POETRY.

Whig Song

TUNE—"OULD LANG SYNE."

Maryland Whigs, arise, arise,
Arm, arm, to join the fray,
Unfurl your banner to the skies,
And strike for Henry Clay.

Your comrades, on you, loudly call,
Your duty to obey,
Their banner's on the outer wall,
Inscrib'd with Henry Clay.

Your foes, in wild disorder rush,
As eagles to their prey,
They seek by foulest means to crush
Your leader Henry Clay.

Up then, bold Whigs, and onward move
In battle's proud array,
With deeds of manly daring prove
Your love for Henry Clay.

The 'Traitor Knave,' and 'Corporal's guard,'
Mere creatures of a day,
With fantic rage, have striven hard,
To vanquish Henry Clay.

Crush them beneath your booted heel,
Thay dare not stand at bay,
Too far beneath contempt, to feel
The stroke of Henry Clay.

The Min'ster at the Court of France,
Resign'd his place, and pay,
And hurried home, to break a lance
With gallant Henry Clay.

The faithless friends, that, urg'd his right,
Now from him, fall away,
They dare not match him in the fight,
With noble *Henry* Clay.

The hero, of the 'Keystone State.
Who'd 'bate the workman's pay,'
Must cow'r beneath his country's hate,
And yield to *Henry* Clay.

The 'arch magician' of the north,
With manners bland as May,
Is but a Knight of little worth,
Compar'd with *Henry* Clay.

The 'Southern chief,' and 'States' right band,
A noble host are they,
They too, must fall beneath the hand
Of dauntless *Henry* Clay.

The brave old warrior of the West,
That did Tecumseh slay,
Must share the fate of all the rest
O'er come by *Henry* Clay.

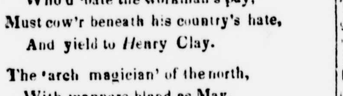

No other chieftain have your foes,
Whose skill, and courage, may
Venture in conflict, to oppose
The valiant *Henry* Clay.

Then rouse yourselves, no longer pause,
Your prowess to display,
Strike boldly for your country's cause,
And champion *Henry* Clay.

FARMERS'

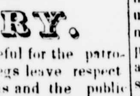

FOUNDRY.

THE SUBSCRIBERS grateful for the patronage heretofore received, begs leave respectfully to inform their friends and the public generally, that they now have on hand & are daily manufacturing the most approved

WHEAT MACHINES,

ever offered to the public on this Shore. Their superiority over other machines consists in *simplicity* and *strength*, which will enable us to *warrant* them with perfect safety Notwithstanding there are numerous Machines used in this county, it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of,

PLOUGHS,
Plough Castings,—
Mill Castings, &c. &c.

Their assortment of Ploughs embraces a great variety, viz:

WINAN's Self Sharpner	BEACH Improved
DAVIS	BERNARD
SINCLAIR & MOOR	WILLEY
CHENOWITH	PATENT CYCLOIDAL
BEACH	Plough &c

The merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloidal have been recently introduced by us on this Shore, as a valuable acquisition to the Farmer. The Patent Cycloidal, in 1842 took the first premium at the agricultural Exhibition, near Govenstown, Baltimore county, Md. over numerous competitors, composing some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

CASTINGS
AND
WROUGHT WORK

of every description at the shortest notice, and at City prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.

HUSSEY & HOPKINS.

N. B.—Persons having machines to repair will please bring them in as early in the spring as possible, so as to give full time to do the work in proper manner. *H. & H.*

JUDKIN'S PATENT SPECIFIC OINTMENT.

*** The above Ointment is offered to the public as a safe and certain remedy for those obstinate diseases, some of which have so long baffled the skill of medical science:

1st. White swellings of every description.
2d. Sore legs, and ulcers of long standing.
3d. Schirrus, or glandular tumours, particularly those hardened tumours in women's breast, which oftentimes, terminate in ulcerated cancers.
4th. Felons, or what some people know by the name of Catarrhs, of every description.
5th. Rheumatic pains in the joints.
6th. Sprains and bruises of every description, or in whatever part situate.
7th Tetters of all kinds. In this complaint the patient, in applying the ointment, must keep the part out of water.
8th. Chilblains, or parts effected by frost.

