Facts are Stubborn Things!
MARTIN'S COMPOUND SYRUP OF
WILD CHERRY

IS the best remedy now in use in Coughs, Colds, Asthma and Consumption, in its early stages, ever offered to the public. Read the following—

No. 25 Pleasant street, Baltimore, January 26th, 1847.

Dr. Martin; Dear Sir:—On the 6th of Feb. 1846, I was first taken with a hæmorthage from my Lungs, and was confined to the house in consequence of it and other pulmonary symptoms for nearly four months. I became so exceedingly weak and debilitated by it and the cough and repeated spittings of blood and matter which ensued, that I was entirely prostrated. I however recruted a little and went into the country for two months, but returned without the least benefit, and on my return to the city I had another attack from hæmorrhage. My cough now became so exceedingly harrassing—particularly at night. I thought I should sink under it. My feet, ankles, hand and wristo swelled much, and I nearly lost the use of them. Every morning they were rubbed for near one hour before I could use them, and when I got out of bed I had to be assisted. My expectoration was very profuse and was mixed with clotted blood I suffered much from pain in my breast and shoulders, and at times my whole frame appeared disordered. I was attended by two excellent physicians in the city who cease to visit me, and I supposed, thought my case beyond the healing art. In fact I was so reduced I never expected to be well again, and many persons both in and out of the city can certify that my case appeared hopeless.

I had used for a long time various pulmonary preparations up to November, but all to no purpose, and hope seemed to have fled. In the latter part of that month you came to see me. After talking with me some time you proposed to me to try your Syrup of Wild Cherry. I did so and after using it some weeks I gan to recover, and now (thank God) I think my disease is removed. My cough has left me, my breast is easy, and I sleep soundly and comfortably and my health and strength daily improves, but as the weather is so unsettled I feel reluctant in turning out. By way of exercise I daily at your request take a turn at wood sawing.

In making my case known I am prompted by no other motive than feelings of benevolence, and for the benefit of others who may be similar ly afflicted. Very respectfully,
THOMAS J. HENRIX.

MARTIN AND WHITELEY'S
NATIONAL TONIC,

A certain cure for Ague and Fever, and Dyspepsia. We publish the certificate of a worthy man who is well known in Queen Anns County, and who was speedily relieved by it—

BEVER DAMS, QUEEN ANNE'S Co. October 3d, 1847.

Dr. George. T. Martin, Respected Sir:—In justice to you and to the Public, and to discharge a high and responsible obligation resting upon me, I take this method of making known to the public the remarkable cure your National Tonic has wrought in my particular case. I had been laboring under an intermitting fever for 15 months; I had tried different eminet Physicians but without success; 'tis true the quinine would stop the chills a day or two, but they would return with double violence until I became weak and emaciated, my stomach swollen and hard, my spirits broken, and had but little hope again becoming a sound man; last winter I accidentally saw this invaluable TONIC and commenced taking it, and before I used HALF a bottle my chills left me, my appetite gradually returned, and my spirits also, and by the time I had finished the one bottle I was, as it were, a new man. Nearly a year has elapsed and I have not had a single chill. Your Pills are the most popular pills amonst us. Yours with respect,
JOHN NELSON.

Martin's Universal Purgative Pills.

In offering these Pills to the public we know there cannot be found a better, or more safe, easy or agreeable remedy, in all cases were a Purgative is needed. They speedily remove all irritating matters retained in the bowels, or when the habitual alvim discharges are too tardy or insufficient' for health, by their specific virtues they restore the secretions to a healthy action, and the blood to its natural purity.

Extract from W. L. Jones' letter—

I have been using Dr. Martin's Universal Purgative Pills for the last four years, both personally and in my family, and with great confidence recommend them as a certain and safe purgative, and for the billious fever I have never known them to fail; in a word I have had much sickness and use nothing else.
Respectfully yours,
W. L. JONES,
Surgeon Dentist, Caroline Co., Md.
October 16th, 1846.
