CEDAR POINT
FOR SALE.

I WILL SELL the above named Farm on which I now reside, situate in Edmondson's Neck, four miles Southwest of Easton, Md. It contains

416 acres Arable,
AND **229** ACRES OF TIMBER LAND

The former is in a high state of cultivation, (set in Clover and Timothy,) and laid off in shifts of seventy-five acres each, together with five house lots for the use of Orchards, Truck Patches, Clover, &c.

Ninety acres are in New York flint wheat, and one hundred and fifty in Corn, which, with Sweet and Irish Potatoes, &c., present a flattering prospect.

The balance of the Land consists of **Two hundred and twenty-nine acres of Timber,** equal for valine and size to any in the State, being mostly White Oak and Yellow Pine, suitable for Ship Building. Of this quantity, if desired, one hundred and fifty acres, lying compactly together, will be sold separate. The whole is convenient to navigable water, the greatest distance therefrom being not over half a mile.

More than half of this valuable and beautiful property is bounded by Navagable Salt Water, having deep clean & sandy shores. In their respective seasons may be found in great plenty, Wild Fowl, Fish, Oysters, Crabs, Terrapins, &c.

Means for still rendering the Land more productive, are abundant, and consists of Indian shell Turf, &c. The former in vast quantities may be had in many sections round the shores. The Farm is well supplied with Wells and never failing springs of pure and wholesome water.—The neighborhood in respectability, health, and agricultural improvement is surely not surpassed in this State. Steamboats to and from Baltimore, Annapolis and Cambridge, pass almost daily within one fourth of a mile of the dwelling and one hundred yards of the wharf. These, with the numerous packets and other vessels afford constant and easy access to market, and render the scene pleasing and cheerful.

The BUILDINGS, which are many, and suited to almost every purpose, are extensive and nearly new, having been erected by faithful mechanics, under the owner's supervision, within four years. The Dwelling is forty feet square, two stories high, and completely furnished with Marble Mantels, Bells, &c., throughout the building.

The Land, with what is now growing thereon, will be sold together or separate, and possession given immediately. When disposed of, the stock, consisting of Horses, Cows, Hogs, Sheep, &c., together with a complete set of Farming Implements, will be sold on accommodating terms.

For further particulars apply to my agent, Sam'l. Hambleton, jr. Attorney at law, Easton, or to the subscriber, on the premises.

DISEASE OF THE SKIN CURED.

From Mrs. Sisome, formerly Mrs. James, of Philadelphia.

Bristol, Pa., Jan. 16, 1846.

Messrs. Editors:—I write to inform you and the public, that my son was under the treatment of our family doctor for more than a year, for a very troublesome disease of the skin, without obtaining any relief. I then applied to several other physicians, who gave him so much medicine, and dieted him so low, that I thought he would die from its effects. One physician told me that it was a disease to which some families were subject, and *could not be cured.* Some called it Scrofula, and others Tetter, Salt Rheum, Eczema, Leprosy, &c.—After trying every means for nearly five years without effect, I was advised to give him Dr. Jayne's Alterative. At this time he was literally sore from his head to his feet. Sometimes it would dry up and scurf off, and then break out again as bad as ever, and itch and burn so intolerably as to drive him almost to distraction. He had not taken the Alterative, however, two weeks before there was a change for the better. He went to school all the time while taking the medicine, and partook of the same kind of food as the rest of the family, and run about through thick and thin, the same as the other boys of the school, until he was perfectly cured, and became fat and hearty, and though now over five years ago, yet not a symptom of the disease has ever made its appearance. He took altogether twenty-six bottles of the Alterative, and no other medicine while using it. Yours, respectfully,

Mary Ann Sisome.

It is without exception one of the most valuable preparations in the world.

Dr. L. J. Higby, Milwaukie, W. Facts are Stubborn Things!
MARTIN'S COMPOUND SYRUP OF
WILD CHERRY

IS the best remedy now in use in Coughs, Colds, Asthma and Consumption, in its early stages, ever offered to the public. Read the following—

No. 25 Pleasant street, Baltimore, January 26th, 1847.

