POETRY.

WASHINGTON.

BY ELIZA COOK.

"Land of the West! though passing brief
the record of thine age,
Thou hast a name that darkens all on history's wide page!
Let all the blasts of fame ring out—thine shall be loudest far:
Let others boast their satelites—thou hast the planet star.
Thou hast a name whose characters of light shall ne'er depart;
'Tis stamped upon the dullest brain and warms the coldest heart:
A war-cry fit for any land, where freedom's to be won,
Land of the west! it stands alone—it is thy WASHINGTON!

"Rome had its Cæsar, great and brave, but stain was on his wreath;
He lived the heartless conqueror, and died the tyrant's death.
France had its Eagle; but his wings though lofty they might soar,
Were spread in false ambition's flight, and dipped in murder's gore.
Those hero-gods, whose mighty sway would fain have chained the waves,
Who flashed their blades with tiger zeal, to make a world of slaves—
Who, though their kindred barred the path still fiercely waded on—
Oh, where shall be *their* 'glory,' by the side of Washington?"

. . . . .

"England my heart is truly thine—my loved my native earth!
The land that holds a mother's grave, and gave that mother birth!
Oh, keenly sad would be the fate that thrust me from thy shore,
And faltering my breath that sighed, 'Farewell for ever more!"
But did I meet such adverse lot, I would not seek to dwell
Where olden heroes wrought the deeds for Homer's song to tell;
'Away! then gallant ship,' I'd cry, and bear me swiftly on;
But bear me from my own fair land to that of Washington!"

EASTON ACADEMY.

The second or winter session of this Institution will commence on Monday the 14th day of October, and the board of Trustees announce to the public that the duties will be resumed under the continued superintendence of Mr. JOHN NEELY, favorably known for many years past, as an accomplished Scholar, and a most efficient Teacher.

The course of instruction will be of an extensive character, comprising all the branches of an English education, the Latin, Greek and French Languages, and in both departments of languages the litarature of each, together with ancient and modern History.

The Mathimatical course will include the mixed mathematics, and pupils will be prepared for admission to any class in the Colleges or Universities of the United States; for entering upon commercial pursuits or engaging directly in the studies preparatory to either of the learned professions.

During the ensuing session a full course of lectures will be delivered on natural Philosophy and Chemistry, illustrated by the ample and excellent apparatus belonging to the Institution

The subject of natural Philosophy will be treated by the Principal, and that of Chemistry by C. C Cox, A. M, M. D.

A future announcement will state the terms and time of commencement of these lectures.

The Board respectfully refer to the Rt. Rev Bishop Whittingham; to the Rev Dr. Wyatt; to Walter Fernandis, Esq and to John H. Alexander, Esq. of Baltimore, to Hon. Stevenson Archer, of Harford county, to Thomas Hayward, Esq. of Dorchester county, to William A. Ford, Esq. of Caroline county; and if required to many other reliable sources as to the personal and professional excellence of Mr. John Neely.

This gentleman is a graduate of Trinity College, Dublin; but what is far more substantial, he has attracted to himself the sincere regard & entire confidence of all those who have entrusted to him the education of their sons.

The Board deem it a matter of much moment that youths from a distance should be placed under the immediate eye of the principal of the academy; but excellent accommodations may be had in respectable families in the town at the usual rate of $10 per month

All applications, enquiries, &c. should be addressed to John Neely, Esq. Principal of the Easton Academy but any information will be cheertully given by application to either of the undersigned in behalf of the Beard of Trustees.

FARMERS

FOUNDRY.

THE SUBSCRIBERS grateful for the patronage heretofore received, begs leave respectfully to inform their friends and the public generally, that they now have on hand & are daily manufacturing the most approved

WHEAT MACHINES,

ever offered to the public on this Shore. Their superiority over other machines consists in *simplicity* and *strength*, which will enable us to *warrant* them with perfect safety Notwithstanding there are numerous Machines used in this county, it is a well known fact that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of,

PLOUGHS,

Plough Castings,—
Mill Castings, &c. &c.

Their assortment of Ploughs embraces a great variety, viz:

WINAN'S Self Sharpner	BEACH Improved
DAVIS	BERNARD
SINCLAIR & MOOR	WILLEY
CHENOWITH	PATENT CYCLOIDAL
BEACH	Plough &c

The merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloidal have been recently introduced by us on this Shore, as a valuable acquisition to the Farmer. The Patent Cycloidal, in 1842 took the first premium at the agricultural Exhibition, near Govenstown, Baltimore county, Md. over numerous competitors, composing some of the most celebrated Ploughs of Pennsylvania. New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

CASTINGS AND WROUGHT WORK

of every description at the shortest notice, and at City prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.

HUSSEY & HOPKINS.

N. B.—Persons having machines to repair will please bring them in as early in the spring as possible, so as to give full time to do the work in proper manner. H. & H.

HEMSLEY'S WORM DESTROYING SYRUP,

Prepared by R. F. Hemsley,

CHEMIST & PHARMACEUTIST, Easton Md

WHEN we consider the great number of children who die annually in our county by worms it becomes important that the public should be in possession of some Medicine for their removal, which will combine safety and efficiency in its employment, this desideratum is afforded by the 'Worm Destroying Syrup.' It is not my wish. nor is it my design to throw around this preparation the unmeaning & extravagant eulogiums with which such medicines are usually ushured into notice, I only desire for it a fair & judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous & respectable families. The presence of worms may generally with readiness be detected by the following.

SYMPTOMS.

