EASTON GAZETTE.

EASTON, MD.

Saturday Morning, May 27.

FOR PRESIDENT
HENRY CLAY,
OF KENTUCKY.

We learn that the Hessian fly has made its appearance during the last two weeks and already committed sad ravages in the Wheat fields.

William R. Hughlett, appointed collector of Taxes for this county in place of Morris O. Colston, who declined bonding has also declined.

What on earth is the meaning of the following paragraph in the *Ohio Statesman* of May 12? What offence has Mr. WICKLIFFE committed against the genius of Locofocoism that one of the favourite servants of that genius should thus coolly suggest his being removed from the office of Postmaster General to make room for a person whose name, whatever be his desert, we cannot take upon ourselves to say that we ever heard before?

From the Ohio Statesman, (Locofoco,) May 12

"CABINET CHANGES.—We take but little interest in the rumors from Washington about Cabinet changes; but as it is stated, we perceive, that William Neil, Esq of this city, is in all probability to be made Postmaster General, it may be of interest to some of our readers to learn the fact that such a rumor is afloat. If long connexion with mail contracts and an untiring energy of character is a recommendation, Mr. Neil, we presume, would be as well qualified, as any one else. He also has the consistency of having been a warm supporter of Mr. Tyler in 1840, and has adhered to him ever since, through evil and good report.—It is a little more honorable, also, in Mr. Tyler, to appoint those men to office who have always been his fast friends, than auctioneering out his favors to former opponents, in CONSIDERATION of suporting him on the ONE-TERM principle—as now openly and humiliatingly carried on—if not by the acting President directly, by those in his immediate employ. We therefore shall rejoice, for the honor of our country, when we see men appointed to office without having the appearance of bribery stamped upon its face. We therefore say to Mr. Tyler, 'stick to your friends.'"

The Washington correspondent of the Baltimore Patriot says:—

The President; Mr Upshur & Mr. Porter only, will visit the north, for the ostensible purpose of attending the Bunker Hill celebration. Mr. Spencer and Mr. Legaie will remain in Washington, to carry on the Government.

Mr. Robert Tyler, at present, does the honors of the White House—the rest of the family being absent.

The friends of Mr. Curtis and Mr. Ogden Hoffman have reason to be alarmed for the growing influence of Alderman Shafer and Mr. Hallet—who are pressed with increased earnestness, the one for the office District Attorney, and the other for that of Collector at New York.

MISSION TO CHINA.—We learn from the Army and Navy Chronicle, that the Hon Caleb Cushing Fletcher Webster, and John Tyler, Jr. Esqrs. will go out in the Brandywine, ordered to sail from Norfolk, for the East Indies, positively by the 20th instant, or will join her at Singapore.

Commodore Daniel Turner, appointed to the command of the squadron on the coast of Brazil, will take passage in the St. Louis which accompanies the Brandywine, both vessels being under the command of Commodore Parker.

It is reported that the steamer Missouri, now at the Washington Navy Yard, will join the East India Squadron.

The Baltimore Patriot of Saturday says: The Rich. Enquirer, of yesterday, contains a letter from Mr. Tyler, in relation to the recent scathing publication of Mr. Botts. It is confined to the idiotward affair, which Mr. Tyler contends does not make against him. In regard to other acts in Mr. Botts' address, and which fixed upon Mr. Tyler, in a manner that admitted of no doubt of their correctness, the guilt of political treachery without a parallel in the history of our government, Mr. Tyler very condescendingly says: "I shall hand over most probably to the editor of the "Madisonian" for publication, certain papers which may be calculated to throw some light upon the extraordinary statements founded upon the still more extraordinary memory of Mr. John Minor Botts."

From the Balt. Amer. of Tuesday.

NEW CHURCH.

The ceremony of laying the corner stone of a new Roman Catholic Church at the corner of Hollins and Poppleton streets, to be called St. Peter's Church, took place yesterday afternoon. A vast concourse of persons were in attendance. There were also present the Calvert, German, and St. Joseph's Beneficial societies, the St. Patrick's Temperance Beneficial Society, and the Young Catholics' Friend Society. The occasion was also marked by the presence of a number of the Right Reverend Bishops who are in attendance in this city as members of the Provincial Council.