Dr. Martin: Dear Sir:—On the 6th of Feb. 1846, I was first taken with a hæmorrhage from my Lungs, and was confined to the house in consequence of it and other pulmonary symptoms for nearly four months. I became so exceedingly weak and debilitated by it and the cough and repeated spittings of blood and matter which ensued, that I was entirely prostrated. I however recruited a little and went into the country for two months, but returned without the least benefit, and on my return to the city I had another attack from hæmorrhage. My cough now becomes so exceedingly harrassing—particularly at night. I thought I should sink under it. My feet, ankles, hand and wrists swelled much, and I nearly lost the use of them. Every morning they were rubbed for near one hour before I could use them, and when I got out of bed I had to be assisted. My expectoration was very profuse and was mixed with clotted blood I suffered much from pain in my breast and shoulders, and at times my whole frame appeared disordered. I was attended by two excellent physicians in the city who cease to visit me, and I supposed, thought my case beyond the healing art. In fact I was so reduced I never expected to be well again, and many persons both in and out of the city can certify that my case appeared hopeless.

I had used for a long time various pulmonary preparations up to November, but all to no purpose, and hope seemed to have fled. In the latter part of that month you came to see me. After talking with me some time you proposed to me to try your Syrup of Wild Cherry. I did so and after using it some weeks I began to recover, and now (thank God) I think my disease is removed. My cough has left me, my breast is easy, and I sleep soundly and comfortably and my health and strength daily improves, but as the weather is so unsettled I feel reluctant in turning out. By way of exercise I daily at your request take a turn at wood sawing.

In making my case known I am prompted by no other motive than feelings of benevolence, and for the benefit of others who may be similarly afflicted. Very respectfully,

THOMAS J. HENRIX.

Now in the employment of Canby and Bartlett, Druggists.

MARTIN AND WHITELEY'S
NATIONAL TONIC,

A certain cure for Ague and Fever, and Dyspepsia. We publish the certificate of a worthy man who is well known in Queen Anns County, and who was speedily relieved by it—

Bever Dams, Queen Anne's Co. October 3d, 1847.

Dr. George. T. Martin, Respected Sir:—In justice to you and to the Public, and to discharge a high and responsible obligation resting upon me, I take this method of making known to the public the remarkable cure your National Tonic has wrought in my particular case. I had been laboring under an intermitting fever for 15 months; I had tried different eminet Physicians but without success; 'tis true the quinine would stop the chills a day or two, but they would return with double violence until I became weak and emaciated, my stomach swollen and hard, my spirits broken, and had but little hope again becoming a sound man; last winter I accidentally saw this invaluable Tonic and commenced taking it, and before I used half a bottle my chills left me, my appetite gradually returned, and my spirits also, and by the time I had finished the one bottle I was, as it were, a new man. Nearly a year has elapsed and I have not had a single chill. Your Pills are the most popular pills amoung us. Yours with respect,

JOHN NELSON.

Martin's Universal Purgative Pills.

In offering these Pills to the public we know there cannot be found a better, or more safe, easy or agreeable remedy, in all cases were a Purgative is needed. They speedily remove all irritating matters retained in the bowels, or when the habitual alvin discharges are too tardy or insufficient for health, by their specific virtues they restore the secretions to a healthy action, and the blood to its natural purity.

Extract from W. L. Jones' letter—

I have been using Dr. Martin's Universal Purgative Pills for the last four years, both personally and in my family, and with great confidence recommend them as a certain and safe purgative, and for the billious fever I have never known them to fail; in a word I have had much sickness and use nothing else.

Respectfully yoms, W. L. JONES,
Surgeon Dentist, Caroline Co., Md.

SELLING OFF

HATS & CAPS.

HAVING determined to close up my business at the end of the year, (unless things alter very much for the better) I will sell HATS and CAPS until that time, at greatly reduced prices for *Cash only.* I am compelled (though very reluctantly) to adopt the above course for various reasons too tedious to mention, and therefore trust the Public will not blame me, but come up like *men* and pay me off. All persons having claims against me will bring them in immediately for liquidation.

THOS. BEASTON.

N. B.—Persons friendly to the "Hatter," who are in the habit of buying "Cheap for Cash," can have any opportunity to do so, until the end of the year. T. B.
