POETRY.

LIFE'S SUNNY SPOTS.

BY W LEGGETT.

Through life's dark and thorny path,
Its goal the silent tomb,
It yet some spots of sunshine hath,
That smile amidst the gloom.
The friend who weal and wo partakes,
Unchanged whate'er his lot,
Who kindly soothes the heart that aches,
Is sure a sunny spot.

The wife who half our burden bears,
And utters not a moan;
Whose ready hand wipes off our tears,
Unheeded all her own;
Who treasures every kindly word,
Each harsher one forgot,
And carols blithely as a bird—
She's too a sunny spot.

The child who lifts at morn and eve,
In prayer its tiny voice;
Who grieves whenever its parents grieve
And joys when they rejoice;
In whose bright eye young genius glows,
Whose heart without a blot,
Is fresh and pure as summer's rose—
That child's a sunny spot.

There's yet upon life's weary road,
One spot of brighter glow,
Where sorrow half forgets its load,
And tears no longer flow;
Friendship may wither, love decline,
Our child dishonor blot,
But still undimmed that spot will shine—
Religion lights that spot.

JUDKIN'S PAETNT SPECIFIC OINTMENT.

☞The above Ointment is offered to the public as a safe and certain remedy for those obstinate diseases, some of which have so long baffled the skill of medical science:

1st. White swellings of every description.
2d. Sore legs, and ulcers of long standing.
3d. Schirrus, or glandular tumours, particularly those hardened tumours in women's breast, which oftentimes, terminate in ulcerated cancers.
4th. Felons, or what some people know by the name of Catarrhs, of every description.
5th. Rheumatic pains in the joints.
6th. Sprains and bruises of every description, or in whatever part situate.
7th Tetters of all kinds. In this complaint the patient, in applying the ointment, mus keep the part out of water.
8th. Chilblains, or parts effected by frost.

TO THE PUBLIC.

The following communication, addressed to the proprietor of Judkin's Ointment, from the Hon. John Talliaferro, member of Congress, is highly interesting. The greatuitous manner in which it is made, exhibits feelings of no ordinary character towards suffering humanity; and is certainly well deserving of public attention.

WASHINGTON, Jan. 22, 1839

Sir.—It has been my wish for a considerable time, to communicate to you the good effect with which I have used the Ointment invented by a Mr. Judkins, and which I now understand is made and sold by agents appointed by yourself. I have applied this ointment during the last three years, to every species of tumour and wound, without failure to produce a cure in every instance. I consider it the most decided and efficient remedy in all cases of tumour, be the cause what it may, and I have found nothing so good for wounds of any description It may be proper to add that the cure of a tumour called the white swelling, given over by the most distinguished physicians as incurrable, and which they have decided would, without amputation, prove fatal to the patient, was, under my immediate notice, effected by the use of Judkin's Ointment and the patient is in fine health; his limb affected by the tumour being restored to a perfect state of soundness. Also, that the leg of an aged man which had been wounded, and exhibited one dreadfully ulcerated surface from the knee to the foot, and which for more than two years had been considered incurable, was effectually cured by the application of Judkins' Ointment. I mention these two cases, which fell under my immediate notice and management, as a decided evidence of the efficacy of this remedy in cases of tumour and of ulcers—I have experienced as decidedly the good effect of this remedy in the cure of felons, and of every species of fresh wound. It seems to me that any one who will observe on the operation of this ointment, must, be satisfied as to its beneficial effect. I can with the utmost confidence recommend the use of this valuable emedy

I am, Sir, very respectfully,
JOHN TALIAFERO.

To Mr. Charles Herstons, Proprietor of Judkins' Ointment, near Fredericktown, Md

☞PILES.☜

Before leaving Boonsboro, I had heard much of an article in which you appear before the public as proprietor, named Herstons' Judkins Specific Ointment, made by C. Herstons near Frederick, Md. and of its decided efficacy in cures on persons with whom I am well acquainted, since my residence in Baltimore it has performed a cure on a friend of mine afflicted with piles. Having myself been a sufferer for some years with this distressing disease, I now unhesitatingly applied your Ointment in my own case, and am gratified that I can say it made a perfect cure

J. A BENTZ.

Counting Room, Lombard street

A few weeks ago a case of woman's sore breast came under my notice, the breast greatly inflamed, the nipple scarcely to be seen—her appearance clearly spoke the great misery she was in; she told me she had been suffering three months with it, and was confined to her bed; she then had flaxseed poultice to it; other things had been tried. I advised Judkin's Ointment knowing it had often been successful in like cases. She got and applied it according to the directions accompanying it; in 24 hours all pain was gone; it broke and commenced discharging copiously and so continued some days; the relief from extreme pain to perfect ease excited the woman's astonishment; a few days reduced her breast to its usual state, & in eight days the cure was complete.

