by him on contract—that he is paid for the service—that *a committee* of the party supervises the management of the sheet. This may be false rumor. Let our neighbor enlighten us as to these reports, as he knows so much of *our* sheet and its management.

FATAL AFFRAY.—On Friday night week, about half past nine o'clock, at a low place of resort in this town, an altercation took place between Thomas B. Ozment, of Jackson, Miss., and John A. Catrup, of this county, which resulted in the death of the latter in about 23 hours. Upon examination by Drs. Williamson, Cox and Thomas, a severe wound was discovered on the left side of the abdomen, made by a knife or some other sharp instrument, which caused internal hemorrhage, and which wound, Catrup made oath, was inflicted by Ozment, who was immediately arrested, and is now awaiting his trial at the next terms of Talbot County Court. A post mortem examination was held by Dr. Williamson, assisted by Drs. Cox and Anderson, on Sunday morning, as also was a Coroner's inquest, which resulted in accordance with the facts as above stated. For the sake of the families of both parties, and for the honor of our usually quiet town, we most sincerely regret this affair, and trust it will in a great measure, put a stop to the pernicious practice so much in vogue of carrying deadly weapons.

ALARM OF FIRE.—On Thursday afternoon the roof of the dwelling house of Ennalls Martin, Esq., on Dover street, was discovered to be on fire, but owing to the prompt assistance of our Citizens and fire company, it was speedily extinguished.—Loss, very slight.

MARYLAND MILITARY ACADEMY. We understand that Mr. Allen the Principal of this Institution has been spending the vacation at the North, in visiting the Colleges and Accademies—procuring assistant Teachers and making other arrangements to promote the efficiency of his Institution. He will return to Oxford about the middle of September.

GEN. CASS' EXTRA PAY.—We occupy a large portion of our paper to-day with the speech of Mr. Stewart in relation to the extra pay of the two Candidates.—Let no one be deterred from reading it on account of its length, but let every one of our readers after an attentive perusal decide which it is his duty to support for the office of President.

STOP THIEF!—The following article is going the rounds of the Locofoco papers in this region and farther North, and last week it appeared in the Easton Star:—

A HARD HIT.

The New Orleans Bulletin a Taylor paper, gets mournfully merry over the defections from Taylorism, and hits off the deserters in the following anecdote:

The present position of the Taylor party reminds us of a story we once heard of a farmer, who one morning, let his sheep out of the pen. Having put down the bars the old man stood by to count them as they hopped over, & began:—"There goes one"—"there goes two"—"there goes three"—"there goes the old Ewe"—"there goes a black one"—"there goes a whole heap, and curse them, there they all go!"

So it is with the Taylor party. At first we could count the deserters—one, two, three; but it was soon ascertained that the *bounds were broken—that the bars were down*, and the "old ewes" began hopping over very fast, and followed so rapidly by "whole heaps," as to bid defiance to any attempts to keep count, and soon poor Taylor will have to exclaim, "*Curse them! there they all go!*"

As the article appeared in the Bulletin, it read "Cass party," instead of "Taylor party" as above, and "Taylor" has been substituted for "Cass" in the three places, where names are mentioned. We hope our *conscientious* opponents received great encouragement from their remarkably cunning trick, and we suppose they call that a *grand discussion of principles!* We shall expect to see a few more before the election, as they will thicken as the prospects of their candidate grow gloomy and desperate. "Whom the gods would destroy, they first make mad."

A NEW COUNTERFEIT.—We learn that there has recently been put in circulation in this city, counterfeit $5's of the *Washington county (Md.) Bank*, letter A, No. 219. The vignette is a profile eagle flying over the ocean. The word "Williamsport" is very indistinct, and in small Roman capitals. The figure "5" is on each corner of the note, and also each side of the eagle.—The note we have seen is payable to W. S. Dall, and dated June 6, 1846. the words "Washington County Bank" are in large Roman, but very indistinct capitals, by which they can be easily detected.

The annual commencement of Washington College, Kent county, Md., took place on Saturday, 19th inst. Judge CHAMBERS, the President of the Board of Visiters, announced the entire satisfaction of the Trustees with the Professors, the Pupils, the course of instruction and the good discipline at the College, and did not hesitate to recommend the institution as worthy of the patronage of the public.

POTATO ROT. We see by the Crawfordsville (Ind.) Journal, the Peoria (Ill.) Register, the Tazewell Mirror, and other papers West, that the potato rot has appeared in the respective sections of country in which these papers are printed. Fears are entertained that the crop, which promised some time since to be unusually large, will in those sections of country be almost totally destroyed.

