R. E. CONSTABLE, ESQ.

The Philadelphia papers contain accounts of, 'another tremendous outpouring of the Whigs' of that city on Wednesday evening The broad street in front of the Exchange, before which building the hustings had been erected, was filled with thousands of Whigs. The Hon. Geo. W Toland presided, assisted by a number of Vice Presidents. Addresses were delivered by the Chairman, the Hon. Mr. Jarnagan, U. S. Senator from Tennessee the Hon. Mr. Summers, of Virginia, the Hon. Joel Hardin, of Illinois, and the Hon. Milton Brown, of Tennessee. So great was the crowd that it was impossible for all to hear, and soon after the speaking commenced a number of persons retired a little distance off and were addressed by the Hon Edward Joy Morris and the Hon. Mr. Dickenson of Tennessee.

SENTENCE OF THOMAS W. DORR.

We learn says the Baltimore Patriot from the *Providence Journal* that the Supreme Court, in session at Newport, on Monday, refused Mr Dorr's motion in arrest of Judgment, and the Attorney General moved that 'sentence be now pronounced upon the prisoner.' Mr. Atwell moved that sentence be suspended until a bill of exceptions could be filed to take the case to the Supteme Court of the United States. Judge Staples suggested that until sentence was pronounced, there was no judgment on which a Bill of Exceptions could be founded.

The Court adjourned to 9 o'clock on Tuesday morning, for the purpose of passing sentence. The Clerk proposed the customary question; -- Prisoner, what have you to say why sentence should not be pronounced against you?'-- Whereupon Mr. Dorr rose and addressed the Court for about twenty minutes. They were but the repetition of the old matters that have been repeated and refuted over again and during the trial, and were of an insulting character towards the Court 'I would not exchange my place as a prisoner at the bar,' said he, 'for a seat beside your honors'!!

Chief Justice Durfee replied to him in a very mild and dignified manner that the Court had endeavored to discharge their duties faithfully and impartially, and that they were not aware that they had allowed themselves to be influenced by any of the motives charged upon them by the prisoner. He said the painful duty imposed upon him by the law remained to be performed, which was the passing of sentence. The prisoner was then directed to rise, and the Chief Justice pronounced the following sentence:

"The sentence of the Court is that you Thomas Wilson Dorr be imprisoned in the State Prison in Providence for and during the term of your natural life, and be there kept at hard labor in solitary confinement."

Thus says the editor of the Journal "ends one of the most infamous records in that has ever disgraced the annals of our Government, in a manner which cannot fail to have a lasting effect upon the minds of those who may be inclined to do likewise.'

VALUABLE LAND FOR SALE.

THAT beautiful farm, called 'SOLITUDE,' belonging to the Vestry of St Michaels Parish, is offered for Sale; & will be disposed of on accommodating terms. This farm containing

155 1-2 Acres

of excellent land, lies on the waters of Broad Creek three miles above the town of St Michaels in Talbot county; and like all the land in this part of the county is susceptible of a high degree of improvement, from the numerous resources with which it is surrounded. Persons from the city who desire a pleasant and convenient country residence would find, in this place every advantage to be wished for. The dwelling, a large, commodious two Story building being beautifully and pleasantly situated on a navigable Branch of Broad Creek and commanding a fine prospect for several miles directly down the creek, renders it a most delightful spot especially in the summer season—It is also, as its name indicates, a very retired situation although but one mile from the public road In short, taking every thing into consideration, its beauty, convenience, and advantages of various kinds, it is one of the most eligible residences in the county. Those who wish to purchase land, would do well to take a view of this farm; as that would be a greater inducement than any recommendation that could be given of a residence which requires only to be seen to be admired.

HEMSLEY'S WORM DESTROYING SYRUP.
Prepared by R. F. Hemsley,

CHEMIST & PHARMACEUTIST, Easton Md.

WHEN we consider the great number of children who die annually in our county by worms it becomes important that the public should be in possession of some Medicine for their removal, which will combine safety and efficiency in its employment, this desideratum is afforded by the 'Worm Destroying Syrup.' It is not my wish, nor is it my design to throw around this preparation the unmeaning & extravagant eulogiams with which such medicines are usually ushured into notice, I only desire for it a fair & judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous & respectable families. The presence of worms may generally with readiness be detected by the following,

SYMPTOMS.

Variable appetite—foul tongue—fœtid breath—full hard and tense belly—dull heavy expression of the Countenance—a bluish streak under the eye—itching at the nose—puffiness of the upper lip—disordered and irregular bowels—starting and screaming in sleep—grinding of teeth—pain in the bowels & frequently convulsions or convulsions, attended by slow fever.

RECOMMENDATIONS.

Being acquainted with the general and successful use of Mr R. F. Hemsley's Worm Destroying Syrup, I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

TRIST. THOMAS, M. D.

I CONCUR IN THE ABOVE,
JAS. A. MUSE, M. D.

Easton March 20 1844

I have for the last two years used with success Mr. R. F Hemsley's 'Worm Destroying Syrup' Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

WM. H THOMAS, M. D.

Easton March 23d 1844

Having examined MR. R. F. HEMSLEY'S 'WORM DESTROYING SYRUP,' and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal.

CHRIS. C. COX, M. D.

Easton March 7 1844

There is no authelmintic preparation from the use of which I have seen better results than from MR R. F. HEMSLEY'S 'WORM DESTROYING SYRUP' having been made acquainted with its composition I can confidently recommend it, not only as a vermafuge but as a gentle tonic suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

A. M WHITE, M D.

Talbot county March 26th 1844

From DR W. HEMSLEY.

Having prescribed the 'Worm Destroying Syrup' with success in my neighbourhood I can confidently recommend it as superior to any other preparation offered to the public.

I have tried in a desperate case of worms Mr. R F. HEMSLEY'S 'WORM DESTROYING SYRUP' and it proved immediately efficacious, this case had baffled the skill of Physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favour of the valuable medicine.
