THE NEW TARIFF BILL.

There is much good sense in the following, from the Baltimore American:

One of the provisions of this bill is that if in any year it shall not yield a revenue sufficient for the ordinary wants of the Government, the President shall be authorised to lay a duty of ten per cent, on tea and coffee, and to announce the fact by proclamation.

It would appear from this that the projectors of the new *revenue* tariff are doubtful of its sufficiency as a revenue measuer. Now the present tariff has proved itself to be a good revenue measure—why disturb it?

Does not the whole country perceive that the Tariff of 1842, now operating so well both for the government and the people, is to be destroyed solely because it extends protection to domestic industry? No one denies that it works admirably as a revenue measure. It found the Treasury bankrupt; it has supplied the Treasury to fullness. Its destroyers show by the proviso above mentioned that they doubt their own ability to form a revenue system that shall work so well.

SALES OF TOBACCO—*High Prices.*—The Marlbro' Gazette has the following notice of a sale of Tobacco:

James Kent, Esq., a few days since sold 4 hhds of Tobacco raised on old land, in Calvert county, at the following prices: 1 hhd. at $40.55 per cwt; 1 hhd. $22,50 per cwt; 1 do. at $18.50 do. and one at $12.50 do. The best prices that have been obtained for Maryland Tobacco in Baltimore for several years past.

The Alexandria Gazette of Saturday says—

The supply of Shad and Herring from the Potomac Fisheries, for the last few days, has not at all equalled the demand, and shad have sold at from $10 to $10,50 per hundred, and Herrings at $4,75 to $5 per thousand. Whilst some of the fisheries have succeeded very well at other landings, again, but comparatively few fish have been caught. The cold high winds for a week past have not been favorable.

ALBERT AND VICTORIA.—The present Royal Family of England consists of six persons; Alexandria Victoria, twenty-six years of age; and Albert Francis Augustus Charles Emanuel, her royal husband, who is three months younger than his lady, the Queen. The eldest child will be five years old in November, and rejoices in the mellifluous appellative of Victoria Adelaide Maria Louisa. The next child is a boy, and will be four years old the 9th of November. He will be the king hereafter, if he outlives his mother, and the kingdom endures—the boy taking precedence of his sister, although younger. His name is Albert Edward, and his style the Prince of Wales. The second Princess Royal—two years old—is Alice Maud Mary. The Royal Prince born the 6th of August last, is named Alfred Ernest Albert.

☞ *Medicinal uses of the Wild Cherry*

Ever since the settlement of America, Wild Cherry has been known to possess very important medicinal virtue. *Every body* knew this fact but *nobody* knew how to extract its *essential* properties. Every mother gives Wild Cherry tea to her children for worms, for colds, and for almost every disease, and adults throughout our country are in the habit of making a compound or syrup of Wild Cherry bark, and other ingredients, to be used in Spring as an antidote to complaints incident to that changeful season. It is found by experiment that the Wild Cherry possesses even far more important qualities than was ascribed to it. For the first stages of Consumption, Asthma, no matter *how long standing*, Coughs, Liver Complaint, etc., it is proved to be the best medicine known to man. Dr. Wistars Balsam of Wild Cherry is a chemical extract, combined with a similar extract, from Tar, which enhances its value. Its success in curing Pulmonary disease, in almost every stage, after our best physicians could do no more, has astonished the faculty, and led them to confess that Wistar's Balsam of Wild Cherry possesses a principle heretofore unknown among medical men. PRICES CURRENT.

BALTIMORE, April 20, 1846

FLOUR.—On Saturday nothing of any note was done in Howard street Flour.—The only sale which came under our notice was one of 300 bbls. good brands at $4.81 1-4. The English advices published this morning have produced little effect on the market. If any thing it is a shade duller. There were sales of 1,000 bbls. mixed brands to-day at $4.75. Settlements for receipts from cars are at $4.62 1-2.

City Mills Flour is without inquiry today. Since the receipt of the English news this morning, one or two holders have offered to sell at $4.75.

GRAIN.—We hear of no Md. Wheats at market. It is not probable that good to prime reds could be sold higher than 100 to 105 cts. We note sales of Penna. red and white mixed at 109 cts. and of two lots of Penna. white, one at 112 cts. and the other at 118 cts.

Limited sales of Corn at 62 a 63 cts. for white, and 61 a 65 cts. for yellow.