RESIGNATION.—We learn that the Rev. Dr. Durbin, President of the Board of Corporators of the Philadelphia College of Medicine, and Drs. Gardner and Beatty, Professors of that Institution, have resigned.—*Philadelphia News.*

Mr. WILLIAM S. BRUNNER, long connected with the Baltimore American, in a responsible situation, died last week, and his loss is deplored by the editors of that paper in a feeling manner, highly complimentary to his integrity and fidelity.

PHILADELPHIA.—The Whigs of Philadelphia held a grand ratification meeting on Saturday evening—the assemblage being the largest ever held in that city.

On taking the chair, Mr. SWIFT made a very pertinent address, wherein he stated the object of the assemblage to be the ratification of the recent proceedings of the Pennsylvania Whig State Convention at Harrisburg.

Mr. JOSEPH R. CHANDLER, on behalf of the delegates from Philadelphia, gave a brief history of the proceedings of the State convention, spoke of the unanimity which existed among them, and made a happy allusion to the unanimous choice of Mr. W. F. Johnston, (the present acting Governor) as their candidate for the next Governor.

The meeting was successively addressed by W. F. JOHNSTON, Governor PENNINGTON, New Jersey; Z. COLLINS LEE, and W. COST JOHNSON, of Maryland; MORTON MCMICHAEL, and others.

IOWA ELECTION.—Miller, whig, is said to have 130 majority for Congress in the 1st. district of Iowa, over Thompson, democrat; but the latter, it is alleged, will receive the certificate of election, in consequence of the rejection of a poll book in one precinct.

KENTUCKY FOR TAYLOR.—According to the Louisville Journal, Mr. Crittenden says that, wherever he went during his late canvass in Kentucky, he saw or heard of numbers of Democrats who avowed their determination to vote for Gen. Taylor.—He adds, that, if any one of these Democrats voted for himself, he is not aware of it. He confidently believes that Kentucky will go for General Taylor by a majority of 20,000.

Northern Pennsylvania, according to Mr. Greely, is on fire with "free soil."—He is travelling on the Lakes, and says: "I am assured that Campbell, whig, is morally certain to beat Mr. Polk's Thomson in the Erie Congressional District, which will be a gain."

TENNESSEE. Gen A. Anderson, formerly a democratic U. S. Senator from Tennessee, has come out in favor of Gen. Taylor for the Presidency.

SENATOR J. M. NILES, of Connecticut, addressed a Free Soil meeting in New Haven, on the 28th August. It is to be regretted that the aid of Mr. NILES in favor of Free Territory comes "too late." He has made noble speeches in his place as U. S. Senator, against plans and proceedings which unfortunately he has assisted by his votes.

ILLINOIS.—The Chicago Democrat, a Cass and Butler paper, says: It cannot be denied that there is a considerable defection from the Democratic party in this city and that Gen. CASS will not receive so large a majority as we have formerly given at Presidential elections."

TAYLOR IN NEW YORK.—A letter was received in Boston, a day or two since, from one of the most distinguished and intelligent Whigs in the State of New York, in which he states, that General Taylor will "*have a plurality of votes in every county of the State, save one.*"

☞ Ex-Governor Thomas, of this State, is said to have avowed himself in favor of the free soil party.

General Hammond, of S. C. is out in opposition to Gen. Cass and to the friends of General Taylor, says:

"Permit me to offer you my most ardent wishes for the success of your efforts to carry the vote of our State for this great and good man, and to assure you of the high respect with which I have the honor to be very sincerely, your obedient servant,
J. H. HAMMOND."

ALL COMING ROUND.—The Seneca Co. Courier, one of the three Whig papers left in the State of New York, which had not yet acceded to the Whig Presidential nominations, has at last wheeled into the line and supports TAYLOR and FILLMORE.

The Washington Union complains that Mr. F. Mallory of Virginia, formerly a member of Congress from the Eastern Shore district, has joined the Whigs in support of Gen. Taylor, and in opposition to Mr. Cass.

TROUBLE AHEAD IN OHIO.—The strange manner in which the Apportionment law was passed in Ohio, during the last session of Legislature, is likely to lead to some trouble in that State. A convention, held immediately after the passage of the law, declared that it would not be adhered to; and we see that the democrats of Cincinnati nominated a Senator and five Representatives for the county at large, wholly disregarding the two representative districts, and neither of the candidates reside in the *first* district. If they act upon this determination, Ohio may have a "buckshot war," the same as Pennsylvania.

WHO SLANDERS GEN. TAYLOR?

An Ohio volunteer charged Gen. TAYLOR with blasphemy. It subsequently turned out that Gen. T.'s accuser had been rebuked in Mexico by Old Zack for *robbing a hen roost*, and indicted in Columbus for *stealing a hog!*

Another man makes charges against Gen. TAYLOR in the Louisville Democrat. He boasts that he served at Buena Vista, was a Whig when he entered the service, but now goes for General Cass. One of his comrades, in the Louisville Journal, denies that the man was ever a Whig, and accounts for his hostility to General Taylor thus—

"When we were about to attack the enemy at the battle of Buena Vista, and every other man was at his post, eager and ready for the contest, this T. M. was trying to hide under the hill side and to keep from the engagement, and one of the officers of our company had to draw his sword upon him before he would show any symptoms of fighting. Such cowardly men as these we do not want for Gen. TAYLOR."

