FARMERS'

FOUNDRY.

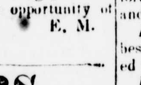

THE SUBSCRIBERS grateful for the patronage heretofore received, begs leave respectfully to inform their friends and the public generally, that they now have on hand & are daily manufacturing the most approved

WHEAT MACHINES,

ever offered to the public on this Shore. Their superiority over other machines consists in *simplicity* and *strength*, which enable us to *warrant* them with perfect safety. Notwithstanding there are numerous Machines used in this county, it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of,

PLOUGHS,

Plough Castings,—
Mill Castings, &c. &c.

Their assortment of Ploughs embraces a great variety, viz:

WINAN's Self Sharpner	BEACH Improved ...
DAVIS.....	BERNARD .....
SINCLAIR & MOOR	WILLEY.....
CHENOWITH	PATENT CYCLOIDAL
BEACH	Plough &c .....

The merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloidal have been recently introduced by us on this Shore, as a valuable acquisition to the Farmer. The Patent Cycloidal, in 1842 took the first premium at the agricultural Exhibition, near Govanstown, Baltimore county, Md. over numerous competitors, composing some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

CASTINGS
AND
WROUGHT WORK

of every description at the shortest notice, and at City prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.

HUSSEY & HOPKINS.

N. B.—Persons having machines to repair will please bring them in as early in the spring as possible, so as to give full time to do the work in proper manner. H. & H.

Campbell's Foreign.
SEMI-MONTHLY MAGAZINE, OR
Select Miscellany of European Literature and Art.

THIS PERIODICAL has already acquired the enviable reputation of being the most complete and spirited Magazine of the kind ever published in the country. The frequency of its publication enables the publisher to furnish the cream of the Foreign Magazines in advance of all competition. As for instance, the number published on the 1st of each month is composed principally of articles selected from the Foreign Reviews and magazines of the preceeding month, and that issued on the 16th of the month can be entirely so made, thus placing the readers of the Semi-Monthly in possession of the choicest articles of the Foreign Press several weeks in advance of a monthly competitor.

IN THE LITERARY DEPARTMENT

Whilst the Magazine cannot pretend to originality in the frothy trash of the day, it is the aim of the publisher to furnish to its readers the best articles from the first minds in Europe in the several departments of Criticism, History, Biography, Voyages, Travels, &c. &c., and from the pens of such men as Brougham, Macaulay, Carlyle, Sterling, Lander, Wilson, Lockhart, Hood

To add to its attractions each number will be embellished with one of

SARTAIN'S *Splendid Mezzotint Engravings*, done in the very best style of that finished Artist, thus affording every year

TWENTY FOUR

of those beautiful Engravings, whilst other Magazines are trumpeting to the world their three or four by the same Artist as a chief inducement for subscribers.

THE VERY LOW PRICE

at which the Magazine is afforded can be best appreciated when it is remembered, that

THREE SPLENDID VOLUMES

containing each nearly six hundred Imperial Octavo pages, executed in the most finished Typographical style of any Magazine in the Country, the Text embellished with numerous illustrations, and each volume ornamented with

EIGHT OF SARTAIN'S UNEQUALLED ENGRAVINGS

are given every year, furnishing for Five Dollars an amount of Reading matter (exclusive of the engravings, worth of themselves alone more than the cost of the work) which cannot be procured from the original source for less than

THREE HUNDRED DOLLARS.

Included in the Engravings will be found Portraits of the most distinguished men in the World of Letters, Science and Art, thus furnishing a

PORTRAIT GALLERY

order of excellence, done in the most finished style of art, and worthy of preservation in any library.

TO POST-MASTERS & OTHERS

The acknowledged merit and rapidly growing popularity of Campbell's Magazine considered, the Publisher believes that from the following liberal terms thousands will be induced to subscribe.

To CLUBS the following proposals are made: Five Copies for $20; Eight for $30. Single Copies Five dollars a year in advance. Single numbers 25 cents.

Editors inserting this advertisement and sending a copy of the paper containing it to this office, will be entitled to a copy of the work for one year.

Dr. Dresbach, Kuhan & Pryor's
DYSPEPTIC CORDIAL
For Dyspepsia, Sick Head Ache, Rheumatism &c. &c.,

THE PROPRIETOR of this preparation deems it proper to premise that nothing is farther from his purpose than to offer it to the public as an universal medicine, or cure all—It is adapted to a few diseases only, for which it is confidently recommended as one of the most agreeable as well as most certain remedies which have at any time claimed public attention!

It imparts a healthy tone to the stomach, improves the appetite when impaired, and promotes digestion—it soothes and tranquilizes the nervous system, when excited or disturbed produces cheerfulness of spirits, with feelings of general comfort and satisfaction.

In the following diseases it is recommended as a prompt and in most cases an effectual remedy

Dyspepsia, Sick or Nervous Headache, chollic, cramp or spasm in the stomach, cholera morbus, hysteries and nervous diseases generally, chronic dysentery, diarrhœa or purging, sea sickness, cholera infantum, rheumatism, chronic liver complaints. Female irregularities of a chronic character, attended who is feet, pain in the back, limbs &c. It is also particularly recommended to those who are suffering under debility, languor, depression of spirits, with irregular or defective appetite, restlessness at night, with unsound or disturbed sleep—In these cases this cordial will be found an admirable remedy! Its soothing and renovating powers being peculiary adapted to such cases. As a preventative of Ague and Fever it is useful, and those who reside in neighborhoods were this disease prevails, would do well to take it once or twice a day during the sickly seasons.

