POETRY.

LULU.

BY MRS. FRANCES SARGENT OSGOOD.

There's many a maiden
More brilliant, by far,
With the step of a fawn,
And the glance of a star;
But heart there was never
More tender and true,
Than beats in the bosom
Of darling Lulu!

Her eyes are too modest
To dazzle; but oh!
They win you to love her,
If *you* will or no!
And when they glance up,
With their shy, startled look,
Her soul trembles in them,
Like light in a brook.
There are bright eyes by thousands,
Black, hazel and blue;
But whose are so loving
As those of Lulu?

And waves of soft hair,
That a poet would vow
Was moonlight on marble,
Droop over her brow.
The rose rarely blooms
Thro' that light, siken maze,
But when it does play there,
How softly it plays!
Oh! there's many a maiden
More brilliant, 'tis true,
But none so enchanting
As little Lulu!

She flits like a fairy,
About me all day,
Now nestling beside me,
Now up and away!
She singeth unbidden,
With warble as wild
As the lay of the meadow lark,
Innocent child!
She's playful, and tender,
And trusting, and true,
She's sweet as a lily,
My dainty Lulu!

She whispers sweet fancies,
Now mournful, now bright,
Then deeper her glances,
With love and delight.
And the slow, timid smile
That dawns in her face,
Seems filled with her spirit's
Ineffable grace.
Oh! the world cannot offer
A treasure so true,
As the childlike devotion
Of happy Lulu.

WISTER'S BALSAM OF WILD CHERRY.

A Compound Balsamic Preparation from WILD CHERRY BARK & TAR.

The best remedy known to the world for the cure of Coughs, Colds, Asthma, Croup, Bleeding of the Lungs, Whooping Cough, Bronchitis, Influenza, Shortness of Breath, Pain and Weakness in the Breast or Side, Liver Complaint, and the first stages of CONSUMPTION.

A THOUSAND CURES in cases deemed utterly hopeless have firmly established its vast superiority over every former medical discovery. It has always been styled 'Nature's own Prescription,' being formed chiefly from chemical extracts from Wild Cherry Bark and Tar—two trees that are thickly scattered wherever diseases of the lungs prevail. We give a few instances of its extraordinary power, from a catalogue almost without end.

A lady (address will be given at the New York Agency) who was given up by all of her physicians to die of consumption, had a hard tumor for months on the side—raised among large quantities of matter a sort of bony substance—had taken no medicine for two months, being past all hope—entirely cured by a few bottles of this Balsam in September and October 1844,

A. Williams, Esq. Attorney, &c. New York, cured of spasmodic asthma of 25 years standing. certified to by Recorder Tallmadge and J. Power. D. D.

A. Carman, New York city, who had not slept, lying down, for 7 years, (being obliged to sleep in a sitting posture) so far cured as to attend to his business in the most stormy weather.

Thomas Bradlee, Esq., J. P., Jamaica, L. I. cured of asthma of 40 years standing.

Mrs. Anna D. Hopkins, of Knowlesville, Y. Y. entirely cured of liver complaint and general debility of eighteen months standing.

Jacob Hoffman, M. D. Huntingdon, cured a child of P. Schroeble, of obstinate disease of the lungs after he had tried all the usual remedies in vain.

"*There is no such thing as fail*" in the history of this wonderful BALSAM. Evidence the most convincing—evidence that not one can doubt—fully establishes this fact For the sake of bravity, we select the following rom thousands.

Isaac Platt, Esq. Editor of the Pokeepsie Eagle, one of the most influential papers in the state of New York, states under the authority of his own name, that a young lady, a relative of his, of very delicate constitution, was attacked in February 1842, with severe cold. which immediately produced spitting of blood cough, fever, and other dangerous and alarming symptoms. Through medical treatment and care she partially recovered during summer. But on the return of winter she was attacked more violently than at first; she became scarcely able to walk, and was troubled with cough, chills and fever every day, and appeared to be going rapidly with consumption at this time when there was no sign of improvement. Mr. Platt procured a bottle of WISTAR'S BALSAM OF WILD CHERRY, which she took, and it seemingly restored her. She got a second, and before it was half taken, she was restored to *perfect health,* which she has enjoyed to the present time, without the slightest symptom of her former disease.

