Are curing the Sick to an extent never before known of any Medicine. INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULES HAUEL, Esq., the well known perfumer, Che-tnut street, Philadelphia, whose choice products are found at almost every toilet, says: " I am happy to say of your Cathantic Pills, that have found them a better family medicine for commo use, than any other within my knowledge. Many of friends have realized marked benefits from them and co incide with me in believing that they possess extraordi nary virtues for driving out diseases and curing the sick They are not only effectual but safe and pleasant to be taken, qualities which must make them valued by the

public, when they are known." The venerable Chancellor WARDLAW, writes from Baltimore, 15th April, 1854: "Dr. J. C. Aren-Sir: I have taken your Pills with great benefit, for the listlessness, languor, loss of appetite, and Bilious headache, which has of late years overtaken me in the spring. A few doses of your Pills cured me. have used your Cherry Pectoral many years in my family for coughs and colds with unfailing success. You make medicines which care, and I teel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Ca., 8278: 1 Pa. R. R. Office, Philadelphia, Dec. 13, 1853. "Sir: I take pleasure in adding my testimony to the efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic I'dle. I am never without them in my family, nor shall ever consent to be, while my means will procure them." The widely renowned S. S. STEVENS, M. D., of Went-

worth, N. II., writes: "Having used your Cathantic Pills in my practice, certify from experience, that they are an invaluable purgative. In cases of disordered functions of the liver. causing headache, indigestion, co-tiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure in their operation, and perfectly safe, qualities which make them an invaluable article for public use. have for many years known your Cherry Pectoral as the test Cough medicine in the world, and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

" Actun, Mr., Nov. 25, 1853. "Dn. J. C. Aven-Dear Sir: I have been afflicted from my birth with scrafila in its worst form, and now, after twenty years' trial, and an untold of amount of suffering, have been completely cured in a few weeks by your Pille. With what feelings of rejoicing I write, can only be imagined when you realize what I have suffered.

"Never until now have I been free from this lonthsome disease in some shape. At times it attacked my eyes, and made me simost blind, besides the unendurable pain; at others it settled in the scalp of my head, and destroyed my hair, and has kept me partly hald all my days; sometimes it came out in my face, and kept it for months a raw sore. " About nine weeks ago I commenced taking your Ca-

thartic Pills, and now am entirely free from the complaint My eyes are well, my skin is fair, and my hair has com menced a healthy growth; all of which makes me feel already a new person. " Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude, Yours, &c.,

MARIA RICKER." "I have known the above named Maria Ricker from her childhood, and her statement is strictly true. ANDREW J. MESERVE.

Overseer of the Port-mouth Manufacturing Co." CAPT. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854: "Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physician, and from every remedy I could try, but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months; he told me in a few days they had cared him You make the best medicine in the world, and I am free Read this from the distinguished Solicitor of the Supreme

Court, whose brilliant abilities have made him well known, not only in this but the neighboring States. " New Orleans, 5th April, 1854. "Sir: I have great satisfaction in assuring you that my self and family have been very much benefited by your medicines. My wife was cured two years since, of a severe and dangerous cough, by your CHERRY PECTORAL, and since then has enjoyed perfect health. My children have several times been cured from attacks of the Influenza and Croup by it. It is an invaluable remedy for these complaints. Your CATHARTIC PILLS have entirely cured me from a dyspepsia and costiveness, which has grown upon me for some years, -indeed this cure is much more important, from the fact that I had failed to get relief from the best Physicians which this section of the country affords, and from any of the numerous remedies I had taken. "You seem to us, Doctor, like a providential blessing to our family, and you may well suppose we are not unmind Yours respectfully.

LEAVITT THAXTER." "DR. J. C. AYER-Honored Sir: I have made a thor ough trial of the Cathartic Pills, left me by your agent, and have been cured by them of the dreadful Rheumatism under which he found me suffering. The first dose relieved me, and a few subsequent doses have entirely removed the disease. I feel in better health now than for some years before, which I attribute entirely to the effects of your Cathantic Pills. Yours with great respect, LUCIUS B. METCALF."

The above are all from persons who are publicly known where they reside, and who would not make these statements without a thorough conviction that they were true.
