EASTON GAZETTE.

EASTON, Md.

SATURDAY MORNING, NOV. 13.

Our town, was enlivened at an early hour yesterday, by music of a martial character, which on enquiry, we learned was the "Reveille", beaten by order of a member of the State Staff, to warn the members of the several Volunteer Corps, composing the 12th Brigade, that the prade ordered by the General, was to come off.—And it did come off, with a brilliancy and spirit of which the troops and spectators may long be proud. About eleven A. M. the line was formed on Washington street, the right resting on Dover st., embracing the 9th Dragoons and portions of the 4th & 12th Infantry, and the Trappe Riflemen.—The brigade took up the line of march for their usual parade ground, a little south of the Episcopal Church, where they were soon after reviewed by the General commanding and by General Goldsborough of the 6th brigade, followed by a brilliant staff. After the Review the troops were severally drilled, by Company, by Battalion, and by Brigade, in the performance of the several evolutions directed by their commanding officer.

The efficiency of our citizen soldiery has been shown by recent events in Mexico, where high discipline has enabled them to hold ground with the Regulars of the National Army, and we think that the effects of the parade of yesterday, was sufficient to show the most casual spectator that discipline alone is wanting to make us secure at home, from the attacks of any foreign enemy, however numerous, and it is reasonable to expect, that the public spirit of our citizens, will not only sustain the present numerical strength of our volunteer corps, but ere the spring parade comes off, will add new additions to the Brigade.

The elegant appearance of the Staff Officers assembled on this occasion, was the subject of general remark, and should the public service require the aid of such spirits as Ringgold's, Ridgely's or a Watson's, we think yesterdays parade clearly set forth that we have "a few more left of the same sort."

MILITARY COURT MARTIAL. — The Court Martial sitting at Washington on the trial of Lieut. Col. Fremont, on charges brought against him by Gen. Kearney, is now fully engaged in the discharge of its trust. Gen. K. gave his testimony on Thursday, of last week, in the course of which a number of official papers were read. The trial promises to occupy a considerable space of time.

GEN. TAYLOR.—The Washington Union of Saturday night says:

It is understood that Gen. Taylor—who has been absent from his family and private business for more than two years and a half, and during the whole of that time has been engaged in the most important and arduous duties—has asked for leave of absence to return to the United States for six months.

His letter to that effect was received by the Adjutant General yesterday evening; in the course of which, Gen Taylor states that he thinks, in consequence of the present character of the war, his services may not be wanted at this time. He purposes to remove to Matamoras early this month, where he awaits the answer of the Government, and expresses a desire to be in New Orleans by the 1st of December.

We understand the leave of absence has been granted to him; and we have no doubt that, if events should arise to call for his services on that frontier, he will fly to place himself at the head of his gallant army.

BODY FOUND.—On Sunday last the body of a drowned man was found on the upper shore of Cove Point, Talbot county. The body was found by Capt. Walker,' who had it decently interred on the shore.—The body was much disfigured. He had on a pair of grey pantaloons, with a belt over the body, and yarn stockings. There was nothing to indicate his name or residence.

☞ We witnessed on Tuesday last at the Easton Hotel, two frock Coats that had been renovated by E. J. Lyon who professes to renovate and cleanse Ladies' and Gentleman's wearing apparel, and restoring them to their original brightness, (without the use of *Soap*,) and warrants to remove all grease from the collars of Coats, or all spots from tar, grease. paints, turpentine, &c. &c., and we do believe that he can do what he promises, from the examples set before us, having viewed the coats before they were cleansed and afterwards,—we do not hesitate to say it would be a great saving to the community to patronage him. He will remain we are informed a few days at the Easton Hotel, where he has the cleansing Liquid for sale.

POSTSCRIPT.

BY YESTERDAY'S STEAMER.

Important from Mexico.

Death of Capt. Walker—March of Gen. Patterson's Train—Duels at Vera Cruz and Mexico, &c.

The Sun "ponies" have again arrived with late and important intelligence from Mexico, but we have space only for the following extracts, which are from the Picayune, of the 5th inst:

The steamship New Orleans, Capt. Auld, arrived this morning, having left Vera Cruz on the 1st inst.

Gen. Lane entered Puebla on the 13th ult., with 3,000 men and six pieces of artillery—so says a dispatch of Santa Anna. The latter could effect nothing against him on the Pinal.

