORRESPONDENTS.—'Philomathes,' has been received and shall appear in our next.

In this town on Thursday the 11th inst., Thomas Scott Dawson, in the 31st year of his age.

The friends of the family are respectfully invited to attend his funeral this morning (13th inst.) at 9 o'clock, from his late residence.

Alice was amiable and lovely in her temper and disposition, which endeared her to all who knew her, particularly to those who knew her best; her example during her sickness (which was a whooping cough, terminating in a consumption) was worthy the imitation of a christian of riper years, as she was never heard to murmur.

PROPOSALS

FOR PUBLISHING A CHEAP WEEKLY PAPER TO BE CALLED

THE BALTIMORE WHIG.

To be principally composed of the choicest and most valuable reading matter of the Baltimore Daily Whig.

The Subscribers, proprietors of the Baltimore Daily Whig, grateful for the extensive and liberal patronage which has been bestowed upon that paper—desirous to further, by every means in their power, the cause in which they are engaged—and willing to contribute as much as possible to the support of the great and devoted Statesman of the West as the candidate for the suffrages of the American People at the next presidential election—propose to publish, in connection with their daily, a weekly paper for the country.

In endeavoring to advance the interests of the Whig party, by the publication of a *cheap and efficient* paper, so centrally located as to communicate promptly with all parts of the union; devoted to the correction of existing abuses, and advocating the most proper measures for conducting the Government, that the purposes for which it was established—the promotion of the prosperity and happiness of the nation—may be accomplished; the Subscribers believe that their design will be generally approved of, and accorded by the public a liberal support.

The Subscribers do not belong to the class of non-committal politicians That equivocal position, denominated "on the fence," which gives to a man's professions of patriotism so dubious a character, they trust they may never be found so far astray from the path of honesty as to occupy. They are *thoroughly Whig*, and that there may be no misunderstanding with regard to their principles they deem it proper to state them here, briefly and distinctly:

They are for HENRY CLAY, as the candidate of the Whig party for President in 1844; for the PROTECTION OF DOMESTIC MANUFACTURES, and for a SOUND and UNIFORM CURRENCY.

The advantages which the Subscribers possess as publishers of a daily paper, will enable them to furnish the patrons of the weekly WHIG with as valuable and efficient a journal, at a very moderate price, as the country can produce. It will contain, in addition to the editorial and other original essays, a carefully compiled summary of all the important and interesting news of the day, the earliest foreign intelligence, a correct report of Congressional proceedings, interesting correspondences from various sections of the country, diligent note of the progress of the Whig cause, a true and careful statement of the markets, and a record of commercial intelligence—so that persons desiring a comprehensive business and political paper will find the weekly Baltimore Whig a useful and cheap one.

TERMS.

The weekly Baltimore Whig will be printed on good paper, imperial size, and sent by mail to any part of the country, at One Dollar per annum, invariably in advance. One object in making the paper so extremely cheap is the convenience of the subscription price for remittance by mail. Another object is, to place it within the reach of every Whig in the country.
