POETRY.

The Struggle for Fame.

Advice to an aspirant—by Charles Mackay.

If thou wouldst win a lasting fame;
If thou th' immortal wreath wouldst claim,
And make the Future bless thy name;

Begin thy perilous career,
Keep high thy heart, thy conscience clear.
And walk thy way without a fear.

And if thou hast a voice within,
That ever whispers, "Work and win,"
And keep thy soul from sloth and sin:

If thou canst plan a noble deed,
And never flag till it succeed,
Though in the strife thy heart should bleed:

If thou canst struggle day and night,
And in the envious world's despite,
Still keep thy eynosure in sight:

If thou canst bear the rich man's scorn;
Nor curse the day that thou wert born,
To feed on chaff, and he on corn:

If thou canst dine upon a crust,
And still hold on with patient trust,
Nor pine that Fortune is unjust:

If thou canst see with tranquil breast,
The knave or fool in purple dress'd,
While thou must walk in tatter'd vest:

If thou canst rise ere break of day,
And toil and moil till evening gray,
At thankless work, for scanty pay:

If in thy progress to renown,
Thou canst endure the scoff and frown
Of those who strive to pull thee down:

If thou canst bear th' averted face,
The jibe, or treacherous embrace,
Of those who run the self-same race:

If thou in darkest days canst find
An inner brightness in thy mind,
To reconcile thee to thy kind:—

Whatever obstacles control,
Thine hour will come—go on—true soul!
Thou'lt win the prize, thou'lt reach the goal!

If not what matters? tried by fire,
And purified from low desire,
Thy spirit shall but soar the higher.

Content and hope thy heart shall buoy,
And men's neglect shall ne'er destroy
Thy secret peace, thy inward joy.

But if so bent on wordly fame,
That thou must gild thy living name,
And snatch the honors of the game;

And hast not strength to watch and pray,
To seize thy time and force thy way,
By some new combat every day:

If failure might thy soul oppress,
And fill thy veins with heaviness,
And make the love thy kind the less:

Thy fame might rivalry forestal,
And thou let tears or curses fall,
Or turn thy wholesome blood to gall;

Pause ere thou tempt the hard career,
Thoul't find the conflict too severe,
And heart will break and brain will scar.

Content thee with a meaner lot;
Go plough thy field, go build thy cot,
Nor sigh that thou must be forgot.

JUDKIN'S PATENT SPECIFIC OINTMENT.

*** The above Ointment is offered to the public as a safe and certain remedy for those obstinate diseases, some of which have so long baffled the skill of medical science

1st. White swellings of every description.
2d. Sore legs, and ulcers of long standing
3d. Schirrus, or glandular tumours, particularly those hardened tumours in women's breast, which oftentimes, terminate in ulcerated cancers
4th. Felons, or what some people know by the name of Catarrhs, of every description
5th. Rheumatic pains in the joints.
6th. Sprains and bruises of every description. or in whatever part situate
7th Tetters of all kinds. In this complaint the patient, in applying the ointment, must keep the part out of water.
8th. Chilblains, or parts effected by frost.

TO THE PUBLIC.

The following communication, addressed to the proprietor of Judkin's Ointment, from the Hon. John Talliaferro, member of Congress, is highly interesting. The greatuitous manner in which it is made, exhibits feelings of no ordinary character towards suffering humanity; and is certainly well deserving of public attention.

WASHINGTON, Jan. 22, 1829

Sir.—It has been my wish for a considerable time, to communicate to you the good effect with which I have used the Ointment invented by a Mr. Judkins, and which I now understand is made and sold by agents appointed by yourself. I have applied this ointment during the last three years, to every species of tumour and wound, without failure to produce a cure in every instance. I consider it the most decided and efficient remedy in all cases of tumour, be the cause what it may, and I have found nothing so good for wounds of any description. It may be proper to add that the cure of a tumour called the white swelling, given over by the most distinguished physicians as incurrable, and which they have decided would, without amputation, prove fatal to the patient, was, under my immediate notice, effected by the use of Judkin's Ointment and the patient is in fine health; his limb affected by the tumour being restored to a perfect state of soundness. Also, that the leg of an aged man which had been wounded, and exhibited one dreadfully ulcerated surface from the knee to the foot, and which for more than two years had been considered incurable, was effectually cured by the application of Judkins Ointment. I mention these two cases, which fell under my immediate notice and management, as a decided evidence of the efficacy of this remedy in cases of tumour and of ulcers—I have experienced as decidedly the good effect of this remedy in the cure of felons, and of every species of fresh wound. It seems to me that any one who will observe on the operation of this ointment, must, be satisfied as to its beneficial effect. I can with the utmost confidence recommend the use of this valuable remedy

I am, Sir, very respectfully,
JOHN TALIAFERO.

