Dr. Dresbach, Kuhan & Pryor's

DYSPEPTIC CORDIAL.

For Dyspepsia, Sick Head Ache, Rheumatism &c. &c.,

THE PROPRIETOR of this preparation deems it proper to premise that nothing is farther from his purpose than to offer it to the public as an universal medicine, or cure all—It is adapted to a few diseases only, for which it is confidently recommended as one of the most agreeable as well as most certain remedies which have at any time claimed public attention!

It imparts a healthy tone to the stomach, improves the appetite when impaired, and promotes digestion—it soothes and tranquilizes the nervous system, when excited or disturbed produces cheerfulness of spirits, with feelings of general comfort and satisfaction.

In the following diseases it is recommended as a prompt and in most cases an effectual remedy

Dyspepsia, Sick or Nervous Headache, cholic, cramp or spasm in the stomach, cholera morbus, hysterics and nervous diseases generally, chronic dysentery, diarrhœa or purging, sea sickness, cholera infantum, rheumatism, chronic liver complaints. Female irregularities of a chronic character, attended with cold feet, pain in the back, limbs &c. It is also particularly recommended to those who are suffering under debility, langour, depression of spirits, with irregular or defective appetite, restlessness at night, with no sound or disturbed sleep—In these cases this cordial will be found an admirable remedy! Its soothing and renovating powers being peculiarly adapted to such cases. As a preventative of Ague and Fever it is useful, and those who reside in neighborhoods were this disease prevails, would do well to take it once or twice a day during the sickly seasons.

TESTIMONIALS:

Westminster, Carroll Co. Md. Aug. 12, 1842

Mr. C. Herstons dear sir—Having made use of several bottles of Dresbach, Kuhn and Pryor's Cordial of which you are proprietor, I feel a desire to inform you of its beneficial results. The first use made of it in my family was by myself, for pain in the breast—the next was for Cholic, being violently attacked the next was a case of Cholic in a colored man in my employ; the next was a case of a child a few weeks old which was much afflicted with Cholic and consequently very restless; the next case was pain in the bowels and stomach of the colored man spoken of above, in which case he was unable to work. It is with pleasure I inform you that in all the above cases it effected a speedy cure—in some of the cases a single dose had the desired effect. After commencing the use of the Cordial with the child it soon became very fleshy and has continued to grow rapidly ever since—is now past one year old and was never attacked by the cholic (which has not been for some time) has invariably found relief from a dose of the Cordial. From the use made of it in my family my wife is quite unwilling to be without a bottle of it in the house at any time.

Yours respectfully, JOHN M'COLLUM

Leesburg, Va. July 19, 1841

Mr. C. Herstons, dear sir—Having been called on by one of your agents, (Jas. C. Hanthon) and believing it to be my duty, I give you a certificate approving of your Dyspeptic Cordial—I do say that I have used it in my family with success, and believe the cordial should be recommended to all Dyspeptic individuals! I have a young woman in my family who suffered much for some time with Dyspepsia, by using 2 or 3 bottles of your cordial she was fully cured! Given under my hand this 10th day of July 1841. FEVER COST.

Frederick County, Md. Sept. 14, 1840

Mr. C. Herstons: Your medicine named Drs. Dresbach Kuhn and Pryor's Dyspeptic Cordial, has cured me of Dyspepsia. I had this disease twelve years. Various medicines as well as medical assistance had been tried, but all failed. Your cordial as mentioned above has completed a cure. For several months past I have been entirely free from this Dyspeptic disease.

JOHN MONTGOMERY Jr.

From the Rev. T. H. W. Monroe,

Liberty town, Frederick Co Md
May 9, 1840.

Dear Sir—Circumstances have prevented me from writing to you until the present I now state to you that I have used Drs Dresbach, Kuhan and Pryor's Dyspeptic Cordial with considerable advantage. For some years past I have been afflicted with what I regard as Dyspepsia, in its insipient stages, to obtain relief from which I tried various remedies in vain. I was induced by the recommendation of the before named cordial, and from the use of it, have been, as I trust, entirely relieved.

Yours respectfully.

THOMAS H. W. MONROE.

Mr. C. Herstons—I willingly comply with your request to furnish a statement of the case in which your Dyspeptic Cordial was used with so much advantage. It is briefly this: My niece Mrs. Wallace, had been suffering for several months under a train of symptoms such as naturally denote the worst form of Dyspepsia, viz: defective appetite, impaired digestion, langour, debility, &c. These symptoms were at length followed by great depression of spirits, sleeplessness and nervous agitation, while every article was swallowed by distressing pain. While in this situation a friend passing through Baltimore, who had resided in your State and was familiar with its effects, advised the use of Drs. Dresbach, Kuhn and Pryor's Dyspeptic Cordial, the use of which, in a few days, gave great relief and finally cured her PHILAMON LOWSON.

SICK HEADACHE.

Sir—This distressing disease has for many years been a source of affliction to my wife, so severe at times as to occasion her to take to her bed.

Drs. Dresbech, Kuhn and Pryor's Dyspeptic Cordial, for dyspepsia, Sick Headache, &c., had come so highly recommended by persons of my acquaintance, I got it; it has met her case fully at different times. A few weeks past one of her severe attacks came on while on a visit to a neighbor's; she hastened home & took a dose of the cordial, sat very quiet for ten or fifteen minutes—then took a second dose and remained quiet some minutes again, when she was entirely relieved. She thinks that if she had not had this medicine at hand, this attack would have sent her to bed. Such is her confidence in this cordial for her sick headache, that she has determined never to be without it in the house

I have heard a friend of mine say who has tried it twice for severe cholic, that he was promptly relieved each time by this cordial.

CRAMP CHOLIC.

Frederick County, Md Sept. 1840.

Mr. Herston—My wife, a few weeks ago, had a violent attack of cramp cholic. She thought she would have died—I was alarmed. In the discription given of your medicine, named Drs. Dresbach, Kuhn and Pryor's Dyspeptic Cordial, I found it highly recommended for cholic spasms, or cramp, in the stomach. It justly sustained its character in my wife's case. The attack commenced about daylight. Fortunately the cordial was in the house—sitting on the side of the bed, she took a few swallows from the bottle, (would not wait for pouring out—walked across the room, sat down in a chair, and in five minutes was perfectly relieved. ANOTHER EVIDENCE OF THE WONDERFUL CURES PERFORMED BY DR SHEVENES COMPOUND SYRUP OF WILD CHERRY.

Dr. Swayne—Dear Sir—When I was in Pittsburg last August, I purchased of your Agent Six Bottles of your Compound Syrup of Wild Cherry. I had for many years been troubled with a Cough often very violent with other indications of Consumption, or disease of the Lungs, of a very serious nature. I had very little faith in medicine, as it was thought my disease was hopeless and beyond its reach.—I had applied to several Physicians for relief, and also used some highly puffed medicines which I had seen in the newspapers, but hearing that you had much experience in the practice of medicine, and had treated many cases of Consumption, I concluded to try yours, and from that time I am happy to say, I found relief.—I write this in hopes you will publish it, so that if any human being has suffered as I have done, they may know where to find a medicine the virtues of which may be relied on.

Yours respectfully,
