He is now ready to execute any orders with punctuality, he flatters himself that from the experience of ten years close application to public business in Baltimore City he has gained sufficient knowledge of the trade to furnish garments combining with the same as much taste and of as good style as they can be furnished in Baltimore, Philadelphia or elsewhere, he insures all work at the establishment to give satsifaction.

DR. THOMPSON'S

MEDICATED SYRUP OF CASTOR OIL.

THE Subscriber would most respectfully inform the Citizens of Cambridge and the Public generally, that he has succeeded in making Castor Oil perfectly agreeable and while it is rendered agreeable to the taste, the Cathartic properties are very little if any dimisished; and by the medication all that acrid quality of which oil is generally possessed which rendered it inadmissable with some persons, especially with infants, is entirely destroyed.

It is well known that Castor Oil is almost an universal medicine—entering into the use of every family, and administered in the treatment of almost every disease—and would be much more frequently prescribed by physicians, was it not for the great aversion to its use. But in this preparation, the subscriber can assure physicians and patients, they will find it so perfectly agreeable to the taste, that infants and ladies of the most delicate stomachs can take it without the least inconvenience. Indeed it is so perfectly palitable that should it be found necessary to take a little more in a dose it will not be found objectionable to the patient.

The Medicated Syrup of Castor Oil may be had at the store of E. M. DAWSON & BROTHER, in Easton. Wholesale and Retail orders from a distance promptly attended to.

Dyspepsia Cured.

MARTIN & WHITLEY'S NATIONAL TONIC is the best remedy ever offered to the public in all cases of Dyspepsia and Ague and Fever. A healthy condition and a natural action of the functions of the Stomach and Liver are necessary to healthy Digestion. The Stomach has been called the centre of Sympathies. It may therefore be truly said there is no disorder of the humane body, which does not, more or less affect the functions of the Stomach. "Indigestion is rarely, if ever the sole cause of organic disease of the Stomach." It is however a very fruitful source of it in other parts of the system. It is, then, evident whatever will restore the tone or healthy action of the Stomach, when impaired by disease, is the only proper Medicine as a curative. Such we feel assured is the national Tonic.

We give below a certificate of a highly respectable gentleman, a merchant in Cumberland County, Pennsylvania, who last summer came to consult a distinguished Physician in this City. He had also sought the aid of several, who rank high in their profession in Philadelphia, and in the State of Pennsylvania. But hearing of this Tonic, determined to use it as directed, and the result has been, as he says a perfect cure.

Church Town, Cumberland Co., Pa., Nov. 3d 1847.

Messrs. Martin & Whiteley,

Gentlemen—I have used your preparation called Fever and Ague Tonic, for the cure of Dyspepsia, and am happy to inform you that it has cured me of the most obstinate and inveterate case of Dyspepsia. I therefore recommend it to all similarly afflicted.

Yours, CARY W. AHL.

N B.—I consider myself perfectly cured of Dyspepsia.

Price $1 per bottle. Around each bottle there is a short treatise on those diseases.—Prepared and sold by Martin and Whiteley at their wholesale Drug Store, 320 Baltimore street.

MARTIN'S COMPOUND SYRUP OF

WILD CHERRY

IS the best remedy now to use in Coughs, Colds, Asthma and Consumption, in its early stages, ever offered to the public. Read the following—

No. 25 Pleasant street, Baltimore, January 26th, 1847.

Dr Martin, Dear Sir—On the 6th of Feb. 1846, I was first taken with a hæmorrhage from my Lungs, and was confined to the house in consequence of it and other pulmonary symptoms for nearly four months I became so exceedingly weak and debilitated by it and the cough and repeated spittings of blood and matter which ensued, that I was entirely prostrated. I however recruited a little and went into the country for two months, but returned without the least benefit, and on my return to the city I had another attack from hæmorrhage. My cough now became so exceedingly harrassing—particularly at night—I thought I should sink under it. My feet, ankles, hands and wrists swelled much, and I nearly lost the use of them. Every morning they were rubbed for near one hour before I could use them, and when I got out of bed I had to be assisted. My expectoration was very profuse and was mixed with clotted blood I suffered much from pain in my breast and shoulders, and at times my whole frame appeared disordered. I was attended by two excellent physicians in the city who ceased to visit me, and I supposed, thought my case beyond the healing art. In fact I was so reduced I never expected to be well again, and many persons both in and out of the city can certify that my case appeared hopeless.

I had used for a long time various pulmonary preparations up to November, but all to no purpose, and hope seemed to have fled—In the latter part of that month you came to see me. After talking with me some time you proposed to me to try your Syrup of Wild Cherry. I did so, and after using it some weeks I began to recover, and now (thank God I think my disease is removed. My cough has left me, my breast is easy, and I sleep soundly and comfortably, and my health and strength daily improves, but as the weather is so unsettled I feel reluctant in turning out. By way of exercise I daily at your request take a turn at wood sawing.

In making my case known I am prompted by no other motive than feelings of benevolence, and for the benefit of others who may be similarly afflicted.

Very respectfully,

THOMAS J HENRIX.

Now in the employment of Canby & Bartlett, Druggists.

MARTIN & WHITELEY'S

NATIONAL TONIC,

A certain cure for Ague and Fever, and Dyspepsia. We publish the certificate of a worthy man who is well known in Queen Annes County and who was speedily relieved by it—

BEAVER DAMS, QUEEN ANNE'S Co., October 3d, 1847

Dr. George T Martin, Respected Sir—In justice to you and to the Public, and to discharge a high and responsible obligation resting upon me, I take this method of making known to the public the remarkable cure your National Tonic has wrought in my particular case I had been laboring under an intermitting fever for 15 months; I had tried different eminent Physicians but without success; 'tis true the quinine would stop the chills a day or two, but they would return with double violence until I became weak and emaciated, my stomach swollen and hard, my spirits broken, and had but little hope of again becoming a sound man; last winter I accidentally saw this invaluable TONIC and commenced taking it, and before I used HALF a bottle my chills left me, my appetite gradually returned and my spirits also, and by the time I had finished the one bottle I was, as it were, a new man. Nearly a year has elapsed and I have not had a single chill. Your Pills are the most popular Pills among us.

Yours with respect,

JOHN NELSON.

Martin's Universal Purgative Pills.

In offering these Pills to the public we know there cannot be found a better, or a more safe, easy or agreeable remedy, in all cases where a Purgative is needed. They speedily remove all irritating matters retained in the bowels, or when the habitual alvim discharges are too tardy or insufficient for health, by their specific virtues they restore the secretions to a healthy action, and the blood to its natural purity.

Extract from W. L Jones' letter—

I have been using Dr Martin's Universal Purgative Pills for the last 4 years, both personally and in my family, and with great confidence recommend them as a certain and safe purgative, and for the billious fever I have never known them to fail; in a word I have had much sickness and use nothing else.

Respectfully yours, W. L. JONES,

Surgeon Dentist, Caroline Co., Md.