BEWARE OF IMPOSITION.

Messrs. L. & R. T. Lowndes, merchants-Cumberland.

Gentlemen,—I was afflicted with a sore leg—the fame of Judkins Ointment induced me to get a jug of it—but it happened not to be of Mr Herston's make. I used it according to directions, but my leg kept getting worse.

Mr. Herstons, travelling to the west stopped at my house; during the time, on looking at the ointment I had, he immediately pronounced it not of his make, and furnished me with one which was. On opening and smelling it I was sensible of the difference, although it looked like it. I then applied the ointment he gave me to my leg; it became in a state of amendment on using the first plaster and so continued until it got quite well.

This ointment is certainly very valuable, and it would be a pity it should be lost to the public by a counterfeit article bearing the name and being not genuine.

ANOTHER EVIDENCE OF THE WONDERFUL CURES PERFORMED BY DR SWAYNE'S COMPOUND SYRUP OF WILD CHERRY.

Dr. Swayne:—Dear Sir:—When I was at Pittsburg last August, I purchased of your Agent Six Bottles of your Compound Syrup of Wild Cherry. I had for many years been troubled with a Cough, often very violent, with other indications of Consumption, or disease of the Lungs, of a very serious nature. I had very little faith in medicine, as it was thought my disease was hopeless and beyond its reach.—I had applied to several Physicians for relief, and also used some highly puffed medicines which I had seen in the newspapers, but hearing that you had much experience in the practice of medicine, and had treated many cases of Consumption, I concluded to try yours; and from that time I am happy to say, I found relief.—I write this in hopes you will publish it, so that if any human being has suffered as I have done, they may know where to find a medicine the virtues of which may be relied on.

Yours respectfully,

Dr. Dresbach, Kuhan & Pryor's
DYSPEPTIC CORDIAL
For Dyspepsia, Sick Head Ache, Rheumatism &c. &c.,

THE PROPRIETOR of this preparation deems it proper to premise that nothing is farther from his purpose than to offer it to the public as an universal medicine, or cure all—It is adapted to a few diseases only, for which it is confidently recommended as one of the most agreeable as well as most certain remedies which have at any time claimed public attention!

It imparts a healthy tone to the stomach, improves the appetite when impaired, and promotes digestion—it soothes and tranquilizes the nervous system, when excited or disturbed produces cheerfulness of spirits, with feeling of general comfort and satisfaction.

In the following diseases it is recommended as a prompt and in most cases an effectual remedy

Dyspepsia, Sick or Nervous Headache, cholic, cramp or spasm in the stomach, cholera morbus, hysterics and nervous diseases generally; chronic dysentery, diarrhœa or purging, sea sickness, cholera infantum, rheumatism, chronic liver complaints. Female irregularities of a chronic character, attended who is feet. pain in the back, limbs &c. It is also particularly recommended to those who are suffering under debility, languor, depression of spirits, with irregular or defective appetite, restlessness at night, with unsound or disturbed sleep—In these cases this cordial will be found an admirable remedy! Its soothing and renovating powers being peculiary adapted to such cases. As a preventative of Ague and Fever it is useful, and those who reside in neighborhoods were this disease prevails, would do well to take it once or twice a day during the sickly seasons.

TESTIMONIALS;

Westminster, Carroll Co. Md. Aug. 12, 1842

Mr. C. Hearston; dear sir—Having made use of several bottles of Dresbach, Kuhn and Pryor's Cordia of which you are proprietor, I feel a desire to inform you of its beneficial results. The first use made of it in my family was by myself, for pain in the breast—the next was for Cholic, being violently attacked; the next was a case of Cholic in a colored man in my imploy; the next was a case of a child a few weeks old which was much afflicted with cholic and consequently very restless; the next case was pain in the bowels and stomach of the colored man spoken of above, in which case he was unable to work. It is with pleasure I inform you that in all the above cases it effected a speedy cure—in some of the cases a single dose had the desired effect. After commencing the use of the Cordial with the child it soon became very fleshy and has continued to grow rapidly ever since—is now past one year old and whenever attacked by the cholic (which has not been for some time,) has invariably found relief from a dose of the Cordial. From the use made of it in my family my wife is quite unwilling to be without a bottle of it in the house at any time.