Mr Platt says "that cure came under my own observation, and *I* cannot be mistaken as to the facts"

EXTRACT OF A LETTER FROM A POSTMASTER, DATED

Pembroke, Washington Co Maine, April 29, 1844

Mr. ISAAC BUTTS —Dear Sir: At the request of many of my friends in this place and vicinity, who are afflicted with consumption and liver complaints, I take the liberty of asking you to appoint some one in this county to sell as agent WISTARS BALSAM OF WILD CHERRY, and to send him a few dozen. as there is none of it for sale within 200 miles from this. I have no doubt that it would meet with a ready sale, if it were where it could be procured without too much expense and delay.

My wife was attacked about six months since with what the physicians called the first stage of consumption—a complaint very prevalent in this section of county. Having seen the Balsam advertised in Augusta,

☞ 200 *MILES FROM HERE,* ☜

I took the pains to send there for a bottle of it, which she took, and which helped so much that I sent for two bottles more, which she has also taken, and she now says she has not felt so well for six years as she does at this time. All those who have inquired of me and ascertained what effect the Balsam had, are anxious to have some for sale in this vicinity, which is the cause of my writing to you.

Please inform me by return of mail whether you conclude to send some, and if so, to whom, in order that it may be known where it can be had.

I am, with respect, yours, &c.
P. G. FARNSWORTH, P M.

The whole country is fast learning that no medicine—no physician—no preparation of any kind whatever—can equal Dr. WISTAR'S BALSAM OF WILD CHERRY.

A TRULY WONDERFUL CURE.

WATERVILLE, Oneida Co N Y. Sept 15 1843.

Dear Sir—I owe it to the afflicted to inform you that in January last I was attacked by a very violent cold, caused by working in the water, which settled upon my lungs. It was accompanied by a very severe pain in my breast and sides. and also a distressing cough. I had in attendance all the best medical aid in our village; but after exhausting all their skill to no avail, they pronounced my disease a CONFIRMED CONSUMPTION and they one and all gave me up to die. After much persuasion, I got the consent of my physician to use BALSAM OF WILD CHERRY. prepared by Dr. WISTAR. I purchased of the Agent in our place one bottle, before using half of which I began to gain strength, and it was very evident my cough was much better, and my symptoms in every way improving I have now used three bottles, and AM RESTORED TO PERFECT HEALTH. This result is alone owing to the use of Dr. WISTAR'S BALSAM OF WILD CHERRY, and I take this method of giving you the information, partly to pay you the debt of gratitude I owe you, and partly that others similarly afflicted may know where to apply for relief.

Very truly yours,
JAMES SAGE.

Mr. PALMER, Druggist, under date of Waterville, September 24, 1843, writes,

The statement given you by Mr. James Sage is well known to be true by this WHOLE COMMUNITY. It certainly was a most remarkable cure. The sale of the Balsam is very good, and its success in cures truly flattering.

Yours respectfully,
D. D. PALMER.

THE MOST REMARKABLE CURE EVER RECORDED

HADDONFIELD, N. J., April 23, 1843.

