HEMSLEY'S VEGETABLE
TONIC,
PREPARED BY
R. F. HEMSLEY,
PHARMACEUTIST,—Easton Md.

NO MEDICINE has acquired in so short a time so deserved a popularity; and none is prepared to present so honorable an array of certificates from the FACULTY OF MEDICINE and private individuals throughout the State as *Hemsley's Vegetable Tonic*. In moderate doses, regularly taken, this medicine is a sure preventive of Fever & Ague and Bilious Fever, while it affords in most instances a permanent cure when employed for the removal of these diseases. In all cases of general debility arising from old age, protracted illness, or unnatural delicacy and feebleness of constitution it is without question one of the most agreeable and efficient tonics ever offered to the public Let all who are afflicted apply to this remedy with the full expectation of perfect relief It promises nothing which it is not competent to perform; and must in a very short time be the remedy preferred to all others in the various forms of Fever and Ague and in cases of general debility. Full directions for using it will accompany each bottle.

Certificates.

The undersigned, Physicians of Baltimore having been made acquainted with the ingredients composing "*Hemsley's Vegetable Tonic*," have no hesitation in saying that the compound, it properly used, cannot fail to conduce greatly to the accomplishment of the object proposed in its employment; and do therefore cheerfully recommend it to the afflicted public

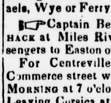

J. K. MILLER, M. D.
Former President of Washington Med. Col and Profesor of Anat. Physiology, &c &c.
SAML. K. JENNINGS, M. D.
Profes. Materia Medica and Therapeutics. Washington Med. Col.
G. R. WRIGHT, M. D.
THOS OWINGS, M. D.
Fayette Street.

The preparation made by Mr. Hemsley Apothecary, Easton, Maryland, and known as "*Hemsley's Vegetable Tonic*," is in my opinion the best article ever offered to the public for the radical cure of that distressing affection, Intermittent Fever. This composition forms a pleasant bitters, and furnishes a most desirable tonic in cases of constitutional debility resulting from natural infirmity or the ravages of disease I have recommended this medicine extensively in my practice and have always found it to answer the desired purpose.
CHRIS C. COX, A. M M. D.

Mr R. F. Hemsley. Sir—This is to certify that for a long time I laboured under the debilitating influence of that dreadful disease, *Ague & Fever*, and had recourse to many remedies recommended to me by Physicians and others, all of which proved unavailing. I heard of your celebrated *Vegetable Tonic*,' of which I procured two bottles, and before I had taken it all I was entirely restored, and have not since felt any symptoms of its return. It has accomplished more in my case than all other remedies put together, and I most cheerfully recommend it to all those persons who may be laboring under this most wretched disease.

HEMSLEY'S WORM
DESTROYING SYRUP.
Prepared by R. F. Hemsley,

CHEMIST & PHARMACEUTIST, Easton Md.

WHEN we consider the great number of children who die annually in our county by worms it becomes important that the public should be in possession of some Medicine for their removal, which will combine safety and efficiency in its employment, this desideratum is afforded by the 'Worm Destroying Syrup.' It is not my wish. nor is it my design to throw around this preparation the unmeaning & extravagant eulogiums with which such medicines are usually ushured into notice, I only desire for it a fair & judicious trial to secure its full approbation. The large and increasing sale of this article is the best proof of the value and estimation in which it is held by numerous & respectable families. The presence of worms may generally with readiness be detected by the following.

SYMPTOMS.

Variable appetite—foul tongue—fetid breath—full hard and tense belly—dull heavy expression of the Countenance—a bluish streak under the eye—itching at the nose—puffiness of the upper lip—disordered and irregular bowels—starting and screaming in sleep—grinding of teeth—pain in the bowels & frequently drowsiness or convulsions, attended by slow fever.

RECOMMENDATIONS.

Being acquainted with the general and successful use of Mr. R. F. Hemsley's Worm Destroying Syrup, I cheerfully recommend it to the public as a valuable remedy for the expulsion of worms.

TRIST. THOMAS, M. D

I CONCUR IN THE ABOVE,
JAS. A. MUSE, M. D,

Easton March 20 1844

I have for the last two years used with success Mr. R. F Hemsley's 'Worm Destroying Syrup' Indeed I look upon it as a specific in those cases, and knowing its composition feel no hesitation in recommending it where worms exist.

WM. H THOMAS. M D,

Easton March 23d 1844

Having examined Mr. R. F. HEMSLEY'S 'WORM DESTROYING SYRUP,' and being conversant with its general and successful employment in Easton and the vicinity, take much pleasure in recommending it to the public as a safe and efficient remedy for the expulsion of worms from the alimentary canal.

CHRIS. C. COX, M. D.

Easton March 7 1844

There is no authelmintic preparation from the use of which *I* have seen better results than from Mr R. F. HEMSLEY'S 'WORM DESTROYING SYRUP' having been made acquainted with its composition I can confidently recommend it, not only as a vermafuge but as a gentle tonic suitable in those cases of debility occurring in consequence of the presence of worms in the stomach and bowels.

A. M WHITE, M. D.

Talbot county March 26th 1844

From DR. W. HEMSLEY

Having prescribed the 'Worm Destroying Syrup' with success in my neighbourhood I can confidently recommend it as superior to any other preparation offered to the public.

I have tried in a desperate case of worms Mr. R. F. HEMSLEY'S 'WORM DESTROYING SYRUP,' and it proved immediately efficacious, this case had baffled the skill of Physicians previously, and the disease must soon have killed the servant. I feel it my duty to give this certificate in favour of the valuable medicine.