Yours respectfully, JOHN M'COLLUM.

Leesburg, Va. July 10, 1841.

Mr. C. Hearstons, dear sir—Having been called on by one of your agents, (Jas. S. Hamilton) and believing it to be my duty, I give you a certificate approving of your Dyspeptic Cordial—I do say that I have used it in my family with success, and believe the cordial should be recommended to all Dyspeptic individuals! I have a young woman in my family who suffered much for some time with Dyspepsia, by using 2 or 3 bottles of your cordial, she was fully cured! Given under my hand this 10th day of July 1841. PETER COST.

Frederick County, Md. Sept 14, 1840

Mr. C erstons: Your medicine named Drs. Dresbach Kuhn and Pryor's Dyspeptic Cordial, has cured me of Dyspepsia. I had this disease twelve years. Various medicines as well as medical assistance had been tried but all failed. Your cordial as mentioned above has completed a cure. For several months past I have been entirely free from this Dyspeptic disease.

JOHN MONTGOMERY Jr

From the Rev T. H. W. Monroe,
Liberty town, Frederick Co. Md'
May 9, 1840.

Dear Sir—Circumstances have prevented me from writing to you until the present. I now state to you that I have used Drs Dresbach, Kuhan and Pryor's Dyspeptic Cordial with considerable advantage. For some years past I have been afflicted with what I regard as Dyspepsia, in its insipent stages, to obtain relief from wich I tried various remedies in vain. I was induced by the recommendation of the before named cordial, and from the use of it, have been, as I trust, entirely relieved.

Yours respectfully.
THOMAS H. W. MONROE.

Mr. C. Herstons—I willingly comply with your request to furnish a statement of the case in which your Dyspeptic Cordial was used with so much advantage. It is briefly thus. My niece Mrs. Wallace, had been suffering for several months under a train of symptoms such as naturally denote the worst form of Dyspepsia, viz: defective appetite, impaired digestion, languor, debility, &c. These symptoms were at length followed by great depression of spirits, sleeplessness and nervous agitation, while every article was swallowed by distressing pain. While in this situation a friend passing through Baltimore, who had resided in your State and was familiar with its effects, advised the use of Drs. Dresbach Kuhn and Pryor's Dyspeptic Cordial, the use of which, in a few days, gave great relief, and finally cured her. PHILAMON TOWSON.

SICK HEADACHE

Sir—This distressing disease has for many years been a source of affliction to my wife, so severe at times as to occasion her to take to her bed.

Drs. Dresbech, Kuhn and Pryor's Dyspeptic Cordial, for dyspepsia, Sick Headache, &c., had come so highly recommended by persons of my acquaintance, I got it; it has met her case fully at different times. A few weeks past one of her severe attacks came on while on a visit to a neighbor's; she hastened home & took a dose of the cordial, sat very quiet for ten or fifteen minutes—then took a second dose and remained quiet some minutes again, when she was entirely relieved. She thinks that if she had not had this medicine at hand, this attack would have sent her to bed. Such is her confidence in this cordial for her sick headache, that she has determined never to be without it in the house.

I have heard a friend of mine say who has tried it twice for severe cholic, that he was promptly relieved each time by this cordial.

CRAMP CHOLIC.

Frederick County, Md. Sept. 1840.

Mr. Herston—My wife, a few weeks ago, had a violent attack of cramp cholic. She thought she would have died—I was alarmed. In the discription given of your medicine, named Drs. Dresbach, Kuhn and Pryor's Dyspeptic Cordial, I found it highly recommended for cholic, spasms, or cramp, in the stomach It justly sustained its character in my wife's case. he attack commenced about daylight Fortunately the cordial was in the house—sitting on the side of the bed, she took a few swallows from the bottle, (would not wait for pouring out—walked across the room, sat down in a chair, and in five minutes was perfectly relieved.
