The Pioneer Magazine of America.

GODEY'S MAGAZINE AND LADY'S BOOK, FOR 1845.

The best earnest a publisher can give of what he can and will do next year is a reference to what he has done last year, or at ANY TIME FOR THE LAST FIFTEEN YEARS. Under this view of the case it would be quite sufficient for ordinary purposes for us to say that the high character of this magazine for literary and artistical merit will be properly sustained. But we are aware that the rapid and dazzling succession of novelties which we have brought forward within the last few years naturally excites a lively curiosity, and every subscriber is saying to himself what will Godey do next?

It is merely with a view to gratify this curiosity on the part of our friends that we now proceed to enumerate some of the features of our next year's plan; promising, however, that the enumeration must necessarily be partial and incomplete, from our invariable practice of seizing upon every new and brilliant form of embellishment the moment it presents itself as well as securing the services of all the Popular, Lively and Piquant Writers the moment their characters are distinctly developed and pronounced. The honour of bringing forward first rate genius into public notice and favour, and serving as a sort of prim conductor to ELECTRIC FLASHES which send their light through the whole Union has become quite habitual to the Lady's Book.

Our original idea of illustrating American history by views of Battle Grounds we are still calmly pursuing in a style that defies all competition. The not less brilliant idea of illustrating the Heroism of American Ladies by a series of ENGRAVINGS & NARRATIVES which will serve to place in their true light the patriotism devotion and self-sacrifice of our female ancestors in the revolutionary war, emphatically called the Heroic age of America, is also going on with us. Other incidents of revolutionary history will also furnish subjects for the embellishments of the coming year.—Among the subjects already executed are the Reception of the news of Lexington Fight, by Darley.

Marion's Entertainment of the Brish Officer, by White

Female Gallantry, by Hobart,

The Storming of Red Bank Fort, by Hamilton.

Count Donop's Monument, by Hamilton.

The Battle of Concord Bridge, by Frankenstein

The Germantown Battle-ground, by Russell Smith

Trenton Battle Ground, by Hamilton

with a large number of others, engaged but not yet sent in by the artists. Another new and striking feature we now propose for the first time in public, having had artists engaged for twelve months in working it out. Our readers will please to note the date of the announcement of this feature. it will consist of characteristic state views, in which the peculiarities of Scenery, Costume and Customs of every State and Territory of the Union will be presented in succession. This idea will of course be claimed by others, but our readers will not forget to make dates

Our proffered premium of $200 for the best painting of a subject illustrative of American Female Patriotism has already brought a splendid array of talent into the field. The award has been postponed for another month out of courtesy to artists who have pictures still upon their easel.

The premium of $250 for the best engraving will of course bring forward a series of first rate steel plates.

In addition to all these advantages, the privilege of engraving the premium pictures of the Apollo Association will serve to form a Keystone to our splendid system of Embellishments

The public know our literary contributors well for they have long been in the habit of recognizing them as the leading writers of America in Magazine Literature—the literature which exacts from the ablest pens their most piquant and brilliant contributions, at the same time that it condenses into a compact and pleasing form the Moral, the useful and the solid in narrative, sketch and essay writing.

MEZZOTINTS, MEZZOTINTS

It is only necessary to say that in this department we have Sartain, Sadd and Warner each of them has several plates in hand We shall, we think, have one in each number next year.

AUTHENTIC FASHION PLATES

Godey's Lad's Book is the only Magazine that can be relied upon for the real Fashions

Our terms do not suffer nothing of merit and interest which is united to the design of the Lady's Book, in the Literature of Germany, France, Italy, and other nations of the European continent to escape them.

Among many novel features in the literary way whereof are now in the hours of preparation, for well known reasons we choose to announce but one in this connection viz

The Border Legends of America, many of which have just reached us from the distant regions which were formerly the scene of border wars and hunting expeditions, and where the exploits of the famous Indian killers and rangers still furnish food for a purely natural & Tales, Songs and Stories to their children and grandchildren by the winter's fireside.

It is not necessary for us to give the names of our writers - previous numbers will show that they are the best in America.

TERMS OF GODEY'S MAGAZINE

1 copy, 1 year, $3; 2 copies, 1 year, 5, 5 copies, 1 year, $10, 11 copies 1 yer, 20

Any person ordering a copy 1 year for $3 or two copies one year for $5, will be presented with a copy of the novelette of The Prince Deroux, by W. G. Simms, and Robert Ruefus by T. S Fay.

Their superiority over other machines consists to *simplicity* and *strength*, which will enable us to *warrant* them with perfect safety Notwithstanding there are numerous Machines used in this county it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of,

HEMSLEY'S WORM DESTROYING SYRUP,

Prepared by R. F. Hemsley,

CHEMIST & PHARMACEUTIST, Easton Md

WHEN we consider the great number of children who die annually in our county by worms it becomes important that the public should be in possession of some Medicine for their removal, which will combine safety and efficiency in its employment, this desideration is afforded by the 'Worm Destroying Syrup.' It is not my wish nor is it my design to throw around this preparation the unmeaning & extravagant eulogiums with which such medicines are usually ushered into notice. I only desire for it a fair & judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous & respectable families. The presence of worms may generally with readiness be detected by the following.

SYMPTOMS.

Variable appetite—foul tongue—fetid breath—full hard and tense belly—dull heavy expression of the Countenance—a bluish streak under the eye—itching at the nose—puffiness of the upper lip—disordered and irregular bowels—starting and screaming in sleep—grinding of teeth—pain in the bowels & frequently drowsiness or convulsions, attended by slow fever.

RECOMMENDATIONS.

Being acquainted with the general and successful use of Mr. R. F. Hemsley's Worm Destroying Syrup I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

TRIST. THOMAS, M. D.

I CONCUR IN THE ABOVE,
JAS. A. MUSE, M. D,

I have for the last two years used with success Mr. R. F Hemsley's Worm Destroying Syrup' Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

Easton March 23d 1844

Having examined MR. R F. HEMSLEY'S 'WORM DESTROYING SYRUP,' and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal.

There is no authelmintic preparation from the use of which I have seen better results than from MR R F. HEMSLEY'S 'WORM DESTROYING SYRUP' having been made acquainted with its composition I can confidently recommend it, not only as a vermifuge but as a gentle tonic suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

From DR W. HEMSLEY

Having prescribed the 'Worm Destroying Syrup' with success in my neighbourhood I can confidently recommend it as superior to any other preparation offered to the public.

I have tried in a desperate case of worms Mr. R. F. HEMSLEY'S WORM DESTROYING SYRUP 'and it proved immediately efficacious, this case had baffled the skill of Physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favour of the valuable medicine.