The exercises were commenced with an appropriate address by the Right Rev. Bishop Kenrick, of St. Louis, which was delivered in a very impressive manner. After which the corner stone was laid by the Right Rev. Bishop Hughes, of New York assisted by the Right Rev. Bisho Whelan, of Virginia, the Right Rev. Bishop Kenrick of St. Louis, the Rev. Mr Shriber, the Rev. Dr. De'nol, the Rev Mr. McColgan, and the Rev. Mr Gildea

In a cavity in the corner stone, prepared for its reception, was placed in a tin box containing a list of the Officers & Theologians in attendance at the Fifth Provincial Council of Baltimore, and the following document:

The corner stone of St. Peter's Church was laid on the 22d day of May, A. D. 1843. John Tyler, President of the U. States; Solomon Hillen, Mayor of the city of Baltimore.

Building Committee—Charles Coyle James White, Dennis Sullivan, George Webb, Eneas McFaul, J. W. Barreccio, Francis Neale, John McColgan.

Contractors—For the brickwerk, Francis A. Gibbons; carpenter's work, Messrs. Leakin and McCloskey; granite work, Emery S Gault.

There was also an inscription in Latin on the slab placed over the box, a correct copy of which we were not able to obtain.

The interesting ceremonies were closed by a benediction pronounced by the Rt. Rev. Bishop Hughes.

A man calling himself George W Benjamin has been arrested in Lancaster Pennsylvania, for passing counterfeit notes. He belongs to Cecil County, Maryland.

THE STATE TAX.—The Upper Marlboro' Gazette corrects a statement erroneously made in reference to Calvert County. The editor says that the levy Court of Calvert County has made several appointments of Tax Collectors, but that, as yet, no one has consented to serve as collector.

We mentioned yesterday that the Commissioners of Carroll County, at their meeting in the early part of this week had declined appointing a Collector of the State and County Taxes under the law of the last session. The Westminster Carrollonian adds—

There are several applicants for the office—so that cannot be the reason why they declined complying with the law.—Neither Tax can be collected—that's certain, if we have no Collector. If the County Tax is not collected the County will have to suspend business, unless her Commissioners and other officers, will discharge their duties without any other compensation than the noble reflection that they had served their country when in prosperity, and will not desert her in adversity!!

THE NATIONAL GUARDS, 700 strong, and two other independent companies, of New York, will be present at the Bunker Hill Celebration on the 17th June.

Dr. Dresbach, Kuhan & Pryors'
DYSPEPTIC CORDIAL
For Dyspepsia, Sick Head Ache, Rheumatism &c. &c.,

THE PROPRIETOR of this preparation deems it proper to premise that nothing is farther from his purpose than to offer it to the public as an universal medicine, or cure all—it is adapted to a few diseases only, for which it is confidently recommended as one of the most agreeable as well as most certain remedies which have at any time claimed public attention!

It imparts a healthy tone to the stomach improves the appetite when impaired, and promotes digestion—it soothes and tranquilizes the nervous system. when excited or disturbed produces cheerfulness of spirits, with feelings of general comfort and satisfaction

In the following diseases it is recommended as a prompt and in most cases an effectual remedy

Dyspepsia, Sick or Nervous Headache, cholic, cramp or spasm in the stomach, cholera morbus, hysteries and nervous diseases generally, chronic dysentery, diarrhœa or purging sea sickness, cholera infantum, rheumatism, chronic liver complaints. Female irregularities of a chronic character, attended with cold feet, pain in the back, limbs &c. It is also particularly recommended to those who are suffering under debility, languor, depression of spirits, with irregular or defective appetite, restlessness at night, with unsound or disturbed sleep—In these cases this cordial will be found an admirable remedy! Its soothing and renovating powers being peculiary adapted to such cases. As a preventative of Ague and Fever it is useful, and those who reside in neighborhoods were this disease prevails, would do well to take it once or twice a day during the sickly seasons.

TESTIMONIALS:

Westminster, Carroll Co Md. Aug. 12, 1842

Mr. C. Hearston; dear sir—Having made use of several bottles of Dresbach, Kuhn an Pryor's Cordial of which you are proprietor, I feel a desire to inform you of its beneficial results. The first use made of it in my family was by myself, for pain in the breast—the next was for Cholic, being violently attacked, the next was a case of Cholic in a colored man in my imploy; the next was a case of a child a few weeks old which was much afflicted with cholic and consequently very restless; the next case was pain in the bowels and stomach of the colored man spoken of above, in which case he was unable to work. It is with pleasure I inform you that in all the above cases it effected a speedy cure—in some of the cases a single dose had the desired effect. After commencing the use of the Cordial with the child it soon became very fleshy and has continued to grow rapidly ever since—is now past one year old and whenever attacked by the cholic (which has not been for some time,) has invariably found relief from a dose of the Cordial. From the use made of it in my family my wife is quite unwilling to be without a bottle of it in the house at any time.

