DR. JAYNES FAMILY MEDICINES

It is our principle in the management of this paper to notice anything which we find out from personal investigation to be of utility to the public —Some of Dr Jayne's medicines we have used in our family for many years For instance "The Expectorant." "The Carminative," & "Vermifuge," which we know to be good for the complaints they profess to cure. We were on Lake Ontario, the past summer, when several of our travelling companions, from having, in Western New York drank, for many days, the limestone water of that region, were badly attacked with violent Diarrhœa and Dysentery. Mr. D had provided himself, previous to leaving home, with "The Carminative of Dr Jayne," and in all cases of its use, and among five gentlemen, it was successful in effecting a speedy cure.

The Expectorant we have known used among our intimate friends with equal success; and we feel that we shall do a good act to families (especially those situated so they cannot have access to immediate medical skill) to advise them to keep on hand both the Expectorant and Carminative. The Expectorant is believed by good physicians, to be the best recipe for Pulmonary Consumptive complaints, that has ever yet been compounded. The reason is, Dr. Jayne is not a quack, but a regular, scientific, and able medical practitioner himself, his medicines are used by the best physicians.

EZRA HOLDEN,
Editor of the Phila. Saturday Courier.

JAYNE'S SANATIVE PILLS, though not recommended as a universal "cure-all," have nevertheless proved superior to every thing of the kind especially in LIVER COMPLAINT and DYSPEPSIA, and when used in conjuction with his Tonic Vermifuge or Alterative, will not fail one time in a hundred of effecting a permanent cure.

WORMS ARE SWEPT AWAY from the Stomach and Bowels by Jayne's Tonic Vermifuge, as by the besom of destruction. They perish under its searching influence instantly, and are expelled with the mucus in which they are imbedded The cure is in almost all cases permanent, and if a recurrence of the disorder should take place, a few doses of the preparation will never fail to produce the desired object—for the effect does not weaken with repetition. Those who suffer from PILES OR REMITENT FEVER or any complaint where a mild tonic or alterative may be desirable, will find in Jayne's Tonic Vermifuge a most valuable remedy.

STILL MORE PROOF.

Darlington, Beaver Co, Pa. Feb. 18. 1839.

Dr D. Jayne.—Dear Sir,—My little son when about two months old, was seized with a bowel complaint. It continued for two weeks without intermission, and notwithstanding the remedies prescribedby a respectable Physician, we gave up the child a victim, as we supposed, to a fatal disease. But I providentially heard of "Jayne's Carminative" as an effectual cure for bowel complaint, and immediately despatched a messenger to a town seventeen miles off for a bottle By the use of this medicine, in less than thirty six hours the disease was checked, and by its constant use for a few days, the child was restored to perfect health. Shortly after this, there occurred a similar case in one of the families of my congregation I prescribed "Jayne's Carminative," and the result was a speedy cure.

The same child, owing to exposure, when recently coming up the Ohio, was attacked by that horrible malady the croup We landed in the night at Beaver Point, and when our fears were alarmed lest the hoarse sepulchral cough was the forerunner of death, we gave him a teaspoontul of your expectorant and applied some liniment to the throat and breast; and before many minutes the hoarseness was gone, the child breathed freely and slept sweetly. Owing to these circumstances it cannot wondered at why I have so high an opinion of your medicines, and why I advise every family to keep them on hand, ready for any emergency.

Respectfully yours,
ARTHUR B. FRADEGORD,

PURIFY THE BLOOD & CLEANSE THE BODY.—It is an established fact that a very large class of diseases can only be cured by such remedies as will enter in o the Blood, and circulate with it, through every portion of the body, for only by this disease; and to attain this desirable end, no preparation has every been so uniformly successful as *Dr JAYNE'S alterative Scrofula, King's Evil Cancer and Cancerous Tumours White Swellings* enlargement of the *Bones, Chronic Rheumatism and Gout*, eruptive disease of the *Skin* old and indolent Ulcers, *Goiterous Swellings* of the *Throat* &c, are cured with a certainty, that has astonished every beholder It is, besides, one of the most pleasant articles that can be taken into the stomach, operating as a tonic, and removing Dyspeptic and Nervous affections, and imparting a glow of animation and health, unequalled by any thing in the Whole Materia Medica.

FEVER AND AGUE—CURE WARRANTED—JAYNE'S AGUE PILLS, which may be had at No. 8 South Third street, in Philadelphia, are warranted to cure the worst forms of Fever and Ague. The money will be refunded in all cases if they fail to cure—but they never do fail.

BEWARE OF THAT COUGH, for coughing denotes irritation in the throat or lungs, which is the immediate precursor of Inflammation, Abscess, Bronchitis, Consumption and Death. Now, there is no need of coughing at all, for Jayne's Expectorant will immediately relieve the cough, subdue the inflammation, cleanse the lungs and throat from all irritating or obstructing matter, and effect a speedy cure.