TESTIMONIALS;

Westminster, Carroll Co. Md. Aug. 12, 1842

Mr. C. Hearston; dear sir—Having made use of several bottles of Dresbach, Kuhn and Pryor's Cordial of which you are proprietor, I feel a desire to inform you of its beneficial results. The first use made of it in my family was by myself, for pain in the breast—the next was for Cholic, being violently attacked; the next was a case of Cholic in a colored man in my employ; the next was a case of a child a few weeks old which was much afflicted with cholic and consequently very restless; the next case was pain in the bowels and stomach of the colored man spoken of above, in which case he was unable to work. It is with pleasure I inform you that in all the above cases it effected a speedy cure—in some of the cases a single dose had the desired effect. After commencing the use of the Cordial with the child it soon became very fleshy and has continued to grow rapidly ever since—is now past one year old and whenever attacked by the cholic (which has not been for some time,) has invariably found relief from a dose of the Cordial. From the use made of it in my family my wife is quite unwilling to be without a bottle of it in the house at any time.

Yours respectfully, JOHN M'COLLUM.

Leesburg, Va. July 10, 1841.

Mr. C. Hearstons, dear sir—Having been called on by one of your agents (Jas. S. Hamilton) and believing it to be my duty, I give you a certificate approving of your Dyspeptic Cordial—I do say that I have used it in my family with success, and believe the cordial should be recommended to all Dyspeptic individuals! I have a young woman in my family who suffered much for some time with Dyspepsia, by using 2 or 3 bottles of your cordial, she was fully cured! Given under my hand this 10th day of July 1841. PETER COST.

Frederick County, Md. Sept 14, 1840

Mr C Herstons: Your medicine named Drs. Dresbach Kuhn and Pryor's Dyspeptic Cordial, has cured me of Dyspepsia. I had this disease twelve years. Various medicines as well as medical assistance had been tried but all failed. Your cordial as mentioned above has completed a cure. For several months past I have been entirely free from this Dyspeptic disease.

JOHN MONTGOMERY Jr

From the Rev P. H. W. Monroe,
Liberty town, Frederick Co Md'
May 9, 1840.

Dear Sir—Circumstances have prevented me from writing to you until the present. I now state to you that I have used Drs Dresbach, Kuhan and Pryor's Dyspeptic Cordial with considerable advantage. For some years past I have been afflicted with what I regard as Dyspepsia, in its insipent stages, to obtain relief from which I tried various remedies in vain. I was induced by the recommendation of the octore named cordial, and from the use of it, have been, as I trust, entirely relieved.

Yours respectfully
THOMAS H W. MONROE.

Mr. C. Herstons—I willingly comply with your request to furnish a statement of the case in which your Dyspeptic Cordial was used with so much advantage. It is briefly thus. My niece Mrs Wallace, had been suffering for several months under a train of symptoms such as naturally denote the worst form of Dyspepsia, viz: defective appetite, impaired digestion, langnor debility, &c. These symptoms were at length followed by great depression of spirits, sleeplessness and nervous agitation, while every article was swallowed by distressing pain. While in this situation a friend passing through Baltimore, who had resided in your State and was familiar with its effects, advised the use of Drs. Dresbach Kuhn and Pryor's Dyspeptic Cordial, the use of which, in a few days, gave great relief, and finally cured her. PHILAMON TOWSON.

SICK HEADACHE

Sir—This distressing disease has for many years been a source of affliction to my wife, so severe at times as to occasion her to take to her bed.

Drs. Dresbech, Kuhn and Pryor's Dyspeptic Cordial, for dyspepsia, Sick Headache, &c, had come so highly recommended by persons of my acquaintance, I got it; it has met her case fully at different times. A few weeks past one of her severe attacks came on while on a visit to a neighbor's; she hastened home & took a dose of the cordial, sat very quiet for ten or fifteen minutes—then took a second dose and remained quiet some minutes again, when she was entirely relieved. She thinks that if she had not had this medicine at hand, this attack would have sent her to bed. Such is her confidence in this cordial for her sick headache, that she has determined never to be without it in the house.

I have heard a friend of mine say who has tried it twice for severe cholic, that he was promptly relieved each time by this cordial.

CRAMP CHOLIC.

Frederick County, Md. Sept. 1840.

Mr. Herston—My wife, a few weeks ago had a violent attack of cramp cholic. She thought she would have died—I was alarmed in the discription given of your medicine named Drs. Dresbach, Kuhn and Pryor's Dispeptic Cordial, I found it highly recommended for cholic, spasms, or cramp in the stomach. It justly sustained its character in my wifes case. The attack commenced about daylight Fortunately the cordial was in the house, sitting on the side of the bed, she took a few swallows from the bottle, (would not wait for pouring out—walked across the room, sat down in a chair and in five minutes was perfectly relieved.