TO THE PUBLIC.

The following communication, addressed to the proprietor of Judkin's Ointment, from the Hon. John Talliaferro, member of Congress, is highly interesting. The greatuitous manner in which it is made, exhibits feelings of no ordinary character towards suffering humanity; and is certainly well deserving of public attention.

WASHINGTON, Jan. 22, 1829

Sir.—It has been my wish for a considerable time, to communicate to you the good effect with which I have used the Ointment invented by a Mr. Judkins, and which I now understand is made and sold by agents appointed by yourself I have applied this ointment during the last three years, to every species of tumour and wound, without failure to produce a cure in every instance. I consider it the most decided and efficient remedy in all cases of tumour, be the cause what it may, and I have found nothing so good for wounds of any description. It may be proper to add that the cure of a tumour called the white swelling, given over by the most distinguished physicians as incurrable, and which they have decided would, without amputation, prove fatal to the patient, was, under my immediate notice, effected by the use of Judkin's Ointment and the patient is in fine health; his limb affected by the tumour being restored to a perfect state of soundness. Also, that the leg of an aged man which had been wounded, and exhibited one dreadfully ulcerated surface from the knee to the foot, and which for more than two years had been considered incurable, was effectually cured by the application of Judkins' Ointment. I mention these two cases which fell under my immediate notice and management, as a decided evidence of the efficacy of this remedy in cases of tumour and of ulcers—I have experienced as decidedly the good effect of this remedy in the cure of felons, and of every species of fresh wound. It seems to me that any one who will observe on the operation of this ointment, must, be satisfied as to its beneficial effect. I can with the utmost confidence recommend the use of this valuable remedy

I am, Sir, very respectfully,
JOHN TALIAFERO.

To Mr. Charles Herstons, Proprietor of Judkins' Ointment, near Fredericktown, Md

☞PILES.☜

Before leaving Boonsboro, I had heard much of an article in which you appear before the public as proprietor, named Herstons' Judkins Specific Ointment, made by C. Herstons near Frederick, Md. and of its decided efficacy in cures on persons with whom I am well acquainted, since my residence in Baltimore it has performed a cure on a friend of mine afflicted with piles. Having myse been a sufferer for some years with this distressing disease, I now unhesitatingly applied your Ointment in my own case, and am gratified that I can say it made a perfect cure

J. A BENTZ.

Counting Room, Lombard street

A few weeks ago a case of woman's sore breast came under my notice, the breast greatly inflamed, the nipple scarcely to be seen—her appearance clearly spoke the great misery she was in; she told me she had been suffering three months with it, and was confined to her bed; she then had flaxseed poultice to it, other things had been tried. I advised Judkin's Ointment knowing it had often been successful in like cases. She got and applied it according to the directions accompanying it. in 24 hours all pain was gone; it broke and commenced discharging copiously and so continued some days; the relief from extreme pain to perfect ease excited the woman's astonishment; a few days reduced her breast to its usual state, & in eight days the cure was complete.

BEWARE OF IMPOSITION.

Messrs. L. & R T. Lowndes, merchants-Cumberland.

Gentlemen,—I was afflicted with a sore leg—the fame of Judkins Ointment induced me to get a pot of it—but it happened not to be of Mr Herston's make. I used it according to directions, but my leg kept getting worse Mr. Herstons, travelling to the west stopped at my house; during the time, on looking at the ointment I had, he immediately pronounced it not of his make, and furnished me with one which was. On opening and smelling it I was sensible of the difference, although it looked like it. I then applied the ointment he gave me to my leg; it became in a state of amendment on using the first plaster and so continued until it got quite well.

This ointment is certainly very valuable, and it would be a pity it should be lost to the public by a counterfeit article bearing the name and being not genuine.