Gen. Smith has been appointed Governor of the city of Mexico. Gen. Quitman is about to return to the United States. Gen. Shields, Capt. Philip Kearny, Capt Davis, Lieut. Kiger and other officers, will accompany him.

The train which is to come down will be under the command of Col. Harney.—A great number of wounded officers are to accompany.

Major Gaines, Capt. Cassius M. Clay, Capt Headyt Major Borland, Capt. Danley, and Midshipman Rogers came home, and we are happy to add our associate, Mr. Kendall.

Lieut. E. B. Daniels, of the 2d Artillery, has died of his wounds.

It is said, and we believe truly, that Capt Walker, of the Rifles, was killed in the affair at Guamantla. Capt. W. left the castle of Perote in command of three companies in advance of Gen. Lane's train.—Nine miles south of Puebla he met 900 Mexicans, said to be under the immediate command of Santa Anna. In charging, Capt. W. received a lance wound entirely through the body, and also lost a leg by a cannon shot.

A duel was fought near Vera Cruz, outside the Gate of Mercy, on the 1st inst., between Capts. Warrington and White, with muskets at sixty paces. At the first fire Capt. Warrington received a ball thro' the fleshy part of both legs, below the knee.

A duel was fought about the 24th ult. between Capt. Porter, of the rifles, and Capt. Archer, of the voltiguers. At the second fire Captain Archer was shot in the abdomen—a severe but not a dangerous wound.

Gen. Mora y Villamil has been appointed Mexican Secretary of War.

Lieut. Shackleford, of the 2d artillery, has died of his wounds.

Gen Patterson's command was to leave Vera Cruz on the 2d inst. It will be composed of at least 5,000 men.

Senor Rosa, the Mexican Secretary of State, has under the instructions of Pena y Pena, addressed Santa Anna a note from Toluca, ordering him to give up the command of the army to Gen. Rincon, until his conduct in the late battles shall have been investigated by a military council or court martial.

The guerillas are on the road between Queretaro and the capital, and are plundering every traveller they meet.

A letter dated the 12th ult. received at the capital from Queretaro. says Pena y Pena had just arrived, in company with a few deputies.

Gens. Rincon and Bravo have been exchanged for Capts. Heady and C. M. Clay, and other Encarnacion prisoners.

There has been a revolution in Guadalajara. Mr. Kendall thinks Gomez Farias is at the bottom of it.

Gen. Rea. of whom we have heard so much of late, fled with 400 guerillas towards Atlixco. Gen. Santa Anna was, by last accounts, at Tehuacan de las Granades, having been deserted by all his followers except about 200.

Gen. Scott and staff have lately visited the city of Guadulupe. General Almonte reached Queretaro on the 7th ult.

D. H. Payne & Co, H. M., W. H. and E. T. M. Forman, and D. and E. Sprunance, *agt.* vs. Amelia Skinner, Sally H. Skinner, Henry C. Tilghman and his wife Milcah M. Tilghman, Thomas T. Williams and his wife Elizabeth Williams, Christopher Harrison, Executor of Andrew Skinner, Ann S. Reyner, Sarah Pricilla Reyner, John Boon Reyner, and Louisa Reyner, adm'x. of James C. Reyner. } In Chancery. October 27, 1847.

THE object of this suit is to procure a Decree for the sale of certain real estate in Queen Annes Court.

The Bill states that a certain tract of Land which is described in said Bill was purchsed by James C. Reyner deceased of Andrew Skinner formerly of Talbot County and that the said Andrew Skinner died leaving certain heirs who possess the legal right to said Land.

That the said James C. Reyner in his life time was indebted to the Complainant in sums of money therein fully mentioned and that administration of the personal estate of the said James C. Reyner was granted unto one Louisa Reyner, and that said personal estate being insufficient to discharge the debts of the said Reyner the said Complainants are unable to obtain relief except by a sale of the said Real Estate, and that Robert Skinner one of the said heirs mentioned in said Bill resides out of the state of Maryland. It is thereupon Adjudged and ordered that the Complainants by causing a copy of this order to be inserted in some newspaper published in Talbot county once in each successive week for one month before the 4th day of December next give notice to the said absent defendant of the object and substance of this Bill and warn him to appear in this Court in person or by solicitor on or before the fourth day of April next to answer the premises and show cause if any he has why a decree ought not to pass as prayed.