On or about the 13th day of October, 1841 I was taken with a violent pain in the side near the liver, which continued for about five days, and was followed by the breaking of ulcer or abscess, inwardly, which relieved the pain a little, but caused me to throw up a great quantity of offensive matter, and also much blood. Being greatly alarmed at this I applied to a physician; but he said he thought he could do but little for me except give me some *Mercury Pills* which I refused to take, feeling satisfied that they could do me no good; many other remedies were then procured by my wife & friends but none did me any good—and the discharge of blood and corruption still continued every few days, and at last became so offensive that I could scarcely breathe. I was also seized with a violent cough, which at times caused me to raise much more blood than I had done before—and my disease continued in this way still growing worse, until February, when all hope of my recovery was given up; and my friends all thought I would die of a GALLOPING CONSUMPTION At this moment, when my life was apparently drawing near its close I heard of DR. WISTAR'S BALSAM OF WILD CHERRY, and got a bottle, which Relieved me immediately; and by the use of only three bottles of this medicine, all my pains were removed—my cough and spitting of blood and corruption entirely stopped, and in a few weeks my health was so far restored as to enable me to work at my trade, (which is a capenter.) and up to this time I have enjoyed good health.

Such is the unprecedented success of this BALSAM

"NATURE'S FAVORITE PRESCRIPTON."

a prescription congeniel to our wants, as is prepared from chemical extracts from substances which the Author of nature has placed in our own land for wise purposes, that many who know nothing of the mode of its preparation are endeavoring the reap pecuniary benefits by selling an article similar in name, or in appearance, or by representing their own trash as superior to this BALSAM or by putting up a mixture and solemnly asseverating that it is imported from a foreign country, which is not the case. All these deceptive arts go to show that WISTAR'S BALSAM is known to the world to be "THE GREAT REMEDY," and that to sell any mixture it must be like this in name or purport, to be like it in substance.

☞ Believe not the cunningly wrought fabrication—and take only the original and genuine WISTAR'S BALSAM OF WILD CHERRY.

HEMSLEY'S WORM DESTROYING SYRUP.

Prepared by R. F. Hemsley,

CHEMIST & PHARMACEUTIST, Easton Md

WHEN we consider the great number of children who die annually in our county by worms it becomes important that the public should be in possession of some Medicine for their removal, which will combine safety and efficiency in its employment, this desideratum is afforded by the 'Worm Destroying Syrup.' It is not my wish nor is it my design to throw around this preparation the unmeaning & extravagant eulogiums with which such medicines are usually ushured into notice. I only desire for it a fair & judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous & respectable families. The presence of worms may generally with readiness be detected by the following.

SYMPTOMS.

Variable appetite—foul tongue—fetid breath—full hard and tense belly—dull heavy expression of the Countenance—a bluish streak under the eye—itching at the nose—puffiness of the upper lip—disordered sleep—grinding of teeth—pain in the bowels & frequently drowsiness or convulsions, attended by slow fever.

RECOMMENDATIONS.

Being acquainted with the general and successful use of Mr. R. F. Hemsley's Worm Destroying Syrup. I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

TRIST. THOMAS, M. D.

I CONCUR IN THE ABOVE,
JAS. A. MUSE, M. D,
Easton March 20 1844

I have for the last two years used with success Mr. R. F. Hemsley's 'Worm Destroying Syrup' Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

WM. H THOMAS, M. D,
Easton March 23d 1844

Having examined MR. R. F. HEMSLEY'S 'WORM DESTROYING SYRUP,' and being conversant with its general and successful employment in Easton and the vicinity, I take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal.

CHRIS. C. COX, M. D.
Easton March 7 1844

There is no authelmimtic preparation from the use of which *I* have seen better results than from MR R. F. HEMSLEY'S 'WORM DESTROYING SYRUP' having been made acquainted with its composition I can confidently recommend it, not only as a vermafuge but as a gentle tonic suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

A. M WHITE, M. D.
Talbot county March 26th 1844

From Dr. W. HEMSLEY.

Having prescribed the 'Worm Destroying Syrup' with success in my neighbourhood I can confidently recommend it as superior to any other preparation offered to the public.

I have tried in a desperate case of worms Mr. R. F. HEMSLEY'S 'WORM DESTROYING SYRUP' and it proved immediately efficacious, this case had baffled the skill of Physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favour of the valuable medicine.