Yours respectfully, JOHN M'COLLUM.

Leesburg, Va. July 10, 1841.

Mr. C. Hearstons, dear sir—Having been called on by one of your agents. (Jas. S Hamilton) and believing it to be my duty, I give you a certificate approving of your Dyspeptic Cordial—I do say that I have used it in my family with success, and believe the cordial should be recommended to all Dyspeptic individuals! I have a young woman in my family who suffered much for some time with Dyspepsia, by using 2 or 3 bottles of your cordial, she was fully cured! Given under my hand this 10th day of July 1841. PETER COST.

Frederick County, Md. Sept. 14, 1840.

Mr. C Herstons: Your medicine named Dr. Dresbach Kuhn and Pryor's Dyspeptic Cordial, has cured me of Dyspepsia. I had this disease twelve years. Various medicines as well as medical assistance had been tried, but all failed. Your cordial as mentioned above has completed a cure. For several months past I have been entirely free from this Dyspeptic disease.

JOHN MONTGOMERY Jr.

From the Rev. T. H. W. Monroe,
Liberty town, Frederick Co. Md'
May 9, 1840.

Dear Sir—Circumstances have prevented me from writing to you until the present. I now state to you that I have used Drs Dresbach, Kuhan and Pryor's Dyspeptic Cordial with considerable advantage. For some years past I have been afflicted with what I regard as Dyspepsia, in its insipent stages, to obtain relief from wich I tried various remedies in vain. I was induced by the recommendation of the before named cordial, and from the use of it, have been, as I trust, entirely relieved.

Yours respectfully.
THOMAS H. W. MONROE.

Mr. C. Herstons—I willingly comply with your request to furnish a statement of the case in which your Dyspeptic Cordial was used with so much advantage. It is briefly this: My niece Mrs. Wallace, had been suffering for several months under a train of symptoms such as naturally denote the worst form of Dyspepsia, viz: defective appetite, impaired digestion, languor debility, &c. These symptoms were at length followed by great depression of spirits, sleeplessness and nervous agitation, while every article was swallowed by distressing pain. While in this situation a friend passing through Baltimore, who had resided in your State and was familiar with its effects, advised the use of Drs. Dresbach, Kuhn and Pryor's Dyspeptic Cordial, the use of which, in a few days, gave great relief, and finally cured her. PHILAMON TOWSON.

SICK HEADACHE.

Sir.—This distressing disease has for many years been a source of affliction to my wife, so severe at times as to occasion her to take to her bed.

Drs. Dresbech, Kuhn and Pryor's Dyspeptic Cordial, for dyspepsia, Sick Headache, &c. had come so highly recommended by persons of my acquaintance, I got it; it has met her case fully at different times. A few weeks past one of her severe attacks came on while on a visit to a neighbor's; she hastened home & took a dose of the cordial, sat very quiet for ten or fifteen minutes—then took a second dose and remained quiet some minutes again, when she was entirely relieved. She thinks that if she had not had this medicine at hand, this attack would have sent her to bed. Such is her confidence in this cordial for her sick headache, that she has determined never to be without it in the house.

I have heard a friend of mine say who has tried it twice for severe cholic, that he was promptly relieved each time by this cordial.

THOS BARTHOLOW.

To Mr. Herston.

CRAMP CHOLIC

Frederick County, Md. Sept. 1840.

Mr. Herston—My wife, a few weeks ago had a violent attack of cramp cholic. She thought she would have died—I was alarmed. In the discription given of your medicine, named Drs Dresbach, Kuhn and Pryor's Dyspeptic Cordial, I found it highly recommended for cholic, spasms, or cramp in the stomach. It justly sustained its character in my wife's case. The attack commenced about daylight. Fortunately the cordial was in the house—sitting on the side of the bed, she took a few swallows from the bottle, (would not wait for pouring out—walked across the room, sat down in a chair, and in five minutes was perfectly relieved. JACOB KESSLER.

N B It is highly recommended for Bowel Complaint.