Variable appetite—foul tongue—feted breath—full hard and tense belly—dull heavy expression of the Countenance—a bluish streak under the eye—itching at the nose—puffiness of the upper lip—disordered and irregular bowels—starting and screaming in sleep—grinding of teeth—pain in the bowels & frequently drowsiness or convulsions, attended by slow fever.

RECOMMENDATIONS.

Being acquainted with the general and successful use of Mr. R. F. Hemsley's Worm Destroying Syrup. I cheertully recommend it to the public as a valuable remedy for the expulsion of worms.

TRIST. THOMAS, M. D.

I CONCUR IN THE ABOVE,
JAS. A. MUSE, M. D,

Easton March 20 1844

I have for the last two years used with success Mr. R. F Hemsley's 'Worm Destroying Syrup' Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

WM. H THOMAS, M D,

Easton March 23 1844

Having examined MR. R. F. HEMSLEY'S 'WORM DESTROYING SYRUP,' and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal.

CHAS. C. COX, M. D.

Easton March 7 1844

There is no authelmintic preparation from the use of which *I* have seen better results than from MR R. F. HEMSLEY'S 'WORM DESTROYING SYRUP' having been made acquainted with its composition I can confidently recommend it, not only as a vermafuge but as a gentle tonic suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

A. M WHITE, M. D.

Talbot county March 26th 1844

FROM DR W. HEMSLEY

Having prescribed the 'Worm Destroying Syrup' with success in my neighbourhood I can confidently recommend it as superior to any other preparation offered to the public.

I have tried in a desperate case of worms Mr R. F. HEMSLEY'S 'WORM DESTROYING SYRUP 'and it proved immediately efficacious, this case had baffled the skill of Physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favour of the valuable medicine.

The Pioneer Magazine of America.

GODEY'S MAGAZINE AND LADY'S BOOK, FOR 1845.

The best earnest a publisher can give of what he can and will do next year is a reference to what he has done last year, or at ANY TIME FOR THE LAST FIFTEEN YEARS. Under this view of the case it would be quite sufficient for ordinary purposes for us to say that the high character of this magazine for literary and artistical merit will be properly sustained, But we are aware that the rapid and dazzling succession of novelties which we have brought forward within the last few years naturally excites a lively curiosity, and every subscriber is saying to himself What will Godey do next?

It is merely with a view to gratify this curiosity on the part of our friends that we now proceed to enumerate some of the features of our next year's plan, premising, however, that the enumeration must necessarily be partial and incomplete, from our invariable practice of seizing upon every new and brilliant form of embellishment the moment it presents itself as well as securing the services of all the Popular, Lively and Piquant Writers the moment their characters are distinctly developed and pronounced. The honour of bringing forward first rate genius into public notice and favour, and serving as a sort of prime conductor to ELECTRIC FLASHES which send their light through the whole Union. has become quite habitual to the Lady's Book.

Our original idea of illustrating American history by views of Battle Grounds we are still calmly pursuing in a style that defies all competition. The not less brilliant idea of illustrating the Heroism of American Ladies by a series of ENGRAVINGS & NARRATIVES which will serve to place in their true light the patriotism. devotion and self-sacrifice of our female ancestors in the revolutionary war, emphatically called the Heroic age of America, is also original with us. Other incidents of revolutionary history will also furnish subjects for the embelishments of the coming year.—Among the subjects already executed are the Reception of the news of Lexington Fight, by Darley.

Marion's Entertainment of the British Officer, by White

Female Gallantry, by *Hubatt*,

The Storming of Red Bank Fort, by *Hamilton*.

Count Donop's Monument, by *Hamilton*.

The Battle of Concord Bridge, by *Frankenstein*.

The Germantown Battle-ground. by Russel Smith.

Trenton Battle Ground, by *Hamilton*

with a large number of others, engaged but not yet sent in by the artists. Another new and striking feature we now propose for the first time in public, having had artists engaged for twelve months in working it out. Our readers will please to note the date of the announcement of this feature. it will consist of characteristic state views. in which the peculiarities of Scenery, Costume and Customs of every State and Territory of the Union will be presented in succession. This idea will of course be claimed by others, but our readers will not forget to make dates

Our proffered premium of $200 for the best painting of a subject illustrative of American Female Patriotism has already brought a splendid array of talent into the field. The award has been postponed for another month out of courtesy to artists who have pictures still upon their easel.

The premium of $250 for the best engraving will of course bring forward a series of first rate steel plates.

In addition to all these advantages, the privilege of engraving the premium pictures of the Apollo Association will serve to form a Keystone to our splendid system of Embellishments

The public know our literary contributors well for they have long been in the habit of recognizing them as the leading writers of America in Magazine Literature—the literature which exacts from the ablest pens their most piquant and brilliant contributions, at the same time that it condenses into a compact and pleasing form the Moral, the useful and the solid in narative, sketch and essay writing.

MEZZOTINTS, MEZZOTINTS.

It is only necessary to say that in this department we have Sartain, Sadd and Warner and each of them has several plates in hand We shall, we think, have one in each number next year.

AUTHENTIC FASHION PLATES

Godey's Lady's Book is the only Magazine that can be relied upon for the *real* fashions.

Our translators suffer nothing of merit and interest, which is suited to the design of the Lady's Book, in the Literature of Germany, France, Italy, and other nations of the European continent to escape them.

Among many novel features in the literary way which are now in the course of preparation, for well known reasons we choose to announce but one in this connection, viz:

The Border Legends of America, many of which have just reached us from the distant regions which were formerly the scene of border wars and hunting expeditions, and where the exploits of the famous Indian killers and hunters still furnish themes for purely national, Ballads, Songs and Stories to their children and grandchildren by the winter's fireside.

It is not necessary for us to give the names of our writers—previous numbers will show that they are the best in America.