EXTRA CHARGES.—It has been shown from official documents, that candidate Cass has always had the knack of charging very high, and several times, over, for his service. But the most extravagant requisition yet made by him is that the people should pay $25,000 per annum for four years and find him the White House to live in for writing a life of Louis Phillippe, doing his best to embroil us in war, and having two contrary opinions on every questions of great national importance.

SENSIBLE ABOLITIONIST.—The Louisville (Ky.) Examiner, the Anti-Slavery paper of Kentucy, in an article on the subject of the recent escape and recapture of fugitive slaves in that State, deprecates the practice of encouraging slaves to escape from their masters, as tending to exasperate the slaveholder, retard the progress of emancipation, and strengthen the bonds of the slaves.

These remarks are particularly applicable to Maryland.

THE EVENING NATIONAL, published at New Orleans, has been discontinued. The Hon. J. W. Crockett, one of its editors, has become associated with the N. O. Buletin.

GIDDINGS ON VAN BUREN.—Before the *one idea* doctrine took possession of Mr. Giddings' mind, he had a very correct idea of Mr. Van Buren. Here is an extract of a speech of his in congress:

"Sir, I may be led to confide in the honor of a slaveholder; but a "servile doughface" is too destitute of that article to obtain credit with me. Mr. Van Buren has placed the evidence of his servility conspicuously upon the records of the country. There it will remain, and will be regared as an enduring memento of the degeneracy of the age, and of the men who filled our public stations."

A SWIFT WITNESS.—The volunteer upon whose testimony the Columbus Statesman published the story about Gen. TAYLOR's swearing at the chicken thieves in Mexico, was indicted by the grand Jury of Franklin county for stealing a hog in April, 1846. We have a copy of the bill of indictment now before us. The affidavit of the chicken thief is well supported by the evidence of a hog thief.—*Buffalo Ex.*

No More Presidential Journeys.—The Washington Union denies that President Polk is about to visit the North, and adds: "He does not expect to leave Washington for a day until the 4th of March next—the close of his administration."

LOSS OF HAIR AND BALDNESS.—Its remedy.—Hear what Dr. Quigley says:

Shepherd's Town, Va. Oct. 10, 18—

Dear Sir—You inquire of me whether I have used your Hair Tonic, and the effects.

Several years ago my hair began to fall rapidly from the scalp, and I had the prospect of premature baldness. During several years I used various preparations recommended for the hair, from which I derived no benefit.—At length a friend recommended your Hair Tonic. I used three or four bottles according to the printed directions, and at the end of six months my hair was thick set, and since its tendency to turn grey was arrested.

I have never before given a certificate recommending patent medicines, which indiscriminately used, as they often are, do much injury, but in a case like the present where I know the article to be beneficial, and that it can do harm; I have no scruples in stating facts within my own knowledge.

Yours, &c. JOHN QUIGLEY, M. D.
To DR. D. JAYNE, Philadelphia.

CHILDREN DIE OF WORMS—Aye, and grown up people too. *Dr. Jayne's Vermifuge* has never been known to fail to cure in the worst stages.

Symptoms of Worms.—These are headache, vertigo, paleness of the lips, with flushed cheeks, grinding the teeth during sleep, disturbed dreams, sleep broken off by fright and screaming, convulsions, feverishness, thirst bad taste in the mouth, offensive breath, cough, difficult breathing, itching of the nostrils, pain in the stomach, nausea, squeamishness, veracious appetite, leanness, tenesmus, slight chills or shivering, drowsiness, fatigue, swelled stmach or limbs, rising and chokeing in the throat, turbid urine, frequent desire to evacuate the bowels, discharge of slime and mucus, &c.

For nervousness, sick headache, palpitation of the heart, &c., it gives immediate relief. It also neutralizes acidity of stomach, creates an appetite, strengthens the whole system, and *cures* the PILES.

Therefore, *Be it enacted and ordained by the Commissioners of Easton*, duly elected and qualified, That from and after the first day of January, eighteen hundred and forty-nine, it shall not be lawful for any citizen or person residing in Easton, either directly or indirectly, by himself or any other person, to have, hold, or keep, any pig or hog, in any pen, stye or enclosure within the limits of the town of Easton, under the penalty of forfeiting and paying to the commissioners aforesaid, for the use and benefit of the town, the sum of ten dollars for each and every pig or hog so kept contrary to the provisions of this ordinance.
