endorsement of the party buying them being all that is required to change their ownership.

And this is the work of the Sub-Treasury, hard-money, paper-hating administration! When Mr. Polk came into office we were *promised* that we should have nothing but specie. We get nothing but rags—not bank rags, redeemable in coin—but shinplasters, intended for circulation, and of a character similar to those issued by individuals in the times of the Van Buren experiments on the currency, which were "receivable in the payment for goods purchased at the shop of the undersigned."—*Balt. Patriot.*

Postscript.

ITEMS OF NEWS BY YESTERDAY'S STEAMBOAT.

The city papers of yesterday received by the Cambridge contain little additional news of any interest. We extract the following items.

The Kentucky and Tennessee regiments have marched for Camargo.

The Texans are disbanded and are on their way home, most of them by land through San Antonio.

Col. Hays has authority to raise another regiment of 1000.

Our forces actually engaged at Monterey amounted to only 4300, 700 having been left as a camp guard.

Great excitement prevails in New York in reference to a fugitive slave—a young man of 18 who escaped from Savannah, by secreting himself on board a packet for New York, and was there attempted to be detained by the Captain, to avoid the fine which the laws of Georgia would impose if he should escape. The slave was brought before the Circuit Court (Judge Edmonds) by a writ of Habees Corpus, and after an exciting trial, declared free, and discharged accordingly. The Capt. after an unsuccessful attempt to bring him before the Mayor, at last succeeded in having him arrested by offering a reward of $50. He was again brought before Judge Edmonds, and the case was undecided at the last advices.

The N. Y. Tribune says, that within the last three days not less than 225,000 bushels of grain have been exported from that port, and the demand still exists for more.

A letter published in the City of Mexico states that the Mexican brig of War Malek-Adel was captured in the port of Mazatlan by the Amer. Sloop of War Warren.—Yucatan is again under blockade. The remains of Com. Decatur were interred in Philadelphia on Thursday last.

A series of forgeries amounting to 10,000 or $12,000, have been committed in Boston by a man long in business there. Name not given.

THE STORM.—Sixteen vessels are reported ashore between Montreal and Quebec. The late gale was felt severely on the St. Lawrence.

PRICES CURRENT.

BALTIMORE, Oct. 29, 1846.

Corn.—There is a very fair supply in the market of both old and new. We quote old white at 68a70 cts. and yellow do at 62a65 cts.—new yellow do 55a58 cts. and white do 52a54 cts. per bushel, and in fair request.

Oats.—In the early part of the week sales were making at 28a30 cts, which prices now range.

Dr. Wistar's Balsam of Wild Cherry

Now that this preparation is well known to be a more certain cure for incipient Consumption, Asthma, Liver Complaint, Coughs, and all simular affections, than any other remedy ever known, there will be, & now are found those so villanously wicked as to concoct a spurious and perhaps poisonous mixture, and try to palm it off as the genuine Balsam. We raise *no false alarm.* An imitation appeared in Rochester, N. Y., last winter; and in other parts, another article somewhat resembling Dr. Wistar's Balsam *in name* is sold. We advise the public of these schemes, that their health may not be trifled with, nor ourselves plundered of our just rights. Dr. Wistar's Balsam of Wild Cherry is a new medicine, and more efficacious than any other known. We have the written signatures of such men as Recorder Tallmadge, Counsellor Williams, and John Power, D. D., of N. York; H Gouge, Esq., Member of Parliament, and scores of others, to prove that it has cured Asthma, Bleeding at the Lungs, etc. etc., after the physician's skill had ceased to benefit.

THE ORIGINAL ONLY TRUE, AND GENUINE PILL.

Findly Township, Alleg'y Co. July 2d 1838

Messrs Shinn & Sellers.—I feel it a duty I owe to the public and the standing of your celebrated Pills, to testify to the good effects produced by them in my own case. In the fall of 1837 I was attacked severely with the Chronic Liver Complaint, which prostrated all my physical power. I applied to Dr ——, of Clinton, for medical advice, and although he essayed every thing in his power to mitigate my disease, yet I must honestly say, that I received no permanent relief under his treatment. At this time I considered my case hopeless when seeing your Liver Pills advertised, I, after a good deal of hesitation (being urged to try them by my neighbors) purchased two boxes, and before I had *used one whole box* the pain in my side and shoulders, produced by a diseased Liver, was speedily removed. I continued using the Pills at intervals, upon every return of my symptoms with invariable success. It is in my opinion that the Liver Pills will not fail to cure, when the directions are strictly followed. You are at liberty to make any use of the above that you may think proper. I remain your grateful friend SAMUEL P. MORRISON.
