TRACT SOCIETY.—The important aid rendered the cause of Christian morality in the world. by the distribution of useful religious tracts can hardly admit of serious controversy. We are pleased to state that a successful effort has been made in Easton during the past week, under the immediate direction of the gentlemanly and intelligent agent, Rev. Dr. J. S. Reese, to establish a Tract Society auxiliary to the more extended operations of the State and parent institution. The object being obviously one of social improvement in its most liberal and philanthropic sense and all religious denominations having an equal share in its organization and control, we cheerfully recommend the society to general favor and support.

Mr. Editor.—In justification of the board of Commissioners for Talbot County and in self defence, I am reluctantly compelled to reply to a communication over the signature of Chapel, which appeared in the Star of Tuesday last. The writer of this article, has taken much pains to convince the public, that as an informal application was made to me by the Deputy Sheriff of the County to know whether the board of Commissioners would pay the expence of an Express to Governor Pratt relative to the murder of Firbanks by Millis, therefore an application was made to the Board. Now sir, it is not my intention to enter into a newspaper discussion, as to whom the blame should lie, but simply to give a statement of the facts, as they occurred, that the public may judge whether the charge brought by Chapel against the board of Commissioners has any foundation in truth. On Sunday morning after the murder of J. B. Firbanks by J. Millis, William K. Rathell the deputy Sheriff accompanied by Mr. J. W. Cheezum came to my house; on meeting those gentlemen at the door, Mr. Rathell informed me, that he had come to consult with me relative to the expediency of sending an express to the Governor? and asked whether I thought the Commissioners would levy the requisite amount, my reply as well as I recollect was that the Board could not be convened before Tuesday and that a letter to the Governor would reach him by mail before the Board could meet to authorize the sending an express that I did not believe they would levy the money required, under the circumstances of the case, that there was no evidence before the Jury of Inquest (of which I was a member) to prove that the killing was premeditated & that therefore I as one of the board would not agree to pay the expense. I did not conceive that the Sheriff and Prosecutor, were making a formal application to the Board of Commissioners, but simply that Mr. Rathell had come to consult me as an individual; I therefore did not that I now recollect, mention the matter to the Board; at their next meeting as I understood that a letter had been sent by mail on Monday morning. The Commissioners therefore could not be accused of delinquency of duty, for not doing what they were never requested to do. Mr. Editor I have no charge to bring against the Sheriff of the county for direliction of duty, I believe he did all in his power to capture the murderer, but I do charge Chapel whoever he may be of attempting to do injustice both to the board of Commissioners and to myself as an individual.

Respectfully &c.,
THOS. C. NICOLS,

Jacob Charles took the chair, and W. M. Hardcastle and Lemuel W. Leverton, Esqs. were chosen Vice Presidents, and O. C. Jones, Esq., Secretary. The Chair, in a very brief but sensible manner, explained the object of the meeting.

The Convention then proceeded to select the following committees:

G. W. Harrington, Col. John Nicols, Jacob C. Willson, and Col. Z. W. Potter, were elected to represent the Couniy, in the Gubernatorial Convention to be held in Cambridge on the 16th day of June next.

On motion of Dr. John F. Boon, John Jump, J. S. E Rochester, Dr. John F. Boon and A. J. Willis were elected to represent the county, in the Congressional Convention to be held in Chester Town.

And on motion of W. McLean, Esq., John Jump, W. H. Downes and W. B. Massey, of the upper district—Col. John Nicols, W. McLean and C. R. Nicholson, of the middle district—Willis Charles, Dr. John F. Boon and W. H. Gootee, of the lower district, were elected the Caroline County Central Committee—Col. Nicols Chairman of said Committee.

A proposition was then made to the Convention by Col. John Nicols, to instruct the electors to the Gubernatorial Convention in favor of Theodore R. Loockerman, Esq, but there was immediately such an ebullition of feeling unanimously manifested for that gentleman, that the proposition to instruct was deemed entirely unnecessary and hastily withdrawn.

Resolved, That the proceedings of the Convention be published in the Baltimore American, Baltimore Patriot and Easton Gazette.
