CEDAR POINT
FOR SALE.

I WILL SELL the above named Farm on which I now reside, situate in Edmondson's Neck, four miles Southwest of Easton, Md. It contains

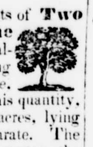

416 acres Arable,

AND **229** ACRES OF TIMBER LAND.

The former is in a high state of cultivation, (set in Clover and Timothy,) and laid off in shitts of seventy-five acres each, together with five house lots for the use of Orchards, Truck Patches, Clover, &c.

Ninety acres are in New York flint wheat, and one hundred and fifty in Corn, which, with Sweet and Irish Potatoes, &c., present a flattering prospect.

The balance of the Land consists of **Two hundred and twenty-nine acres of Timber,** equal for value and size to any in the State, being mostly White Oak and Yellow Pine, suitable for Ship Building. Of this quantity, if desired, one hundred and fifty acres, lying compactly together, will be sold separate. The whole is convenient to navigable water, the greatest distance therefrom being not over half a mile.

More than half of this valuable and beautiful property is bounded by Navagable Salt Water, having deep clean & sandy shores. In their respective seasons may be found in great plenty, Wild Fowl, Fish, Oysters, Crabs, Terrapins, &c.

Means for still rendering the Land more productive, are abundant, and consists of Indian shell Turf, &c. The former in vast quantities may be had in many sections round the shores. The Farm is well supplied with Wells and never failing springs of pure and wholesome water.—The neighborhood in respectability, health, and agricultural improvement is surely not surpassed in this State. Steamboats to and from Baltimore, Annapolis and Cambridge, pass almost daily within one fourth of a mile of the dwelling and one hundred yards of the wharf. These, with the numerous packets and other vessels afford constant and easy access to market, and render the scene pleasing and cheerful.

The BUILDINGS, which are many, and suited to almost every purpose, are extensive and nearly new, having been erected by faithful mechanics, under the owner's supervision, within four years. The Dwelling is forty feet square, two stories high, and completely furnished with Marble Mantels, Bells, &c., throughout the building.

The Land, with what is now growing thereon, will be sold together or separate, and possession given immediately. When disposed of, the stock, consisting of Horses, Cows, Hogs, Sheep, &c., together with a complete set of Farming Implements, will be sold on accommodating terms.

For further particulars apply to my agent, SAM'L. HAMBLETON, JR. Attorney at law, Easton, or to the suberiber, on the premises.

HO! HO! YOU'RE GETTING BALD, ARE YOU?—Well, that is a misfortue and not a crime; but to *remain bald,* when so fine an opportunity offers to restore your hair, by a faithful and liberal use of *Jayne's Hair Tonic* is but little short of crime. This valuable preparation excites the scalp to a new and healthy action, cleanses it from scurf and dandruff, prevents the hair from falling off, cures those eruptive diseases which often appear on the head, and in a majority of cases produces a fine growth of new hair. It also gives the hair a rich and beautiful appearance, unequalled by anything of the kind.

"IS THIS MEDICINE?"—We exclaimed the other day, on tasting some of Jayne's Tonic Vermifuge. It certainly has none of the nauseous flavour, which one associates with the idea of physic. Children consider it quite a treat, & in taking it, their palates are gratified, and their health restored at the same time. Jayne's Tonic Vermifuge not only destroys worms, but carries off the mucus in which they are imbedded, and effects a radical and permanent cure. Every mother knows the prominent symptoms of worms, such as voracity, leanness, fetid breath grinding of the teeth during sleep, paleness of the lips, itching of the nose, &c., but there is other indications not so generally recognized.—A dry cough, dull eyes, enlargement of the abdomen, and many other symptoms common to other diseases, frequently denote the presence of worms. If their existence is even suspected, the Vermifuge should be administered, because it can do no harm in any case, and may do incalculable good.

READ IT! IT SPEAKS FOR ITSELF, AND COMMENTS ARE UNNECESSARY.

Philadelphia, May 28th, 1845.

Dr. Jayne—Dear Sir; I feel bound to the afflicted to give publicity to the extraordinary effects of your valuable medicine.

I have suffered for several years past with Liver Complaint, and the train of diseases which follow—a complete prostration of the system—so that it was with great difficulty I could walk, and at times I was confined to my room. To add to my misery, a Scrofulous affection appeared in my throat, with Rheumatism in my arms, so that I could not raise my right arm to my head. In the hottest weather my feet and hands would ache with the cold, and prospiration had almost ceased. I now became afflicted with a dry hoarse cough, and gave up all hopes of ever getting well. I had night sweats, and got little or no sleep, with frightful dreams and morbid headache. I seemed to be bordering on INSANITY, and was denied all study or mental exercise. I could not read a small paragraph in a newspaper without great difficulty. I had great soreness in my stomach, which caused it to swell so much that I was unable to lie down, or even recline, but had to be propped up in a chair.

I had the advice of some eminent physicians, and tried nearly all the remedies used in such cases, but continued to grow worse, and it appeared as though a speedy dissolution was taking place.

I now heard of your medicines, and determined to try your Sanitive Pills, and to my surprise the soreness left me, so that I could walk about the house. I continued to improve from that time. Shortly after my wife called at your store, and obtained a bottle of your ALTERATIVE.

