ANOTHER EVIDENCE OF THE WONDERFUL CURES PERFORMED BY DR. SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

Dr. Swayne:—Dear Sir:—When I was at Pittsburg last August, I purchased of your Agent Six Bottles of your Compound Syrup of Wild Cherry. I had for many years been troubled with a Cough often very violent, with other indications of Consumption, or disease of the Lungs, of a very serious nature. I had very little faith in medicine, as it was thought my disease was hopeless and beyond its reach.—I had applied to several Physicians for relief, and also used some highly puffed medicines which I had seen in the newspapers, but hearing that you had much experience in the practice of medicine, and had treated many cases of Consumption, I concluded to try yours; and from that time I am happy to say, I found relief.—I write this in hopes you will publish it, so that if any human being has suffered as I have done, they may know where to find a medicine the virtues of which may be relied on.

Yours respectfully,

JAMES OSBURN.

JUDKIN'S PATENT SPECIFIC OINTMENT.

☞ The above Ointment is offered to the public as a safe and certain remedy for those obstinate diseases, some of which have so long baffled the skill of medical science:

1st. White swellings of every description.

2d. Sore legs, and ulcers of long standing.

3d. Schirrus, or glandular tumours, particularly those hardened tumours in women's breast, which oftentimes, terminate in ulcerated cancers.

4th Felons, or what some people know by the name of Catarrhs, of every description.

5th. Rheumatic pains in the joints.

6th Sprains and bruises of every description, or in whatever part situate.

7th Tetters of all kinds. In this complaint the patient, in applying the ointment, must keep the part out of water.

8th. Chilblains, or parts effected by frost.

TO THE PUBLIC.

The following communication, addressed to the proprietor of Judkin's Ointment, from the Hon. John Taliaferro, member of Congress is highly interesting. The greatuitous manner in which it is made, exhibits feelings of no ordinary character towards suffering humanity; and is certainly well deserving of public attention.

WASHINGTON, Jan. 22, 1839.

Sir—It has been my wish for a considerable time, to communicate to you the good effect with which I have used the Ointment invented by a Mr. Judkins and which I now understand is made and sold by agents appointed by yourself. I have applied this ointment during the last three years, to every species of tumour and wound, without failure to produce a cure in every instance. I consider it the most decided and efficient remedy in all cases of tumour, be the cause what it may, and I have found nothing so good for wounds of any description. It may be proper to add that the cure of a tumour called the white swelling, given over by the most distinguished physicians as incurable, and which they have decided would, without amputation, prove fatal to the patient, was, under my immediate notice effected by the use of Judkin's Ointment and the patient is in fine health; his limb attested by the tumour being restored to a perfect state of soundness. Also, that the leg of an aged man which had been wounded, and exhibited one dreadfully ulcerated surface from the knee to the foot, and which for more than two years had been considered incurable, was effectually cured by the application of Judkins' Ointment. I men ion these two cases, which fell under my immediate notice and management, as a decided evidence of the efficacy of this remedy in cases of tumour and of ulcers—I have experienced as decidedly the good effect of this remedy in the cure of felons, and of every species of fresh wound. It seems to me that any one who will observe on the operation of this ointment, must, be satisfied as to its beneficial effect. I can with the utmost confidence recommend the use of this valuable remedy.

I am, Sir, very respectfully,

JOHN TALIAFERO.

To Mr. Charles Herstons, Proprietor of Judkins' Ointment, near Fredericktown, Md.

☞PILES.☜

Before leaving Boonsboro, I had heard much of an article in which you appear before the public as proprietor, named Herstons' Judkins Specific Ointment, made by C. Herstons near Frederick, Md. and of its decided efficacy in cures on persons with whom I am well acquainted, since my residence in Baltimore it has performed a cure on a friend of mine afflicted with piles. Having myself been a sufferer for some years with this distressing disease, I now unhesitatingly applied your Ointment in my own case, and am gratified that I can say it made a perfect cure

J A BENTZ.

Counting Room, Lombard street.

A few weeks ago a case of woman's sore breast came under my notice, the breast greatly inflamed, the nipple scarcely to be seen—her appearance clearly spoke the great misery she was in; she told me she had been suffering three months with it, and was confined to her bed; she then had flaxseed poultice to it; other things had been tried. I advised Judkin's Ointment knowing it had often been successful in like cases. She got and applied it according to the directions accompanying it; in 24 hours all pain was gone; it broke and commenced discharging copiously and so continued some days; the relief from extreme pain to perfect ease excited the woman's astonishment; a few days reduced her breast to its usual state, & in eight days the cure was complete.

BEWARE OF IMPOSITION.

Messrs. L. & R. T. Lowndes, merchants, Cumberland.

Gentlemen.—I was afflicted with a sore leg—the fame of Judkins Ointment induced me to get a jug of it—but it happened not to be of Mr Herston's make. I used it according to directions, but my leg kept getting worse.

Mr. Herstons, travelling to the west stopped at my house; during the time, on looking at the ointment I had, he immediately pronounced it not of his make, and furnished me with one which was. On opening and smelling it I was sensible of the difference, although it looked like it. I then applied the ointment he gave me to my leg; it became in a state of amendment on using the first plaster and so continued until it got quite well.

This ointment is certainly very valuable, and it would be a pity it should be lost to the public by a counterfeit article bearing the name and being not genuine.

WILLIAM K. NEWMAN.

I have known Mr. C. Herstons to be the proprietor of Judkin's Ointment for several years during my residence in Maryland, and the Ointment made by him to have been in much repute. It has been frequently used in my own family while living in Maryland, & during my residence in this city with success.