To Mr. Charles Herstons, Proprietor of Judkins' Ointment, near Fredericktown, Md

☞ PILES. ☜

Before leaving Boonsboro, I had heard much of an article in which you appear before the public as proprietor, named Herstons' Judkins Specific Ointment, made by C. Herstons near Frederick, Md. and of its decided efficacy in cures on persons with whom I am well acquainted, since my residence in Baltimore it has performed a cure on a friend of mine afflicted with piles. Having myself been a sufferer for some years with this distressing disease, I now unhesitatingly applied your Ointment in my own case, and am gratified that I can say it made a perfect cure.

J. A BENTZ.

Counting Room, Lombard street.

A few weeks ago a case of woman's sore breast came under my notice, the breast greatly inflamed, the nipple scarcely to be seen—her appearance clearly spoke the great misery she was in; she told me she had been suffering three months with it, and was confined to her bed; she then had flaxseed poultice to it; other things had been tried. I advised Judkin's Ointment knowing it had often been successful in like cases. She got and applied it according to the directions accompanying it: in 24 hours all pain was gone; it broke and commenced discharging copiously and so continued some days; the relief from extreme pain to perfect ease excited the woman's astonishment; a few days reduced her breast to its usual state, & in eight days the cure was complete.

BEWARE OF IMPOSITION.

Messrs. L. & R. P. Lowndes, merchants-Cumberland.

Gentlemen,—I was afflicted with a sore leg—the fame of Judkins Ointment induced me to get a jug of it—but it happened not to be of Mr. Herston's make. I used it according to directions, but my leg kept getting worse.

Mr. Herstons, travelling to the west stopped at my house; during the time, on looking at the ointment I had, he immediately pronounced it not of his make, and furnished me with one which was. On opening and smelling it I was sensible of the difference, although it looked like it. I then applied the ointment he gave me to my leg; it became in a state of amendment on using the first plaster and so continued until it got quite well.

This ointment is certainly very valuable, and it would be a pity it should be lost to the public by a counterfeit article bearing the name and being not genuine

THE SUBSCRIBERS grateful for the patronage heretofore received begs leave respectfully to inform their friends and the public generally, that they now have on hand & are daily manufacturing the most approved

WHEAT MACHINES,

ever offered to the public on this Shore. Their superiority over other machines consists in *simplicity* and *strength*, which will enable us to *warrant* them with perfect safety. Notwithstanding there are numerous Machines used in this county it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of,

Their assortment of Ploughs embraces a great variety, viz:

The merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloidal have been recently introduced by us on this Shore, as a valuable acquisition to the Farmer. The Patent Cycloidal, in 1842 took the first premium at the agricultural Exhibition, near Govanstown, Baltimore county Md. over numerous competitors, composing some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. HEMSLEY'S WORM
DESTROYING SYRUP.
Prepared by R. F. Hemsley,

CHEMIST & PHARMACEUTIST, Easton Md.

WHEN we consider the great number of children who die annually in our county by worms it becomes important that the public should be in possession of some Medicine for their removal, which will combine safety and efficiency in its employment, this desideratum is afforded by the 'Worm Destroying Syrup.' It is not my wish, nor is it my design to throw around this preparation the unmeaning & extravagant eulogiums with which such medicines are usually ushured into notice, I only desire for it a fair & judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous & respectable families. The presence of worms may generally with readiness be detected by the following.

SYMPTOMS.

Variable appetite—foul tongue—feted breath—full hard and tense belly—dull heavy expression of the Countenance—a bluish streak under the eye—itching at the nose—puffiness of the upper lip—disordered and irregular bowels—starting and screaming in sleep—grinding of teeth—pain in the bowels & frequently drowsiness or convulsions, attended by slow fever.

RECOMMENDATIONS.

Being acquainted with the general and successful use of Mr. R. F. Hemsley's Worm Destroying Syrup, I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

JAS A. MUSE, M. D,
Easton March 20 1844

I have for the last two years used with success Mr. R F Hemsley's 'Worm Destroying Syrup' Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

WM. H THOMAS, M D,
Easton March 23 1844

Having examined MR. R. F. HEMSLEY'S 'WORM DESTROYING SYRUP,' and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal.

CHRIS. C. COX, M. D.
Easton March 7 1844

There is no authelmintic preparation from the use of which I have seen better results than from MR R. F. HEMSLEY'S 'WORM DESTROYING SYRUP' having been made acquainted with its composition I can confidently recommend it, not only as a vermafuge but as a gentle tonic suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

A. M WHITE, M. D.
Talbot county March 26th 1844

From DR W. HEMSLEY.

Having prescribed the 'Worm Destroying Syrup' with success in my neighbourhood I can confidently recommend it as superior to any other preparation offered to the public.

I have tried in a desperate case of worms MR R F HEMSLEY'S 'WORM DESTROYING SYRUP 'and it proved immediately efficacious, this case had baffled the skill of Physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favour of the valuable medicine.
