ASTHMA CURED BY JAYNE'S EXPECTORANT.

Lambertville, N. J., April 27, 1844.

Dr. Jayne, Dear Sir—By the blessing of God, your EXPECTORANT has effected a cure in me of a most distressing complaint. In December last, I was seized with great severity by a paroxysm of Asthma; a disease with which I had been afflicted for many years past. It was attended with a hoarseness and soreness of the lungs and throat, together with a laborious cough and complete prostration of strength, and worn out with suffocation, when a bottle of your Expectorant was sent to my house. At first I thought it was nothing but quackery, but seeing it was so highly recommended by Dr. Going, with whom I was well acquainted, I was induced to try it, and in a few days it completely cured me, nor have I ever had any return of the disease since. I have now formed so high an opinion of your medicine, that if I had but a few bottles of it, and could obtain no more, I would not part with them for ten dollars each. Yours, most respectfully,

JOHN SEGER,
Pastor of the Baptist Church at Lambertville.

NO EXCUSE FOR A BALD HEAD.

From the Somerville, N. J. Whig.

Sometime since I called upon Mr. P. Mason, of Somerville, for Dr. JAYNE'S celebrated HAIR TONIC, to restore my hair, which was then falling out daily. I procured one bottle, and applied its contents according to the directions.—When the bottle was exhausted, I discovered to my great surprise and satisfaction, that the young hair was starting handsomely; I therefore purchased another, and so on till I had used three bottles, and now as a compensation, my hair is as thick as ever.

And what is more surprising, my baldness was not occasioned by sickness, in which case there is grater hope of restoration—but was hereditary.

AN IMPORTANT CURE BY DR. JAYNE'S ALTERATIVE.—We have been informed by Mrs. Mahan, (a grand-daughter of old Gen. Wayne) that she suffered for a number of years from the growth of a large Goitrous Tumor, which besides great deformity, produced both a difficulty of deglutition, and of breathing. Indeed, she says, the pressure upon the wind-pipe was so great, as to prevent her from sleeping in a recumbent position, and often suffocation appeared inevitable. She also labored under severe indisposition from LIVER COMPLAINT and JAUNDICE, with a horrible train of nervous affections, for which she used *Dr. Jayne's Alterative*, which she took regularly for six or seven weeks, with occasional doses of his Sanative Pills, and her general health was thereby completely re-established, and now perceiving some dimunition in the size of the Goitrous Tumor, she was encouraged to persevere in the use of the Alterative, until every vestige of the painful Tumor was entirely removed.

We cannot speak too highly of this important preparation of Dr. Jayne, and for the sake of suffering humanity, hope that it may become more generally known.—*Public Ledger.*

Worms! Worms! Worms!—To remove those troublesome and dangerous inhabitants of the stomach and bowels, which so often impair the health and destroy the lives of children, use *Jayne's Tonic Vermifuge*, a certain and safe preparation for the removal of the various kinds of worms, dyspepsia, sour stomach, want of appetite, infantile fever and ague, and debility of the stomach and bowels and organs of digestion.

It is without exception one of the most valuable preparations in the world.

Facts are Stubborn Things!

MARTIN'S COMPOUND SYRUP OF

WILD CHERRY

IS the best remedy now in use in Coughs, Colds: Asthma and Consumption, in its early stages, ever offered to the public. Read the following—

No. 25 Pleasant street, Baltimore,
January 26th, 1847.

Dr. Martin; Dear Sir:—On the 6th of Feb. 1846, I was first taken with a hæmorthage from my Lungs, and was confined to the house in consequence of it and other pulmonary symptoms for nearly four months. I became so exceedingly weak and debilitated by it and the cough and repeated spittings of blood and matter which ensued, that I was entirely prostrated. I however recruted a little and went into the country for two months, but returned without the least benefit, and on my return to the city I had another attack from hæmorrhage. My cough now becomes so exceedingly harrassing—particularly at night. I thought I should sink under it. My feet, ankles, hand and wrist swelled much, and I nearly lost the use of them. Every morning they were rubbed for near one hour before I could use them, and when I got out of bed I had to be assisted. My expectoration was very profuse and was mixed with clotted blood I suffered much from pain in my breast and shoulders, and at times my whole frame appeared disordered. I was attended by two excellent physicians in the city who cease to visit me, and I supposed, thought my case beyond the healing art. In fact I was so reduced I never expected to be well again, and many persons both in and out of the city can certify that my case appeared hopeless.

I had used for a long time various pulmonary preparations up to November, but all to no purpose, and hope seemed to have fled. In the latter part of that month you came to see me. After talking with me some time you proposed to me to try your Syrup of Wild Cherry. I did so and after using it some weeks I began to recover, and now (thank God) I think my disease is removed. My cough has left me, my breast is easy, and I sleep soundly and comfortably and my health and strength daily improves, but as the weather is so unsettled I feel reluctant in turning out. By way of exercise I daily at your request take a turn at wood sawing.

In making my case known I am prompted by no other motive than feelings of benevolence, and for the benefit of others who may be similarly afflicted. Very respectfully,

THOMAS J. HENRIX.

Now in the employment of Canby and Bartlett, Druggists.

MARTIN AND WHITELEY'S

NATIONAL TONIC,

A certain cure for Ague and Fever, and Dyspepsia. We publish the certificate of a worthy man who is well known in Queen Anns County, and who was speedily relieved by it—

BEVER DAMS, QUEEN ANNE'S Co.
October 3d, 1847.

Dr. George. T. Martin, Respected Sir:—In justice to you and to the Public, and to discharge a high and responsible obligation resting upon me, I take this method of making known to the public the remarkable cure your National Tonic has wrought in my particular case. I had been laboring under an intermitting fever for 15 months; I had tried different eminet Physicians but without success; 'tis true the quinine would stop the chills a day or two, but they would return with double violence until I became weak and emaciated, my stomach swollen and hard, my spirits broken, and had but little hope again becoming a sound man; last winter I accidentally saw this invaluable TONIC and commenced taking it, and before I used HALF a bottle my chills left me, my appetite gradually returned, and my spirits also, and by the time I had finished the one bottle I was, as it were, a new man. Nearly a year has elapsed and I have not had a single chill. Your Pills are the most popular pills among us. Yours with respect,

JOHN NELSON.

Martin's Universal Purgative Pills.

In offering these Pills to the public we know there cannot be found a better, or more safe, easy or agreeable remedy, in all cases were a Pugative is needed. They speedily remove all irritating matters retained in the bowels, or when the habitual alvim discharges are too tardy or insufficient' for health, by their specific virtues they restore the secretions to a healthy action, and the blood to its natural purity.

Extract from W. L. Jones' letter—

I have been using Dr. Martin's Universal Purgative Pills for the last four years, both personally and in my family, and with great confidenee recommend them as a certain and safe purgative, and for the billious fever I have never known them to fail; in a word I have had much sickness and use nothing else.

Respectfully yours, W. L. JONES,
Surgeon Dentist, Caroline Co., Md.