After taking which and the Pills for three weeks, there was a decided change for the better, so that when I called upon you, you said that I would get well, and that your ALTERATIVE would cure me effectually. With no hopes, however, of getting well, I still continued taking your Alterative, until I had taken the fourth bottle, when there was a sudden change in my whole system, as though I had got rid of some great burthen, and I could draw my breath as usual. My nerves gradually became strong, and my appetite returned.

It has been about four months since I commenced taking your Medicines, and at this time nearly every vestige of disease is eradicated from my system. I am as active, and nearly as strong, as at any period of my life.—I have now gained nine pounds in two months.

I have good reason to believe that the use of your valuable medicine, by the blessing of God, has saved me from a premature grave.

Facts are Stubborn Things!

MARTIN'S COMPOUND SYRUP OF
WILD CHERRY

IS the best remedy now in use in Coughs, Colds, Asthma and Consumption, in its early stages, ever offered to the public. Read the following—

No. 25 Pleasant street, Baltimore, January 26th, 1847.

Dr. Martin: Dear Sir:—On the 6th of Feb. 1846, I was first taken with a hæmorthage from my Lungs, and was confined to the house in consequence of it and other pulmonary symptoms for nearly four months. I became so exceedingly weak and debilitated by it and the cough and repeated spittings of blood and matter which ensued, that I was entirely prostrated. I however recruited a little and went into the country for two months, but returned without the least benefit, and on my return to the city I had another attack from hæmorrhage. My cough now becomes so exceedingly harrassing—particularly at night. I thought I should sink under it. My feet, ankles, hand and wrisio swelled much, and I nearly lost the use of them. Every morning they were rubbed for near one hour before I could use them, and when I got out of bed I had to be assisted. My expectoration was very profuse and was mixed with clotted blood I suffered much from pain in my breast and shoulders, and at times my whole frame appeared disordered. I was attended by two excellent physicians in the city who cease to visit me, and I supposed, thought my case beyond the healing art. In fact I was so reduced I never expected to be well again, and many persons both in and out of the city can certify that my ouse appeared hopeless.

I had used for a long time various pulmonary preparations up to November, but all to no purpose, and hope seemed to have fled. In the latter part of that month you came to see me. After talking with me some time you proposed to me to try your Syrup of Wild Cherry. I did so and after using it some weeks I began to recover, and now (thank God) I think my disease is removed. My cough has left me, my breast is easy, and I sleep soundly and comfortably and my health and strength daily improves, but as the weather is so unsettled I feel reluctant in turning out. By way of exercise I daily at your request take a turn at wood sawing.

In making my case known I am prompted by no other motive than feelings of benevolence, and for the benefit of others who may be similarly afflicted. Very respectfully,

THOMAS J. HENRIX.

MARTIN AND WHITELEY'S
NATIONAL TONIC,

A certain cure for Ague and Fever, and Dyspepsia. We publish the certificate of a worthy man who is well known in Queen Anns County, and who was speedily relieved by it—

BEVER DAMS, QUEEN ANNE'S Co. October 3d, 1847.

Dr. George. T. Martin, Respected Sir:—In justice to you and to the Public, and to discharge a high and responsible obligation resting upon me, I take this method of making known to the public the remarkable cure your National Tonic has wrought in my particular case. I had been laboring under an intermitting fever for 15 months; I had tried different eminet Physicians but without success; 'tis true the quinine would stop the chills a day or two, but they would return with double violence until I became weak and emaciated, my stomach swollen and hard, my spirits broken, and had but little hope again becoming a sound man; last winter I accidentally saw this invaluable TONIC and commenced taking it, and before I used HALF a bottle my chills left me, my appetite gradually returned, and my spirits also, and by the time I had finished the one bottle I was, as it were, a new man. Nearly a year has elapsed and I have not had a single chill. Your Pills are the most popular pills among us. Yours with respect,

JOHN NELSON.

Martin's Universal Purgative Pills.

In offering these Pills to the public we know there cannot be found a better, or more safe, easy or agreeable remedy, in all cases were a Purgative is needed. They speedily remove all irritating matters retained in the bowels, or when the habitual alvim discharges are too tardy or insufficient' for health, by their specific virtues they restore the secretions to a healthy action, and the blood to its natural purity.

Extract from W. L. Jones' letter—

I have been using Dr. Martin's Universal Purgative Pills for the last four years, both personally and in my family, and with great confidence recommend them as a certain and safe purgative, and for the billious fever I have never known them to fail; in a word I have had much sickness and use nothing else.

Respectfully yours, W. L. JONES,

DR. THOMPSON'S
MEDICATED SYRUP OF CASTOR OIL.

THE subscriber would most respectfully inform the citizens of Cambridge and the public generally, that he has succeeded in making Castor Oil perfectly agreeable, and while it is rendered agreeable to the taste, the Cathartic properties are very little if any diminished; and by the medication all that acrid quality of which Oil is generally possessed which rendered it inadmissable with some persons, especially with infants, is entirely destroyed.

It is well known that Castor Oil is almost an universal medicine—entering into the use of every family, and administered in the treatment of almost every disease—and would be much more frequently prescribed by physicians, was it not for the great aversion to its use. But in this preparation, the subscriber can assure physicians and patients, they will find it so perfectly agreeable to the taste, that infants and ladies of the most delicate stomachs can take it without the least inconvenience. Indeed it is so perfectly palatable that should it be found necessary to take a little more in a dose, it will not be found objectionable to the patient.

The Medicated Syrup of Castor Oil may be had at the store of E. M. DAWSON & BRO., in Easton. Wholesale and Retail orders from a distance promptly attended to.
